Overview

The Department of Treasury is the chief fiscal agency of the state and the primary source of advice to the Governor on tax and fiscal policy issues. The Department's mission is to collect state taxes; to invest, control, and disburse state monies; and to protect the state's credit rating and that of its cities. The Department manages one of the nation's largest pension funds, administers revenue sharing, and administers the student financial aid programs. It also investigates fraudulent financial activity, provides assistance on all property tax-related issues and advises issuers of municipal obligations. The Bureau of State Lottery, the Michigan Gaming Control Board (MGCB), and State Building Authority (SBA) are autonomous agencies housed within the Department of Treasury.

The Senate estimates that 103 CVTs would receive alternate payments. The Senate caps alternate payments at \$424,100 and payments would be prorated as necessary if amounts needed exceeded that amount. <u>Conference</u> maintains FY 2014-15 funding level and provides all CVTs eligible for a payment in FY 2014-15 with 100% of their FY 2014-15 payment if required conditions under Section 952 are met.
