Overview

The Higher Education budget, contained in Article III of the compiled School Aid Act, provides funding for operational support of the state's 15 public universities, the AgBioResearch and Extension programs operated by Michigan State University, various financial aid programs for students attending public and independent colleges and universities in the state, and several other smaller higher education-related programs.

Major Budget Changes From FY 2017-18 YTD Appropriations	FY 2017-18 Year-to-Date (as of 2/7/18)	FY 2018-19 Senate Change
	1. University Operations Funding	Gross \$1,428,345,000
<u>Executive</u> increases university operations funding by \$28.6 million School Aid Fund (SAF), a 2.0% increase. The increase is distributed under the performance funding formula, where 50% is allocated based on each university's share of operational funding appropriated in the baseline year of FY 2010-11, while the remaining increase is distributed based on other formula components (weighted completions, research and development spending, and comparison to Carnegie peers). Attainment of performance funding would be conditioned on restraining resident undergraduate tuition and fee increases to 3.8% or \$490 (set at 3.8% or \$475 in the current year). Projected funding increases for individual universities range from 1.5 to 3.1%. Also includes a fund shift of \$120.0 million from GF/GP to SAF.	Restricted 231,219,500	148,566,800
	GF/GP \$1,197,125,500	(\$105,716,500)

House increases university operations funding by \$14.3 million SAF, a 1.0% increase. The House concurs with the condition that resident undergraduate tuition and fee increases must be restrained to 3.8% or \$490, whichever is greater. The House increases the fund shift of GF/GP to SAF from \$120 million to \$134.3 million. Adds stipulation that operations funding will be reduced by 10% for universities that fail to submit Title IX reports specified in Sec. 274c and Sec. 274d or fail to comply with various Title IX and sexual assault stipulations found in Sec. 265b. Projected funding increases for individual universities range from 0.8% to 1.5%.

Senate increases university operations funding by \$28.6 million SAF, a 2.0% increase, and includes an additional \$14.3 million GF/GP to be used for sexual assault prevention, campus safety and mental health programs. Includes \$120.0 million fund shift from GF/GP to SAF. Concurs with Executive on undergraduate tuition and fee increase restrictions. Projected funding increases for individual universities range from 2.5% to 4.1%.

The funding is taken from the Tuition Grant Program, due to higher than expected demand in Michigan Competitive Scholarships and lower participation in the Tuition Grant Program. Total funding for Michigan Competitive Scholarships would be \$32.4 million.	Federal	18,361,700	6,000,000
<u>House</u> concurs with the funding increase for Michigan Competitive Scholarships but does not change the Tuition Grant Program funding levels.	GF/GP	\$8,000,000	\$0
<u>Senate</u> concurs with House.			
4. Tuition Grant Program	Gross	\$38,021,500	\$0

<u>House</u> maintains current funding levels. <u>Senate</u> concurs with House.			
7. Michigan Public School Employee Retirement System (MPERS) Rate Cap Costs	Gross	\$6,705,000	(\$1,572,000)
<u>Executive</u> reduces funding by \$1.6 million SAF for the state's share of the universities' unfunded liability to MPERS. The state's share is the difference between the unfunded accrued liability to the system and the employer contribution cap of 25.73% of payroll for the seven universities with MPERS employees (Central, Eastern, Ferris, Lake Superior State, Michigan Tech, Northern, and Western). Total funding for the state share of MPERS would be \$5.1 million SAF. <u>House</u> concurs. <u>Senate</u> concurs.	Restricted	6,705,000	(1,572,000)
