Overview

The Michigan Department of State Police (MSP) is this state's primary law enforcement and emergency response authority. The department is responsible for criminal law enforcement and investigation, traffic and motor carrier safety, and homeland security. The department is also responsible for the administration and implementation of various state programs, technologies, and specialized services intended to enhance the capabilities and coordination of federal, state, and local law enforcement agencies, the criminal justice system, and the entire public safety community.

Major Budget Changes From FY 2018-19 YTD Appropriations

1. Medical Marijuana Reduction

Executive reflects a restricted funding reduction of \$9.0 million (from the Marijuana Regulatory Fund) across five line items to align funding with anticipated fund revenues, and includes a reduction of 32.0 FTE positions to align staffing levels with actual departmental activity levels. House and Senate concur with Executive. Conference concurs with Executive.

Major Boilerplate Changes From FY 2018-19

Sec. 210. Contingency Funding – REVISED

Authorizes federal, state restricted, local, and private contingency funding; authorizes expenditure of funds after legislative transfer to specific line items. Executive revises to decrease federal contingency fund authorization from \$10.0 million to \$8.5 million and to increase state restricted contingency fund authorization from \$3.5 million to \$5.0 million. House concurs with Executive. Senate deletes. Conference decreases federal contingency authorization to \$2.0 million, increases state restricted contingency authorization to \$4.0 million, and eliminates local and private contingency authorizations.

Sec. 216. Communication with the Legislature – RETAINED

Prohibits the department from taking disciplinary action against employees for communicating with legislators or their staff. Executive deletes. House and Senate retain. Conference retains.

Sec. 217. Quarterly Reporting on Achieving Requirements – REVISED

Requires the department to provide quarterly reports on its performance against metrics cited in the article, status of work projects, and financial status. Executive revises to a biannual rather than quarterly reporting cycle. House and Senate concur with Executive. Conference concurs with Executive.

Sec. 220. Privatization Project Plans – RETAINED

Requires the submission of a project plan to the appropriations subcommittees and the fiscal agencies 90 days before beginning any effort to privatize. Executive deletes. House and Senate retain. Conference retains.

Major Boilerplate Changes From FY 2018-19

Sec. 224. Authorization to Expend Private Donations – REVISED

Appropriates money donated to MSP for purposes designated by the donor. Executive retains. House revises to allow for the donation of nonmonetary gifts, as well as monetary gifts. Senate retains. Conference incorporates House revisions.

Sec. 226. Protection of Personal Data – NEW

Senate includes new language stating legislative intent that the department take necessary steps to protect the data and privacy of citizens who are not the focus of a department investigation. Conference includes the new language.

Sec. 227. FY 2019-20 Attrition School – NEW

House stipulates legislative intent that the department shall utilize attrition savings to conduct an attrition school in FY 2019-20 that will graduate at least 70 new troopers. Senate does not include. Conference includes the new language, but strengthens to make it a requirement rather than intent language.

Sec. 228. Traffic Ticket Issuance and Performance Evaluation – NEW

Conference stipulates that law enforcement and motor carrier officers are not required to issue a predetermined number of citations for traffic infractions and that issuance of a predetermined number of traffic citations shall not be included in an officer's performance evaluation.

Sec. 301. Capitol and Secondary Complex Security – DELETED

Requires the department to maintain adequate levels of staffing and resources for providing security services at the state Capitol Building and surrounding buildings; requires a minimum of 35,000 patrols at state-owned and leased facilities. Executive deletes but retains content and merges as a subsection of Sec. 702. House and Senate concur with Executive. Conference concurs with Executive.

Sec. 402. Criminal Justice Information Center – RETAINED

Requires the department to maintain and ensure compliance with Criminal Justice Information Center databases and applications. Executive revises to delete a reporting requirement for revenues and costs of concealed pistol licensing. House and Senate retain. Conference retains.

Sec. 407. School Safety Report – REVISED

Requires the department to submit a report detailing school safety grants, incidents of school violence or threats, OK2SAY-based incidents and activities, and recommendations for school safety measures. Executive deletes. House revises with minor grammatical changes and to specify a biannual reporting basis. Senate revises to reference the Office of School Safety. Conference revises to reference the Office of School Safety and to specify a biannual reporting basis.

Sec. 408. Local Public Safety Grants – NOT INCLUDED

House requires the department to use funds appropriated for local public safety grants to establish a competitive grant program for the purchase of equipment to enhance public safety operations. Senate does not include. Conference does not include.

Sec. 601. General Law Enforcement and Traffic Safety – REVISED

Authorizes MSP troopers to respond to criminal or emergency situations and to make every effort to protect residents; requires MSP to maintain staff and resources to enhance traffic safety and dedicate a minimum of 455,200 hours to statewide patrol, a minimum of 40,000 within distressed cities, and a minimum of 2,000 within Belle Isle; requires MSP to maintain a 93% compliance rate for reporting registered sex offenders; and requires the submission of a report on the Secure Cities Partnership. Executive revises to delete requirement for 2,000 patrol hours within Belle Isle. House concurs and also revises the sex offender requirement to require 7,000 residence checks of registered sex offenders rather than a 93% compliance rate. Senate concurs with Executive, and also adds a requirement for 6,800 residence checks of registered sex offenders. Conference concurs with Executive and revises the sex offender requirement to require 7,000 residence checks of registered sex offenders rather than a 93% compliance rate.

Sec. 702. Specialized Support Teams – REVISED

Requires the department to maintain specialized support teams for statewide availability and to prepare a report regarding best practices in law enforcement for issues related to drones. Executive revises to eliminate the best-practices report on drones and to incorporate requirements of former Sec. 301, including that the department provide security services for select state facilities and conduct 35,000 property inspections of state-owned and leased facilities. House concurs with inclusion of Sec. 301 requirements but retains the drone report requirement. Senate largely concurs with Executive, with technical changes. Conference concurs with the Executive.

Major Boilerplate Changes From FY 2018-19

Sec. 703. Commercial Vehicle Enforcement and Regulation – REVISED

Requires MSP to maintain commercial vehicle and enforcement activities; to meet inspection goals consistent with the federal motor carrier safety assistance program; and to inspect school buses; and stipulates that revenues collected under the Motor Carrier Act do not lapse to the General Fund at the end of the fiscal year. Conference revises to create a commercial vehicle enforcement operations reserve fund to fund commercial vehicle enforcement line items.

Sec. 704. Emergency Management and Homeland Security – RETAINED

Specifies the department's role in coordinating emergency preparedness and response efforts. Executive revises to eliminate language allowing the director to expend any departmental appropriation in responding to a declared state of emergency or disaster and to eliminate quarterly reporting on the status of critical infrastructure vulnerabilities. House retains. Senate revises to eliminate language allowing the department to receive and expend funds for providing emergency training, eliminate language allowing the director to expend any departmental appropriation in responding to a declared state of emergency or disaster, and eliminate quarterly reporting on the status of critical infrastructure vulnerabilities. Conference retains.

Sec. 706. Secondary Road Patrol Program – REVISED

Requires the department to provide funding to county sheriffs' departments to patrol secondary roads; stipulates sheriffs' duties under the Secondary Road Patrol program; and requires the department to provide an annual report on secondary road patrol activities. Executive retains. House revises reporting requirements to delete current-year language and instead require a report from the Office of Highway Safety Planning and the State Court Administrator detailing justice system assessment collections. Senate revises reporting requirements to delete current-year language and instead require a report from the Office of Highway Safety Planning and the State Court Administrator detailing justice system assessment collections, with different language than the House. Conference revises reporting requirements to delete current-year language and instead require a report from the Office of Highway Safety Planning and the State Court Administrator detailing justice system assessment collections, incorporating pieces of House and Senate language.

Sec. 801. Sexual Assault Prevention and Education Initiative – NEW

Conference includes language regarding the expenditure of funding appropriated for the sexual assault prevention and education initiative and allows unawarded funds to be used to support other initiatives and programs through the Office of School Safety.

Sec. 1001. FY 2019-20 Appropriation – REVISED

Expresses legislative intent that FY 2019-20 appropriations are anticipated to be the same as FY 2018-19 appropriations and adjusted for changes in caseloads, federal fund match rates, economic factors, and available revenue. Executive deletes. House and Senate update fiscal years. Conference updates fiscal years.
