Adjusted Gross Appropriations (Adjusted Gross): The net amount of all gross appropriations after subtracting interdepartmental grants (IDGs) and intradepartmental transfers (IDTs).

Lapses: Appropriation amounts that are unspent/unobligated at the end of a fiscal year. Appropriations are automatically terminated at the end of a fiscal year unless otherwise provided by law.

Work Project: A statutorily-authorized account which allows a spending authorization to be carried over from one fiscal year to a succeeding fiscal year or years—i.e., allows funds to be spent over a period of years.

APPROPRIATION BILL TERMS

Line Item: Specific funding amount in an appropriation bill which establishes spending authorization for a particular program or function (may be for a single purpose or for multiple purposes).

Boilerplate: Specific language sections in an appropriation bill which direct, limit or restrict line item expenditures, express legislative intent, and/or require reports.

REVENUE SOURCES

General Fund/General Purpose (GF/GP): Unrestricted General Fund revenue available to fund any activity accounted for in the General Fund; unused GF/GP revenue lapses to the General Fund at the end of a fiscal year.

State Restricted (Restricted): State revenue restricted by state law or outside restriction that is available only for specified purposes; at year-end, unused restricted revenue remains in the restricted fund.

Federal Revenue: Federal grant or matchable revenue dedicated to specific programs.

Local Revenue: Revenue from local units of government.

Private Revenue: Revenue from non-government entities: rents, royalties or interest payments, payments from hospitals or individuals, and gifts and bequests.

Interdepartmental Grant (IDG): Revenue or funds received by one state department from another state department (usually for a service provided by the receiving department).

Intradepartmental Transfer (IDT): Transfers or funds being provided from one appropriation unit to another in the same department.

MAJOR STATE FUNDS

Budget Stabilization Fund (BSF): The countercyclical economic and budget stabilization fund; also known as the "rainy day" fund.

School Aid Fund (SAF): A restricted fund; the primary funding source for K-12 schools and Intermediate School Districts (ISDs).

General Fund: The General Fund (funded from taxes and other general revenue) is used to account for the ordinary operations of a governmental unit that are not accounted for in another fund.

HIGHER EDUCATION

Beginning in FY 2011-12, the Higher Education budget has been incorporated into the compiled School Aid Act, as Article III of that act, rather than being enacted into law as a standard one-year budget act.
