Rule Set No.: 2016-007 EQ

Submitted to JCAR on: 11/16/2016

Department: Environmental Quality

Agency: Office of Waste Management & Radiological Protection

Enabling Statute: Natural Resources and Environmental Protection Act, 1994 PA 451, MCL 324.101 et seq.

Analysis Complete to: 3/26/2017

BACKGROUND AND SUMMARY OF PROPOSED RULES

These proposed changes would help ensure that Michigan's hazardous waste management operations maintain compliance with federal mandates from the United States Environmental Protection Agency (EPA). The EPA delegates the authority to manage hazardous waste to individual states' regulatory agencies. Michigan's Department of Environmental Quality performs these functions in accordance with EPA guidelines and these proposed rule changes are intended to maintain administrative compliance while still accomplishing the environmental goals of the federal Resource Conservation and Recovery Act.

FISCAL IMPACT OF PROPOSED RULES

These proposed rules would not affect costs or revenues for the Department of Environmental Quality. The functions outlined in these proposed rules fall within the purview of DEQ's current regulatory functions. These proposed rules would not affect costs or revenues for local units of government.
