STATE DISABILITY ASSISTANCE RULE

Department: Human Services
Agency: Field Operations Administration
Rule Set No.: 2014-032-HS

Complete to: 2/10/2015

BACKGROUND & SUMMARY OF PROPOSED RULES SUBMITTED TO JCAR

The State Disability Assistance (SDA) program provides financial resources to low-income disabled adults to be used for basic needs and living expenses. The program is funded solely by state resources and is dependent upon annual state appropriations within the budget bill of the Department of Human Services. These administrative rules are necessary to support the state's continued funding of the program and to provide the processes and procedures needed to evaluate clients' eligibility and ensure the receipt of payments.

The proposed rule changes provide necessary revisions to update the language, align rules with state policy, and remove obsolete language. The recommended rule changes would also rescind one rule, R400.3167, which is considered obsolete.

FISCAL IMPACT OF PROPOSED RULES

The rules amended and rescinded by 2014-032-HS would have no significant fiscal impact on the State of Michigan or on local units of government.
