**Overview**

The Community Colleges budget, contained in Article II of the compiled School Aid Act, provides funding for operational support of the 28 public community colleges located throughout the state and some retirement costs for employees who participate in the state public school employee retirement system. Community colleges offer a wide variety of educational programs, including traditional two-year transfer programs, associate degrees, career and technical education, developmental and remedial education, continuing education, and baccalaureate programs in a limited number of areas. The colleges are supported primarily through a combination of state aid, local property tax revenue, and tuition and fees.

**Major Budget Changes from FY 2021-22 YTD Appropriations**

**1. Community College Operations Increase**

Executive includes a net increase of \$28.8 million School Aid Fund (SAF) for community college operations, an 8.8% increase. This includes:

- \$32.4 million SAF (\$16.2 million SAF ongoing and \$16.2 million SAF one-time), or 10.0%, increase to operations grants for community colleges, which would be distributed through the performance funding formula.
- Removal of \$3.2 million SAF of FY 2021-22 one-time operations funding.
- \$306,500 SAF decrease based on FY 2020-21 North American Indian Tuition Waiver program costs reported by institutions.

Projected funding increases for individual community colleges would range from 7.9% to 14.2%. Total funding for operations would be \$357.4 million SAF.

House includes a net increase of \$22.2 million SAF for community college operations, a 6.8% increase. This includes:

- \$25.4 million SAF increase to operations funding, allocated based on a funding formula that allocates \$3.5 million to each institution, uses a 3-year average of fiscal year equated students (FYES) multiplied by an established funding per FYES measure, and a 10% cap on increases above FY 2021-22 levels, with amounts over the cap redistributed through an iterative process to all institutions below the cap, and a category to ensure a 1% minimum funding increase for community colleges below FY 2021-22 funding levels.

Defines the term "tuition and fee rate" to be the average cost charged to the majority of students for the 2 semesters with the highest amount of full-time equated students during an academic year. Specifies community colleges that violate the tuition restraint cap shall not receive a capital outlay project authorization in FY 2022-23 and FY 2023-24 and will have their appropriation adjusted.
