Overview

The State Board of Education is an eight-member elected board constitutionally mandated to provide leadership and supervision for public education in Michigan. The Michigan Department of Education (MDE) is the administrative arm of the Board charged with implementing state and federal educational mandates and administering programs. Major responsibilities of the MDE include developing and overseeing the K-12 school system, certifying teachers, disbursing funds to educational organizations and libraries, providing technical assistance to school districts and libraries, and providing early education and child day care support for low-income and other qualifying families.

Major Budget Changes From FY 2018-19 YTD Appropriations

1. Child Development and Care (CDC) – Provider Reimbursement Rate Increase

Executive includes \$16.4 million in federal funding to increase reimbursement rates for childcare providers delivering services through the CDC program beginning January 1, 2020. This represents three quarters of the estimated annual cost of \$21.9 million. The stated purpose of the increase is to better retain and incentivize providers to join the program, and to increase the quality of care that Michigan's children receive in the program. The provider reimbursement rate increase would increase rates between \$0.20 and \$0.50 per hour depending on the age of the child and the Great Start to Quality star rating of the provider. (See Major Boilerplate Changes Sec. 1002 for additional information on the rate increase.)

House does not include.

	FY 2018-19 Year-to-Date (as of 3/5/19)	FY 2019-20 House Change
Gross	\$202,000,000	\$0
Federal	162,570,300	0
GF/GP	\$39,429,700	\$0

2. CDC – Entrance Eligibility Threshold Increase

Executive includes \$13.6 million in federal funding to increase the entrance eligibility threshold from 130% of the federal poverty guidelines to 140% of the federal poverty guidelines beginning January 1, 2020. This represents three quarters of the estimated annual cost of \$18.1 million. Currently, Michigan has set the entrance threshold at 130% of FPL and serves families with an annual income below \$26,556 for a family size of three. The Executive recommendation would increase the entrance threshold to 140% of FPL, which would serve families with an annual income up to \$29,092 for a family size of three.

House includes a \$100 placeholder to increase the entrance eligibility threshold from 130% to up to 135%. (See Major Boilerplate Changes Sec. 1009 for additional information.)

4. CDC – State Matching Fund Increase	Gross	\$202,000,000	\$0
<u>Executive</u> replaces \$599,400 of federal funds with a corresponding amount of GF/GP for the CDC program’s matching funds to increase the state share as a result of the reduction of the Federal Medicare Assistance Percentage (FMAP) rate from 64.45% in FY 2018-19 to 64.06% in FY 2019-20. This rate reduction necessitates an increase in the state match portion to \$27.9 million GF/GP to draw down the estimated full federal match amount of \$48.1 million. This represents an estimate because the federal allocation for Michigan has not been appropriated at the federal level.	Federal	162,570,300	(599,400)
<u>House</u> concurs with Executive.	GF/GP	\$39,429,700	\$599,400
5. Renaissance Zone Adjustment	Gross	\$2,500,000	(\$300,000)
<u>Executive</u> reduces funding for Renaissance Zone reimbursements to libraries by \$300,000 GF/GP. Estimated reimbursement payments required by statute have decreased due to recent personal property tax reform.	GF/GP	\$2,500,000	(\$300,000)
<u>House</u> concurs with Executive.

<u>Executive</u> transfers \$16.5 million of federal funding from two line items, Child Development and Care Contracted Services (\$11.5 million) and TEACH Scholarship Program (\$5.0 million), to the Office of Great Start Operations. Both of these programs were included as individual line items in the FY 2018-19 budget to separate their functions and appropriation levels from the Office of Great Start Operations. Federal	2,496,500	0
<u>House</u> includes but reduces by 25% to \$225,000 to align with IT reductions throughout the budget (see item 12 below).	Restricted	406,500	225,000

8. MDE Reorganization	FTE	NA	0.0
<u>Executive</u> reallocates funding and FTE positions to continue implementing a departmental reorganization that began in 2016 to reduce the duplication of service and oversight of the K-12 system and to create coordination between offices by specific function.
