Overview

The Michigan Strategic Fund (MSF) contains programs that work with existing Michigan businesses and communities to retain and expand jobs through coordination of business assistance services through interdisciplinary account management teams and other economic development services. These programs build partnerships with local, state, and federal economic development agencies and the business community to coordinate and leverage resources and improve the State's business climate. The MSF has administrative responsibilities over Workforce Investment Act activities, Community Development Block Grants, GEAR-UP grants, Carl D. Perkins grants, adult education, Bureau of Energy Systems, postsecondary education services, and welfare-to-work programs. Funds and programs of the MSF are administered by the Michigan Economic Development Corporation (MEDC), which also administers the 21st Century Jobs Fund. Michigan State Housing Development Authority (MSHDA) is an autonomous agency within the MSF. Under Executive Order 2011-4, the MSF supervises and directs the budgeting, procurement, and related management function of the MSHDA.
