## **Major Boilerplate Changes From FY 2017-18**

### ***Sec. 901. Sexual Assault Prevention and Education Initiative – REVISED***

Provides requirements for the one-time appropriation for grants to institutions of higher education to assist in preventing campus sexual assault through sexual assault education, awareness training, prevention, reporting, and bystander intervention programs. House revises to expand authorized uses of grant funds by institutions of higher education, to include supporting student-led peer advocacy groups that are dedicated to student outreach, survivor support, advocating for campus improvements such as additional lighting, as well as other methods of sexual assault prevention.

### ***Sec. 902. Advanced 9-1-1 – RETAINED***

Provides requirements for the one-time appropriation for grants to public safety answering points to implement supplemental databases, which allow public safety answering points to view voluntarily disclosed supplemental health and safety information when receiving emergency calls. Executive deleted. House retains.

### ***Sec. 903. Michigan International Speedway Traffic Control – NEW***

House includes requirements that the funds provided for Michigan International Speedway traffic control be used as matching funds to support the department for traffic control operations at Michigan International Speedway events, such as automobile races, music concerts, and any other event in which department traffic control services are requested. Michigan International Speedway would be required to provide the department with half of the overall costs of department-provided traffic control services prior to the department providing any services that utilize these appropriations. The department would not be required to provide traffic control services for Michigan International Speedway events, if remaining funds do not cover a minimum of half the costs of providing traffic control services for any event.

### ***Sec. 1001. Anticipated Appropriations – RETAINED***

Establishes the intent of the Legislature to provide appropriations in the subsequent fiscal year, with adjustments reflecting expected revenues as determined by the Consensus Revenue Estimating Conference. Executive deleted. House retains.
