Overview

The School Aid budget makes appropriations to the state's 541 local school districts, 300 public school academies, the Education Achievement System, and 56 intermediate school districts (ISDs) for operations and certain categorical programs. It also appropriates funds to the Center for Educational Performance and Information, the Workforce Development Agency, and other entities to implement certain grants and other programs related to K-12 education.

Major Budget Changes From FY 2015-16 YTD Appropriations

1. Foundation Allowances (Secs. 22a and 22b)

Executive increases foundations using the 2x funding formula with increases ranging from \$60 to \$120 per pupil. Increases the State Maximum Guaranteed Foundation (the Basic) from \$8,169 to \$8,229 and the Minimum Foundation from \$7,391 to \$7,511. The increase costs \$150.0 million, but after a cost reduction of \$126.7 million due to increasing local share from increasing taxable values and declining pupils, the net increase totals \$ 23.3 million. (See FY 2015-16 supplemental items below.)

	FY 2015-16 Year-to-Date (as of 2/10/16)	FY 2016-17 House Change
Gross	\$9,009,700,000	\$108,800,000
Restricted	8,993,379,500	(57,376,300)
GF/GP	\$16,320,500	\$166,176,300

Also adds \$72.0 million in Detroit Public Schools (DPS) Trust Funds (redirected from Tobacco Settlement Funds) to support the foundation allowance costs of the newly proposed Detroit Community district to offset the loss of local school operating millage revenue, which would be redirected to pay off the debts of the former district.

Also adds \$1.0 million to change the pupil membership blend from 90% of the October count plus 10% of the previous February count to 50% of the fall count plus 50% of the previous February count.

House concurs with Executive on foundation increases and \$72.0 million from the Community District Trust Funds for DPS but revises the pupil membership blend from 90% of the October count plus 10% of the prior February count to 85% of the current October count plus 15% of the previous October count. Includes \$13.5 million for proposed pupil membership blend changes.

2. MPERS Unfunded Liability – State Share (Sec. 147c)

Executive increases funding for the state share of Michigan Public School Employees' Retirement System (MPERS) unfunded liability costs for districts, ISDs, and public libraries pursuant to PA 300 of 2012 by \$89.3 million, bringing the total to \$982.8 million.

Gross	\$893,500,000	\$89,300,000
Restricted	892,900,000	89,300,000
GF/GP	\$600,000	\$0

Major Budget Changes From FY 2015-16 YTD Appropriations		FY 2015-16 Year-to-Date (as of 2/10/16)	FY 2016-17 House Change
3. Flint Declaration of Emergency (Sec. 11s) – NEW	Gross	\$0	\$10,142,600
<u>Executive</u> provides \$10.1 million for half-year funding to provide universal Early On testing to identify and provide services to children 0-3 (\$6.4 million), universal access to preschool for 4-year-olds (\$1.5 million), additional district school nurses and school social workers (\$1.3 million), and ISD staff and services including (\$1.0 million). Additional funding, if necessary, would be available for transfer from a \$50.0 million Flint Emergency Reserve Fund proposed in the FY 2015-16 supplemental for DTMB. Additionally, it would appropriate up to \$15.0 million in state restricted contingency funds, which would not be available for expenditure until approval of a transfer by the Legislature. (See FY 2015-16 supplemental items below.)	Restricted	0	100
<u>House</u> concurs with Executive.	GF/GP	\$0	\$10,142,500
4. Statewide School Water Testing (Sec. 78) – NEW	Gross	\$0	\$0
<u>Executive</u> adds \$9.0 million to provide 2 nd of 3 years of funding to test school building water systems for lead based on a strategic statewide plan developed by MDE in collaboration with DEQ and LARA. (See FY 2015-16 supplemental items below for 1 st year funding.)	Restricted	0	0
<u>House</u> does not include this section.			
5. State School Reform/Redesign (Sec. 21) – NEW	Gross	\$0	\$100
<u>Executive</u> adds \$5.0 million for CEOs and supplemental payments to districts with schools identified as being in the lowest achieving 5% of public schools in the state and under the control of the State School Reform/Redesign Office (SRRO). Districts would receive a 20% foundation allowance premium for each high school FTE to compensate for the loss in foundation allowance funds remaining with elementary FTEs, since elementary foundation allowance funds often subsidize higher cost secondary schools, but would no longer be available to do so under a takeover. (See FY 2015-16 supplemental items below.)	Restricted	0	100
<u>House</u> includes with a \$100 placeholder.			
6. Competency-Based Funding Pilot (Sec. 21g) – NEW	Gross	\$0	\$1,000,000
<u>House</u> provides \$1.0 million GF/GP to pilot a competency-based transcript and market place to establish an articulation framework for Michigan academic, technical, and global competencies and to establish assessment criteria for measuring these competencies and awarding universally recognized credentials.	GF/GP	0	1,000,000
7. "At Risk" Pupil Support (Sec. 31a)	Gross	\$378,988,200	\$18,000,000
<u>Executive</u> maintains current year appropriation levels.	Restricted	378,988,200	18,000,000
<u>House</u> increases by \$18.0 million to allow both Hold Harmless and Out-of-Formula districts to be eligible if more than 50% of their prior year membership pupils were eligible for Free Lunch. Currently, eligible districts receive 11.5% of a district's foundation allowance for each student qualifying for free lunch; however, the appropriation doesn't support full funding, so district allocations are prorated.			
8. Year-Round School Grants (Sec. 31b) – NEW	Gross	\$0	\$3,500,000
<u>House</u> adds \$3.5 million for grants to districts for building modifications or other nonrecurring costs related to implementing a new year-round school.	Restricted	0	3,500,000
9. Gang Prevention Grants (Sec. 31c)	Gross	\$1,000,000	\$3,000,000
<u>Executive</u> eliminates funding of \$1.0 million and repealed Sec. 31c.	Restricted	1,000,000	3,000,000
<u>House</u> increases funding by \$3.0 million for a total of \$4.0 million.			
10. Special Education Reforms (Sec. 54b) – NEW	Gross	\$0	\$1,370,000
<u>Executive</u> adds \$1.4 million for the implementation of recommendations of the Special Education Reform Task Force published in January 2016. \$750,000 would be used to pilot statewide implementation of the Michigan Integrated Behavior and Learning Support Initiative (MiBLSI), a program of positive behavioral intervention and supports, in at least 3 ISDs. \$620,000 would be used for training related to the safe implementation of emergency restraints and seclusion.	Restricted	0	1,370,000
<u>House</u> concurs with Executive.			

Major Budget Changes From FY 2015-16 YTD Appropriations		FY 2015-16 Year-to-Date (as of 2/10/16)	FY 2016-17 House Change
11. Career and Technology Education Programs (Sec. 61a)	Gross	\$36,611,300	\$115,000
<u>Executive</u> maintains current year appropriation levels.	Restricted	36,611,300	0
<u>House</u> includes \$115,000 GF/GP to a non-profit organization that provides curriculum and training to CTE programs in restaurant management and culinary training.	GF/GP	\$0	\$115,000
12. CTE Early/Middle Colleges (Sec. 61b)	Gross	\$10,000,000	\$5,000,000
<u>Executive</u> increases funding to \$15.0 million for career & technical education (CTE) early/middle colleges that allow a student to graduate in 5 years with both a high school diploma and postsecondary credentials. Revises to make districts that receive funding for CTE program added costs under Section 61a eligible for funding under this section, as long as combined payments under Sections 61a and 61b do not exceed the total allowable costs of the program. <u>House</u> concurs with Executive recommendation increase but allows up to \$500,000 for grants for planning new or expanded programs and caps planning grants to \$50,000 per program.	Restricted	10,000,000	5,000,000
13. CTE Equipment Upgrades (Sec. 61c) – NEW	Gross	\$0	\$10,000,000
<u>Executive</u> provides \$10.0 million in a competitive grant program to districts and ISDs to improve capital infrastructure for their CTE programs including the purchase of equipment, renovations related to installation of equipment, installation costs, and training for instructors providing instruction using the equipment. Caps individual grant awards at \$500,000. <u>House</u> concurs with Executive.	Restricted	0	10,000,000
14. Intermediate School District (ISD) General Operations (Sec. 81)	Gross	\$67,108,000	\$1,074,000
<u>Executive</u> increases ISD funding by 1.6%, or \$1.1 million, to a total of \$68.2 million. <u>House</u> concurs with Executive.	Restricted	67,108,000	1,074,000
15. Educator Evaluations (Sec. 95a)	Gross	\$0	\$100
<u>Executive</u> adds \$10.0 million into the Educator Evaluation reserve fund to provide training in educator evaluation systems. <u>House</u> instead adds \$100 placeholder in Sec. 95b for a statewide student growth tool for the purposes of educator evaluations.	Restricted	0	100
16. FIRST Robotics (Sec. 99h)	Gross	\$2,000,000	\$0
<u>Executive</u> increases funding for district grants for FIRST Robotics programs to a total of \$2.5 million. Funds may be used for coach stipends and program expenses. <u>House</u> maintains current year appropriation.	Restricted	2,000,000	0
17. MiSTEM Grants (Sec. 99s)	Gross	\$9,274,300	\$0
<u>Executive</u> adds \$1.3 million bringing total funding to \$10.5 million to support science, technology, engineering and mathematics (STEM) education programs. Maintains existing funding for Math/Science Centers (\$8.0 million). Rolls up funding currently going to Science Olympiad, STEM professional development, MI STEM Partnership, and VanAndel Institute along with the increased \$1.3 million to implement grants based on the MiSTEM Council recommendations, which are due in March 2016. <u>House</u> maintains current year appropriation total, and maintains current year individual grant levels but revises Math/Science Center funding as follows: creates 10 MiSTEM Centers in each prosperity region (with an ISD fiscal agent for each); MiSTEM Centers would coordinate with the MiSTEM council and Change the Equation STEMworks and distribute at least half of the funding to districts for participation in eligible STEM programs.	Federal	5,249,300	0
	Restricted	3,250,000	0
	GF/GP	\$775,000	\$0
18. Online Algebra tool (Sec. 99t) – NEW	Gross	\$0	\$2,000,000
<u>House</u> provides \$2.0 million GF/GP for a statewide online algebra tool that provides students with algebra related videos, adaptive diagnostics, online supports, practice assessments, and professional development for teachers.	GF/GP	\$0	\$2,000,000

Major Budget Changes From FY 2015-16 YTD Appropriations		FY 2015-16 Year-to-Date (as of 2/10/16)	FY 2016-17 House Change
19. Financial Data Analysis Tools (Sec. 102d)			
<u>Executive</u> maintains current year appropriation levels.	Gross	\$1,500,000	\$100,000
<u>House</u> adds \$100,000 SAF for ISD reimbursements of financial data analysis tools. Currently, funds are only provided to districts to reimburse them for the cost of licensing school data analytical tools, and this additional allocation is for ISD reimbursements.	Restricted	1,500,000	100,000
20. M-STEP Assessments (Sec. 104)			
<u>Executive</u> reduces by \$10.1 million bringing total funding for student assessments to \$40.1 million. Eliminates \$8.5 million in one-time funding to convert assessments to online tests, expand writing assessments to additional grades, and create additional constructed response test questions, all of which has been completed. Also eliminates funding that had supported the Kindergarten Entry Assessment, which has been replaced by a kindergarten summative assessment.	Gross	\$50,244,400	(\$21,994,400)
<u>House</u> reduces funding by \$22.0 million and eliminates the M-STEP. The remaining \$22.0 million SAF and \$6.3 million Federal funding would instead be used for a statewide contract for a computer adaptive test, which would replace M-STEP.	Restricted	43,994,400	(21,994,400)
	Federal	6,250,000	0
21. Nonpublic School Reimbursements (Sec. 152b) – NEW			
<u>House</u> adds \$1,000,000 SAF to reimburse nonpublic schools for the costs related to activities identified in the nonpublic schools mandate report required under Sec. 236 of PA 252 of 2014.	Gross	\$0	\$1,000,000
	Restricted	0	1,000,000
22. Early Literacy (3rd Grade Reading) Initiative (Sec. 35 and 35a)			
<u>Executive</u> reduces total funding for by \$2.5 million by eliminating a Parent University Pilot (\$1.0), a grant to Michigan Education Corps (\$1.0 million), and one-time funding for an early literacy certification test (\$500,000). Maintains funding for administration (\$1.0 million), professional development (\$950,000), diagnostic tools (\$1.5 million), literacy teacher coaches (\$3.0 million), and added instructional time (\$17.0 million). <u>Executive</u> eliminates funding and repeals this section.	Gross	\$23,500,000	(\$23,500,000)
<u>House</u> concurs with Executive.	Restricted	23,500,000	(23,500,000)
24. Other Program Eliminations			
<u>Executive</u> eliminates funding and repeals the following sections:	Gross	\$6,160,000	(\$6,160,000)
<ul style="list-style-type: none"> • Sec. 31h – Cooperative Education (Albion/Marshall) - \$300,000 • Sec. 43 – Teacher Certification Test Rewrite - \$1.8 million • Sec. 99c – Civics Education - \$60,000 • Sec. 104d – Computer Adaptive Tests - \$4.0 million 	Restricted	4,360,000	(4,360,000)
<u>House</u> concurs with repealing of sections 31h, 43, 99c, and 104d.	GF/GP	\$1,800,000	(\$1,800,000)
25. Michigan College Access Network (MCAN) (Sec. 67)			
<u>Executive</u> reduces funding by \$550,000 to eliminate funding for an online career planning tool, leaving \$3.1 million for the balance of MCAN efforts to expand access to college.	Gross	\$3,600,000	(\$550,000)
<u>House</u> concurs with Executive.	Restricted	3,600,000	(550,000)
26. Special Education (Sec. 51a, 51c, 51d, 53a, 54, and 56)			
<u>Executive</u> increases funding for special education by \$54.5 million to a total of \$1.4 billion to reflect updated estimates. (See FY 2015-16 supplemental items below.)	Gross	\$1,359,546,100	\$54,500,000

Major Boilerplate Changes From FY 2015-16

Sec. 6. Pupil Membership Definitions – REVISED

Executive revises pupil membership blend in (4) from 90% of the October count plus 10% of the prior February count to 50% fall count plus 50% prior February count. Caps the number for which a district may claim a nonpublic school pupil membership, for the purposes of receiving state aid, at no more than 1/3 of an FTE for grades 1 to 12 to align it with Sec. 166b, which requires that a nonpublic student be part-time and limited to nonessential elective courses. (See also Sec. 166b below). Strikes language added in FY 2015-16 that would count allow a student to be counted as homeless if he or she was counted in membership in FY 2014-15 even if the student didn't meet the Federal homeless definition.

House revises pupil membership blend in (4) from 90% of the October count plus 10% of the prior February count to 85% of the current October count plus 15% of the previous October count. Does not cap the number of FTEs a nonpublic school pupil membership. House concurs to strike the homeless exception added in FY 2015-16. Adds that for a special education student who was expelled on the pupil count day but reinstated after, the district's membership shall be adjusted to count the student.

Sec. 20j. Foundation Calculations for Hold Harmless Districts – NEW

Executive due to an inflationary cap on Hold Harmless (HH) District Foundation Allowances, which was put in statute along with the school funding reforms tied to Proposal A in 1994, HH districts (currently foundation allowances greater than \$8,169) would be capped at increases ranging from \$8-\$15. The Executive budget reintroduces former Section 20j, which would allow the difference between each HH district's inflationary increase and the \$60 increase in the State Maximum Guaranteed foundation allowance to be allocated under a separate calculation than its foundation calculation in Sec. 20.

House concurs with Executive.

Sec. 21f. Virtual Classes – REVISED

Executive makes several changes including the following 3 major policy changes:

- Requires a district to provide written notification and a description of appeal process if denying enrollment. Also requires a district if disallowing a course for sufficient rigor to "enroll" a pupil in an alternative course, rather than "make a reasonable effort to assist" a student in finding an alternative.
- Requires primary enrolling districts to provide a student enrolled in more than 2 virtual courses per term with hardware, software, and internet access without charge to the pupil, in addition to the expenses paid for the virtual course under (9), currently 6.67% of the minimum foundation.
- Requires MDE to establish standards for appropriate hardware, software, and internet access and to establish minimum requirements to count a pupil in a virtual course in a district's pupil membership, for the purpose of receiving of state aid.
- Deletes requirement that online courses offered by community colleges generate postsecondary credit.

House concurs with changes regarding denying enrollment or disallowing a course, but does not include the other Executive recommendations.

Major Boilerplate Changes From FY 2015-16

Sec. 25e. Pupil Transfer Process – DELETED

Executive repeals this section and eliminates the pupil transfer process, which currently allows districts to transfer a portion of a pupil membership FTE, and thus the state aid funding tied to it, if a pupil transfers from one district to another between the Fall count date and the following February count date.

House concurs with Executive.

Sec. 32d. Great Start Readiness Program (GSRP) – REVISED

Executive prioritizes children who are homeless, in foster care, or have an IEP that requires preschool as if they are in the lowest income quintile. Reduces program eligibility notification requirements to community-based providers to those that are currently non-participating and to just one notice, which could be done electronically.

House concurs with Executive and revises the cap on ISD administration expenses from either 7% or 4% depending on whether or not the ISD is subcontracting services to 5% either way, and eliminates the 4% cap for subrecipient administration costs and instead counts them as direct services.

Sec. 39. Great Start Readiness Program Formula – REVISED

Executive revises application and formula to base it on number of half-day slots filled rather children served such that the hold harmless provision, guaranteeing an ISD at least its prior slot allocation, would include slots used to provide full-day programs.

House concurs with Executive.

Sec. 51a(15). Special Education Penalty – REVISED

Executive deletes legislative intent that, beginning in FY 2016-17, would penalize a district, PSA, or ISD by 10% of its total state aid if it does not comply with the process for special education services for PSA pupils under subsection (14) or federal regulations.

House maintains the penalty and implements it beginning in FY 2016-17.

Sec. 101. Days and Hours of Instruction – REVISED

Executive deletes district reports of days and hours of instruction and replaces with district certification to MDE that it is in full compliance or district reports to MDE for each instance of noncompliance.

House concurs with Executive.

Sec. 104b. Assessments – DELETED

Executive maintains current law.

House repeals this section, which requires that districts administer the Michigan Merit Exam including a college entrance test (SAT, formerly ACT), a work skills test (WorkKeys), and a state summative assessment (M-STEP).

Sec. 104c. Assessments – DELETED

Executive revises to require fall and spring assessments in grades K to 2, and eliminates the kindergarten entry assessment.

House repeals this section.

Sec. 107. Adult Education – REVISED

Executive revises eligible programs to add adult secondary education programs, eliminate job- or employment-related programs, and revise GED to high school equivalency test prep programs. Deletes all current participant eligibility criteria, and replaces with either a) is at least 20 years of age or b) is an out-of-school youth as defined in federal Workforce Innovation and Opportunity Act. Deletes FTE funding formula based on 80% enrollment and 20% completion. Makes payments based on statewide allocation criteria including 3-year average enrollments, census data, and local needs as well as participant completion data, and allowable expenditures.

House concurs with Executive except maintains current law in regards to participant eligibility criteria.

Sec. 166. Penalty for Family Planning – REVISED

Executive repeals this section.

House revises the penalty under which a district currently forfeits 5% of its total state aid if a board member or staff distributes family planning drugs or devices or makes referrals for abortions. Instead it would require a district to adopt a disciplinary policy for school officials or staff for violations of MCL 380.1507 (regarding Sex Education and prohibits distribution of family planning drugs or devices) or for making abortion referrals. A district that fails to adopt a disciplinary policy would forfeit \$100,000 of its state aid. The policy must create financial penalties for school officials, staff, or contractors and require that penalties be negotiated in collective bargaining agreements.

Major Boilerplate Changes From FY 2015-16

Sec. 166b. Nonpublic Students – RETAINED

Executive revises to clarify that a district may count nonpublic students as FTEs, to receive state aid, for nonessential, elective courses "that are offered **AND BEING PROVIDED**" to full-time pupils in the same grade level or age group during regularly scheduled school hours.

House maintains current law.

Sec. 167a. Expelled or Suspended Pupils – NEW

House adds language that would reduce a district's foundation allowance funding by 1/180 per day for a student that was expelled or suspended for more than 10 days.

Flint-related Supplemental Recommendations for FY 2015-16 Appropriations **FY 2015-16 Recommendation**

Overview

The Community Colleges budget supports the 28 public community colleges located throughout the state. Community colleges offer a wide variety of educational programs, including traditional two-year transfer programs, associates' degrees, career and technical education, developmental and remedial education, continuing education, and, after 2012, baccalaureate programs in a limited number of areas. The colleges are supported primarily through a combination of state aid, local property tax revenue, and tuition and fees.

Major Budget Changes From FY 2015-16 YTD Appropriations

1. Community College Operations Grants

Executive increases funding for community college operations grants by \$7.5 million GF/GP, to be distributed according to a revised performance funding formula. Shift of \$50.7 million from School Aid Fund (SAF) to GF/GP. Projected increases for individual community colleges range from 1.7% to 3.8%. Total funding would be \$318.9 million (\$133.5 million GF/GP).

	FY 2015-16 Year-to-Date (as of 2/10/16)	FY 2016-17 House Change
Gross	\$311,492,000	\$10,590,700
Restricted	236,181,200	(50,700,000)
GF/GP	\$75,310,800	\$61,290,700

House increases operations grant funding by \$10.6 million (3.4%), to be distributed under the revised performance funding formula created by the 2015 Performance Funding Task Force. Projected increases for individual colleges range from 2.7% to 4.9%. Total funding would be \$322.1 million: \$185.5 million School Aid Fund (SAF), \$136.6 million GF/GP.

2. Michigan Public School Employees' Retirement System (MPERS)

Executive provides additional \$3.7 million SAF for the state's share of colleges' unfunded liability to MPERS, bringing total funding to \$73.2 million SAF. There is a \$56 million increase of SAF, used to account for the \$3.7 million increase and an offset of a \$52.3 million GF/GP reduction. The state's share is the difference between the actuarial accrued liability to the system and the employer contribution cap of 20.96% of payroll set by the Public School Employees Retirement act (MCL 38.1341). House concurs.

Restricted	17,200,000	56,000,000
GF/GP	\$52,300,000	(\$52,300,000)

3. Renaissance Zone Reimbursements

Executive replaces \$1.6 million SAF reduction with \$1.6 million GF/GP increase, resulting in entire \$5.1 million reimbursement program funded by GF/GP. House concurs.

Gross	\$5,100,000	\$0
Restricted	1,600,000	(1,600,000)
GF/GP	\$3,500,000	\$1,600,000

Major Boilerplate Changes From FY 2015-16

Sec. 206. Community Colleges Activities Classification Structure (ACS) Data – REVISED

Executive requires Michigan community colleges to report ACS data to the Center for Educational Performance and Information (CEPI). House concurs.

Sec. 208. Self-Liquidating Projects – RETAINED

Prohibits colleges from using state funds for construction or maintenance of self-liquidating projects. Requires colleges to comply with Joint Capital Outlay Subcommittee (JCOS) use and finance policy for any capital outlay project. Subjects colleges that fail to comply with a penalty of 1% of the operations funding for each violation. Executive deletes. House retains.

Sec. 209. Community College Transparency – REVISED

Executive deletes from college transparency reporting requirements a requirement to post the estimated cost resulting from the Affordable Care Act. Also deletes a provision authorizing state budget director to withhold payment from a college that failed to comply with the reporting requirements. House concurs.

Sec. 210b. Colleges and Universities Transfer Agreement – REVISED

Executive deletes legislative intent language and revises to require the Michigan Community College Association and the Michigan Association of State Universities issue a report on the implementation of the transfer agreement between community colleges and state universities. House revises language to require report on the implementation of the transfer agreement.

Sec. 210c. Block Transfer Study Committee – REVISED

Establishes study committee to develop a process to improve the transferability and applicability of associates' degrees as a block of credits between community colleges and public universities on a statewide basis. Executive deletes. House revises language to require the Michigan Community College Association and the Michigan Association of State Universities to issue a report on progress of implementing the study committee findings and recommendations.

Sec. 212. Cost Containment Initiatives – RETAINED

Encourages colleges to evaluate and pursue efficiency and cost-containment measures, including joint ventures, consolidating services, program collaboration, increasing web-based instruction, improving energy efficiency, eliminating low-volume/high-cost instructional programs, self-insurance and group purchasing. Executive deletes. House retains.

Sec. 217. Activities Classification Structure (ACS) Data – REVISED

Executive changes responsibility of drafting the ACS report from the Workforce Development Agency to the Center for Educational Performance and Information (CEPI). House concurs.

Sec. 223. North American Indian Tuition Waiver – REVISED

Requires colleges to report to WDA on number and monetary value of Indian tuition waivers granted in previous fiscal year. House revises to require colleges to report to the Department of Civil Rights on number of applications received and approved, number and monetary value of waivers, number of waiver students who withdraw, and the number of waiver students who completed a degree or certificate program.

Sec. 227. Community College Automobile Purchases – RETAINED

Forbids lease or purchase of foreign-made vehicles if vehicles made in Michigan or elsewhere in the U.S. are competitively priced and of comparable quality. Executive deletes. House retains.

Sec. 228. Communication with the Legislature – RETAINED

Forbids a community college from taking disciplinary action against an employee for communicating with the legislature. Executive deletes. House retains.

Sec. 229a. State Building Authority (SBA) Rent Payments – REVISED

Executive updates itemized list of community college capital outlay projects on which the state will pay SBA rent in FY 2016-17. Funding for SBA rent is appropriated under the General Government budget. House concurs.

Sec. 230. Performance Funding Formula – REVISED

Executive modifies the formula for distributing performance-based funding: reduces the across-the-board adjustment from 50% to 30%, increases the contact hours component from its current 10% unweighted to 30% weighted for health and technology/industrial fields, increases the performance based component from its current 17.5% based on weighted degree and certificate completions to 20%, adds 10% for completion improvement, reduces the local strategic value component from 15% to 5% and lowers the administrative costs component from 7.5% to 5%.

House modifies the formula according to the recommendations from the 2015 Performance Task Force: reduces the across-the-board adjustment from 50% to 30%, increases the contact hours component from its current 10% unweighted to 30% weighted for health and technology/industrial fields, adds 10% for completion performance improvement, adds 10% for performance completion number, adds 10% for performance completion rate, reduces the local strategic value component from 15% to 5% and lowers the administrative costs component from 7.5% to 5%.

Sec. 230a. Performance Indicators Task Force – DELETED

Requires creation by October 15, 2015 of a task force to make recommendations on community college performance metrics with a report due January 15, 2016. Executive deletes. House concurs.

Overview

The Higher Education budget, contained in Article III of the compiled School Aid Act, provides funding for operational support of the state's 15 public universities, the AgBioResearch and Extension programs operated by Michigan State University, various financial aid programs for students attending public and independent colleges and universities in the state, and several other smaller higher education-related programs.

Major Budget Changes From FY 2015-16 YTD Appropriations

1. University Operations

Executive increases university operations funding by \$59.8 million (\$31.2 million School Aid Fund, \$28.6 million GF/GP), a 4.4% increase that brings total support to FY 2010-11's level of \$1.4 billion. Increase distributed under a revised performance funding formula that reinstates a component that distributes 50% of the increase based on each university's share of operational funding appropriated in the baseline year of FY 2010-11. Percentages applying to other formula components are thus halved; those other components are weighted completions, research and development expenditures, and comparisons to Carnegie peers, the latter of which includes four metrics. Receipt of performance funding would be conditioned on restraining resident undergraduate tuition/fee increases to 4.8% (set at 3.2% in the current year). Projected funding increases for individual universities range from 3.5% to 6.8%.

	FY 2015-16 Year-to-Date (as of 2/10/16)	FY 2016-17 House Change
Gross	\$1,360,557,600	\$46,259,000
Restricted	200,019,500	31,200,000
GF/GP	\$1,160,538,100	\$15,059,000

House increases university operations funding by 3.4% or \$46.3 million, a reduction of \$13.5 million GF/GP from the Executive. House concurs with Executive's reinstatement of a performance funding formula component that distributes 50% of the increase based on each university's share of operational funding appropriated in the baseline year of FY 2010-11. House further revises formula to incorporate a fifth Carnegie metric: whether the university received a 2010 or 2015 Community Engagement classification. House conditions performance funding on restraining resident undergraduate tuition/fee increases to 4.8% or \$500, whichever was more. Projected funding increases for universities range from 2.8% to 4.7%.

Major Budget Changes From FY 2015-16 YTD Appropriations		FY 2015-16 Year-to-Date (as of 2/10/16)	FY 2016-17 House Change
2. MSU AgBioResearch and MSU Extension	Gross	\$60,503,100	\$1,412,600
<u>Executive</u> provides increases for Michigan State's AgBioResearch and Extension programs, bringing funding for each to FY 2010-11 levels. AgBioResearch with 2.3% (\$734,000 GF/GP) increase, bringing funding to \$33.2 million; Extension with 2.4% (\$677,800 GF/GP) increase, bringing funding to \$28.7 million. <u>House</u> concurs.	GF/GP	\$60,503,100	\$1,412,600
3. Michigan Public School Employees' Retirement System (MPSERS)	Gross	\$5,160,000	\$730,000
<u>Executive</u> assumes enactment of a cap of 25.73% of payroll on university payments for unfunded accrued liability under MPSERS. <u>Executive</u> provides \$5.9 million in School Aid Fund (SAF) revenues to pay the difference between the 25.73% cap and universities' unfunded accrued liability. This would affect the seven universities with MPSERS employees: Central, Eastern, Ferris, Lake Superior State, Michigan Tech, Northern, and Western. Current-year funding is \$5.2 million, which also assumes enactment of 25.73% cap. <u>House</u> concurs.	Restricted	\$5,160,000	\$730,000
4. Tuition Incentive Program	Gross	\$48,500,000	\$2,000,000
<u>Executive</u> adds \$2.0 million federal TANF funds for Tuition Incentive Program, which pays associate's degree tuition for Medicaid-eligible students completing high school, and provides tuition assistance of up to \$2,000 for participants continuing on with a baccalaureate. Total funding would be \$50.5 million (\$45.8 million TANF, \$4.7 million GF/GP). FY 2014-15 expenditures were \$49.4 million, and the <u>Executive</u> also seeks a \$2.0 million FY 2015-16 supplemental appropriation for the program, which would bring current-year funding to \$50.5 million. <u>Executive</u> also proposes annual cap of \$8.5 million on total awards at any one college or university (affects Ferris State University). <u>House</u> concurs in funding increase, but does not include cap on total awards at any one institution.	Federal	43,800,000	2,000,000
	GF/GP	\$4,700,000	\$0
5. Tuition Grant Program	Gross	\$34,035,500	\$1,157,200
<u>House</u> increases funding by \$1.2 million GF/GP, a 3.4% increase for this financial aid program for students at independent colleges and universities. <u>House</u> also increases annual cap on awards at any one college or university from \$3.2 million to \$3.5 million, which would affect Baker College and Davenport University.	Federal	31,664,700	0
	GF/GP	\$2,370,800	\$1,157,200
6. Indian Tuition Waiver Program	Gross	NA	\$100
<u>House</u> provides a \$100 placeholder, funded with School Aid Fund revenues, for potential funding to offset some portion of the gap between Indian Tuition Waiver funding previously rolled into university appropriations and actual costs.	Restricted	NA	\$100

Major Boilerplate Changes From FY 2015-16

GENERAL SECTIONS

Sec. 236a. Intent Regarding Succeeding Fiscal Year – RETAINED

Executive replaces Sec. 236a, which expresses legislative intent to maintain appropriations, with a new Article IV containing an itemized summary of appropriations for FY 2016-17 and anticipated for FY 2017-18, with the only FY 2017-18 change being an additional \$200,000 in funding for MPSERS unfunded accrued liabilities in excess of the proposed 25.73% employer cap. House retains current-year language.

Sec. 236c. State Building Authority Rent Payments – REVISED

Executive itemizes estimated SBA rent payments to be made under the DTMB budget for university capital outlay projects. Current-year payments total an estimated \$136.0 million, updated to \$145.0 million for FY 2016-17. House concurs.

Sec. 239a. Foreign Vehicles – RETAINED

States intent that funds appropriated to universities not be used to purchase vehicles assembled outside the United States. Executive deletes, House retains.

Major Boilerplate Changes From FY 2015-16

Sec. 242. Federal or Private Funds – RETAINED

Appropriates federal or private funds received by the state for use by a college or university. Executive deletes language specifying that acceptance of funds does not place an ongoing obligation on the legislature; House retains this language.

Sec. 245. University Transparency – RETAINED

Requires universities to post various budget, compensation, financial, and performance data, as well as transfer policies, on its website, using a standard format. Executive deletes requirement that state budget director determine compliance and language granting authority to withhold payments for a university not in compliance; House retains this language.

GRANTS AND FINANCIAL AID

Sec. 252. Tuition Grant Program – RETAINED

Establishes conditions for the Tuition Grant Program, which provides need-based tuition assistance at Michigan independent (i.e., private and nonprofit) colleges and universities.

- Executive deletes requirement for unexpended funds to continue to be available in the next fiscal year; unexpended funds thus would lapse to the General Fund. House does not concur.
- Executive reduces annual cap on awards at any one institution from the current \$3.2 million to \$3.0 million. House raises the cap to \$3.5 million. The cap affects awards for tuition at Baker College and Davenport University.
- Executive moves application deadline from July 1 to March 1. House does not concur.

Sec. 254. Financial Aid Payment Schedule – REVISED

Specifies quarterly payment schedule for financial aid programs: 50%, 30%, 10%, 10%. Executive recommends a revised quarterly payment schedule for the Tuition Incentive Program in which payments are completed in the first three quarters: 55%, 40%, 5%. House concurs.

Sec. 256. Tuition Incentive Program – REVISED

Provides for the tuition incentive program, which pays associate's degree tuition for Medicaid-eligible students completing high school, and provides tuition assistance of up to \$2,000 for participants continuing on with a baccalaureate. Executive proposes annual limit of \$8.5 million in awards at any one college or university, beginning in FY 2017-18, a change that currently would affect only Ferris State University. House does not include this cap.

UNIVERSITY OPERATIONS

Sec. 261. Douglas Lake Biological Station – RETAINED

Designates University of Michigan Douglas lake Biological Station as a unique resource. Executive deletes, House retains.

Sec. 265. Performance Funding Criteria: Tuition Restraint – REVISED

Conditions receipt of performance funding in part on compliance with tuition restraint requirements that limit allowable resident undergraduate tuition/fee increases to 3.2% over the prior year.

- Executive increases the limit to 4.8%. House sets the tuition restraint limit at 4.8% or \$500, whichever is more.
- Executive deletes language that in part defines "fee" to include the cost of a university-affiliated health insurance policy for a university that compels resident undergraduate students to have health insurance coverage as a condition of enrollment. House retains this language.
- Executive clarifies various terms consistent with usage. House concurs.

Major Boilerplate Changes From FY 2015-16

Sec. 265a. Performance Funding Criteria and Formula – REVISED

Conditions receipt of performance funding on:

- Compliance with tuition restraint provisions.
- Certification that university participates in reverse transfer agreements with at least three Michigan community colleges, or has made a good faith effort to do so. Executive deletes language regarding good faith effort. House concurs.
- Certification that dual enrollment policy does not consider use of credits toward high school graduation requirements.
- Participation in Michigan Transfer Network; Executive revises to specify active participation, including submission of timely updates. House concurs.

Establishes process for universities to certify compliance with all requirements. Provides for performance funding forfeited due to noncompliance to be redistributed to other universities based on their performance funding appropriations.

Sets the formula used to distribute performance funding, currently distributed as follows:

- 22.2% based on weighted undergraduate completions in critical skills areas.
- 11.1% based on research and development expenditures (for high-research universities)
- 66.7% based on comparisons with Carnegie classification peers (or improvement) on four metrics: six-year graduation rate, total degree completions, institutional support as a percentage of core expenditures, and percentage of students receiving Pell grants.

Executive reinstates a component that distributes 50% of performance funding proportional to each university's share of total operations funding in the baseline year of FY 2010-11, thereby halving the percentages applying to the remaining three components. House concurs.

Executive also deletes statement of intent to lower score for three-year improvement from 2 points to 1 point. House concurs.

House further revises formula to include a fifth Carnegie metric: whether a university received a Carnegie Community Engagement classification in 2010 or 2015. This metric is scored at 3 points. Eight universities have this classification: Eastern, Michigan State, Northern, Saginaw Valley, UM-Flint, UM-Dearborn, Wayne State, and Western.

Sec. 268. Indian Tuition Waivers – REVISED

Executive deletes language expressing legislative intent for universities to allocate Indian Tuition Waiver costs from the general fund, and states that a report required from the Department of Civil Rights is to include specified information from each "public university," rather than "postsecondary institution."

House retains statement of legislative intent regarding allocation of Indian Tuition Waiver costs, and revises and clarifies reporting requirements to include university data on number of undergraduate and graduate waiver students, costs of waivers, and degree and certification completion, by degree or certificate level. In conjunction with providing a \$100 placeholder for potential funding, House also includes language providing for distribution of Indian Tuition Waiver appropriations.

Sec. 271a. Instructional Activity Pertaining to Unionization – RETAINED

States intent that public universities not use appropriations to offer instructional activity that targets companies or groups of companies for unionization or decertification of a union. Executive deletes; House retains.

Sec. 274. Embryonic Stem Cell Research – RETAINED

States intent that organizations conducting research using human embryonic stem cells report to the Department of Health and Human Services regarding compliance with federal guidelines and stem cell lines derived by university. Executive deletes; House retains.

Sec. 275. Veterans' Policies and Reports – RETAINED

States legislative intent for universities to provide various veterans-related services and requires certain reports. Executive replaces intent statement with statement that universities "are encouraged" to provide services, and deletes report requirement pertaining to participation in the yellow ribbon GI education enhancement program. House retains current law.

Sec. 275a. Capital Outlay Requirements – RETAINED

Prohibits use of state funds for self-liquidating projects; requires compliance with Joint Capital Outlay Subcommittee reporting requirements, with specified penalty of 1.0% of appropriation for failure to comply. Executive deletes; House retains.

Sec. 293. Student Records – DELETED

Requires universities to provide information from the records of a student to persons authorized by the student. Executive deletes; House concurs.
