# GLOSSARY

## STATE BUDGET TERMS

### **Line Item**

Specific funding amount in an appropriation bill which establishes spending authorization for a particular program or function.

### **Boilerplate**

Specific language sections in an appropriation bill which direct, limit, or restrict line-item expenditures, express legislative intent, and/or require reports.

### **Lapse**

Appropriated amounts that are unspent or unobligated at the end of a fiscal year; appropriations are automatically terminated at the end of a fiscal year unless otherwise provided by law.

### **Work Project**

Account authorized through statutory process which allows appropriated spending authorization from one fiscal year to be utilized for expenditures in a succeeding fiscal year or years for a specific project or purpose.

## APPROPRIATIONS AND FUND SOURCES

### **Appropriations**

Authority to expend funds for a particular purpose. An appropriation is not a mandate to spend.

**Gross:** Total of all applicable appropriations in an appropriation bill.

**Adjusted Gross:** Net amount of gross appropriations after subtracting interdepartmental grants (IDGs) and intradepartmental transfers (IDTs).

### **Interdepartmental Grant (IDG) Revenue**

Funds received by one state department from another state department—usually for service(s) provided.

### **Intradepartmental Transfer (IDT) Revenue**

Funds transferred from one appropriation unit to another within the same departmental budget.

### **Federal Revenue**

Federal grant or match revenue; generally dedicated to specific programs or purposes.

### **Local Revenue**

Revenue received from local units of government for state services.

### **Private Revenue**

Revenue from non-government entities: rents, royalties or interest payments, payments from hospitals or individuals, or gifts and bequests.

### **State Restricted Revenue**

State revenue restricted by the State Constitution, state statute, or outside restriction that is available only for specified purposes; includes most fee revenue; at year-end, unused restricted revenue generally remains in the restricted fund.

### **General Fund/General Purpose (GF/GP) Revenue**

Unrestricted general fund revenue available to fund basic state programs and other purposes determined by the legislature; unused GF/GP revenue lapses to the General Fund at the end of a fiscal year.

## MAJOR STATE FUNDS

### **General Fund**

The state's primary operating fund; receives state revenue not dedicated to another state fund.

### **School Aid Fund (SAF)**

A restricted fund that serves as the primary state funding source for K-12 schools and Intermediate School Districts. Constitutionally, SAF revenue may also be used for postsecondary education.

### **Budget Stabilization Fund**

The Countercyclical Economic and Budget Stabilization Fund (also known as the "rainy day fund"); the Management and Budget Act provides guidelines for making deposits into and withdrawals from the fund.

Section 31a – At-Risk Pupil Support, School-based Health Centers, Hearing/Vision/Dental Screening	539,150,000	Supports instructional programs and direct noninstructional services for at-risk pupils (\$524.5 million) for the purpose of ensuring that pupils are proficient in English language arts by the end of 3 <sup>rd</sup> grade, pupils are proficient in math by the end of 8 <sup>th</sup> grade, high school graduates are career and college ready, and pupils are attending school regularly. Districts must comply with K-12 reading requirements under MCL 380.1280f, use resources to address early literacy and numeracy, and provide multi-tiered systems of support in grades K-12 to qualify. Allocates \$12.0 million of the \$524.5 million for payments to districts that received an allocation in FY 2021-22 that was less than their allocation in FY 2020-21, after accounting for declining enrollment. Allows unexpended funds from the \$12.0 million allocation to be distributed according to the main at-risk formula.
---	-------------	---

Eligible districts receive an amount equal to 11.5% of the statewide average foundation allowance per economically disadvantaged pupil, including those eligible for free and reduced price meals, TANF, or SNAP family benefits (cash or food assistance); or children who are migrants, homeless, or in foster care. However, a district with a combined state and local revenue per pupil greater than the Target foundation allowance in the current and immediately preceding year receives 35% of the allocation for which it would otherwise be eligible before proration, unless its revenue per pupil was less than the Target in FY 2018-19, in which case the district receives 100% of its allocation for FY 2021-22. Allocations for all districts are prorated because funds appropriated are not sufficient to fully fund the formula. Also includes funding for school-based health centers (\$8.0 million) and hearing, vision, and dental screenings (\$6.7 million).
