Out-of-State Travel Report

Sec. 209. The departments and agencies receiving appropriations in part 1 shall prepare a report on out-of-state travel expenses not later than January 1 of each year. The travel report shall be a listing of all travel by classified and unclassified employees outside this state in the immediately preceding fiscal year that was funded in whole or in part with funds appropriated in the department's budget. The report shall be submitted to the house and senate appropriations committees, the house and senate fiscal agencies, and the state budget director. The report shall include the following information:

- (a) The dates of each travel occurrence.
- (b) The total transportation and related costs of each travel occurrence, including the proportion funded with state general fund/general purpose revenues, the proportion funded with state restricted revenues, the proportion funded with federal revenues, and the proportion funded with other revenues.

Consolidated Report on Environmental Cleanup Projects

No change.

No change.

No change.

Sec. 216. (1) The department shall report all of the following information relative to allocations made from appropriations for the environmental cleanup and redevelopment program, state cleanup, emergency actions, superfund cleanup, the revitalization revolving loan program, the brownfield grants and loans program, the leaking underground storage tank cleanup program, the contaminated lake and river sediments cleanup program, the refined petroleum product cleanup program, and the environmental protection bond projects under section 19508(7) of the natural resources and environmental protection act, 1994 PA 451, MCL 324.19508, to the state budget director, the senate and house appropriations subcommittees on environmental quality, and the senate and house fiscal agencies:

- (a) The name and location of the site for which an allocation is made.
- (b) The nature of the problem encountered at the site.
- (c) A brief description of how the problem will be resolved if the allocation is made for a response activity.
- (d) The estimated date that site closure activities will be completed.
- (e) The amount of the allocation, or the anticipated financing for the site.
- (f) A summary of the sites and the total amount of funds expended at the sites at the conclusion of the fiscal year.
- (g) The number of brownfield projects that were successfully redeveloped.

FY 2016-17 Anticipated Appropriations

Sec. 2001. It is the intent of the legislature to provide appropriations for the fiscal year ending on September 30, 2017 for the line items listed in part 1. The fiscal year 2016-2017 appropriations are anticipated to be the same as those for fiscal year 2015-2016, except that the line items will be adjusted for changes in caseload and related costs, federal fund match rates, economic factors, and available revenue. These adjustments will be determined after the January 2016 consensus revenue estimating conference.
