<u>Major Budget Changes from FY 2020-21 YTD Appropriations</u>	FY 2020-21 Year-to-Date (as of 2/11/21)	FY 2021-22 Enacted Change
1. Foundation Allowance (Secs. 22a, 22b, & 22c)	Gross \$9,447,000,000	\$723,000,000
<u>Executive</u> increases by \$203.0 million to provide increases ranging from \$82 to \$164 per pupil using a 2x formula. The minimum foundation allowance would increase from \$8,111 to \$8,275 (2.0%) and the state maximum guaranteed foundation allowance would increase from \$8,529 to \$8,611 (1.0%).	Restricted 9,446,302,400	723,697,600
<u>House</u> includes \$125.5 million to provide increases ranging from \$50 to \$100 per pupil using the 2x formula. The minimum foundation allowance would increase from \$8,111 to \$8,211 (1.2%) and the state maximum guaranteed foundation allowance would increase from \$8,529 to \$8,579 (0.6%). Reduces by \$500,000 to remove provision permitting a district that has established a Community Engagement Advisory Committee (CEAC) and that is required to submit a deficit elimination plan to calculate membership as the greater of a 3-year average or the district's actual membership as otherwise calculated.	GF/GP \$697,600	(\$697,600)
<u>Senate</u> includes \$308.0 million to provide increases ranging from \$125 to \$250 per pupil using a 2x formula. The minimum foundation allowance would increase from \$8,111 to \$8,361 (3.0%) and the state maximum guaranteed foundation allowance would increase from \$8,529 to 8,654 (1.5%). Also increases by \$165,000 to provide PSAs providing educational services in lieu of a traditional local school district a foundation allowance equal to what the foundation allowance would have been if the traditional local school district had continued providing educational services on its own.		
<u>House Revised</u> includes \$421.0 million to provide increases ranging from \$171 to \$342 per pupil using a 2x formula and an additional \$262.0 million for equity payments of up to \$247 per pupil for districts below the Target foundation allowance. The effective foundation allowance for all districts that were previously at or below the Target foundation allowance would be \$8,700. Also provides \$40.0 million to increase the state share of the foundation allowance for Hold Harmless districts to be consistent with how the state share is calculated for non-Hold Harmless districts.		
<u>Senate Revised</u> includes \$680.0 million to increase the Minimum and Target foundation allowances to \$8,700. Also provides \$3.0 million for payments of \$171 per pupil for out-of-formula districts (districts for which local revenue exceeds the foundation allowance and therefore the district would otherwise not receive state funds for the foundation allowance). Concurs with House Revised to provide \$40.0 million for Hold Harmless districts.		
2. Foundation Allowances – Cyber Schools (Secs. 22a & 22b)	Gross NA	\$0
<u>Executive</u> reduces cyber school foundation allowances to 80% of the minimum foundation allowance for an estimated savings of \$30.2 million. For FY 2021-22, the cyber foundation allowance would be \$6,620.	Restricted NA	0
