**Overview**

The Department of Licensing and Regulatory Affairs (LARA) is primarily responsible for overseeing various agencies and programs that implement, administer, and enforce numerous statutes and rules regulating commercial and occupational, construction and fire safety, health care and human service, energy and public utility, and alcoholic beverage activities, entities, and facilities. Agencies within LARA are also responsible for implementing, administering, and enforcing workers' compensation requirements, occupational safety and health standards, and labor and wage laws, as well as providing vocational rehabilitation services for the blind and coordinating employment services for immigrants. Lastly, agencies within LARA conduct and adjudicate administrative hearings, supervise administrative rulemaking, and evaluate regulatory requirements and administrative processes for departments and agencies throughout state government.
