**Overview**

The State Board of Education is an eight-member elected board constitutionally mandated to provide leadership and supervision for public education in Michigan. The Michigan Department of Education (MDE) is the administrative arm of the Board charged with implementing state and federal educational mandates and administering programs. Major responsibilities of the MDE include developing and overseeing the K-12 school system, certifying teachers, disbursing funds to educational organizations and libraries, and providing technical assistance to school districts and libraries.

**Major Budget Changes From FY 2011-12 YTD Appropriations**

**1. Persistently Lowest Achieving (PLA) Schools**

Executive provides \$760,000 GF/GP to the Office of Assessment and Accountability, School Reform Office (SRO) to support reform/redesign activities of PLA schools not receiving federal School Improvement Grants (SIG), allowing the SRO to provide services commensurate with SIG-funded activities, including weekly monitoring, on-going learning, and technical assistance to PLA schools. Additionally, the funds would enable the SRO and the Office of Education Innovation and Improvement (OEII) to assist schools in closing the achievement gap between highest and lowest achieving districts (i.e. so-called "focus schools"), as provided for in the MDE's federal Elementary and Secondary Education Act (ESEA) flexibility waiver request.

House concurs with Executive.

**2. Michigan Schools for the Deaf and Blind (MSDB)**

Executive reduces funding and staffing for the MSDB, following the recent sale of the MSDB's Flint campus to a private developer. The sale of the property has reduced the MSDB's property maintenance costs necessitating fewer capital expenses and maintenance staff. Enrollment declines in recent years have also necessitated fewer staff.
