## STATE BUDGET TERMS

### **Line Item**

Specific funding amount in an appropriations bill that establishes spending authorization for a particular program or function.

### **Boilerplate**

Specific language sections in an appropriations bill that direct, limit, or restrict line-item expenditures, express legislative intent, and/or require reports.

### **Lapse**

Appropriated amounts that are unspent or unobligated at the end of a fiscal year; appropriations are automatically terminated at the end of a fiscal year unless otherwise provided by law.

### **Work Project**

Account authorized through statutory process that allows appropriated spending authorization from one fiscal year to be utilized for expenditures in a succeeding fiscal year or years for a specific project or purpose.

## APPROPRIATIONS AND FUND SOURCES

### **Appropriations**

Authority to expend funds for a particular purpose. An appropriation is not a mandate to spend.

**Gross:** Total of all applicable appropriations in an appropriations bill.

**Adjusted Gross:** Net amount of gross appropriations after subtracting interdepartmental grants (IDGs) and intradepartmental transfers (IDTs).

### **Interdepartmental Grant (IDG) Revenue**

Funds received by one state department from another state department usually for service(s) provided.

### **Intradepartmental Transfer (IDT) Revenue**

Funds transferred from one appropriations unit to another within the same departmental budget.

### **Federal Revenue**

Federal grant or match revenue; generally dedicated to specific programs or purposes.

### **Local Revenue**

Revenue received from local units of government for state services.

### **Private Revenue**

Revenue from non-government entities: rents, royalties or interest payments, payments from hospitals or individuals, or gifts and bequests.

### **State Restricted Revenue**

State revenue restricted by the State Constitution, state statute, or outside restriction that is available only for specified purposes; includes most fee revenue; at year-end, unused restricted revenue generally remains in the restricted fund.

### **General Fund/General Purpose (GF/GP) Revenue**

Unrestricted general fund revenue available to fund basic state programs and other purposes determined by the legislature; unused GF/GP revenue lapses to the General Fund at the end of a fiscal year.

## MAJOR STATE FUNDS

### **General Fund**

The state's primary operating fund; receives state revenue not dedicated to another state fund.

### **School Aid Fund (SAF)**

A restricted fund that serves as the primary state funding source for K-12 schools and Intermediate School Districts. Constitutionally, SAF revenue may also be used for postsecondary education.

### **Budget Stabilization Fund**

The Countercyclical Economic and Budget Stabilization Fund, also known as the "rainy day fund"; the Management and Budget Act provides guidelines for making deposits into and withdrawals from the fund.

*Article VI, Section 1 of the Constitution of the State of Michigan provides for the Michigan Court of Appeals, with jurisdiction provided by law, and practice and procedure prescribed by Supreme Court rule. The Court of Appeals is an "intermediate" appellate court between state trial courts and the Supreme Court. There are 25 judges nominated and elected at nonpartisan elections. The court hears civil and criminal cases. Three-judge panels hear cases in Lansing, Detroit, Grand Rapids, and Marquette. Panels are rotated with an aim to counteract regional variance and to promote statewide uniformity in rulings.*

*When circumstances require, the Supreme Court may assign additional judges to increase the number of panels available. The procedure for hearing cases is similar to that followed by the Supreme Court. The decision of a panel of the Court of Appeals is final except in those cases where the decision is reviewed by the Supreme Court.*

The remaining portion of the salary is paid by the court funding unit, which is then reimbursed for the entire amount by the state.
