Major Boilerplate Changes From FY 2007-08

Sec. 6(4)(r). Kindergarten Membership - REVISED

<u>Exec and House</u> include intent language that beginning in FY 2009-10, to receive full foundation allowance for kindergarten students the class hours scheduled will need to match that of grades 1-12.

Senate does not include this language.

Conference provides that beginning in FY 2009-10 to receive a full foundation allowance for pupils in a developmental or prekindergarten program, the number of class hours will need to match that of grades 1-12. It also provides that by FY 2010-11 to receive a full foundation allowance for kindergarten pupils class hours will have to be at least 60% of the hours required for grades 1-12 and that by FY 2011-12, they would have to be 70% of the required hours for grades 1-12.

Sec. 6(11). District of the First Class - REVISED

<u>House</u> adds a definition of a District of the First as a district with the most pupils in membership in the immediately preceding fiscal year. Currently the act refers to the definition in the Revised School Code which defines it as a district with membership over 100,000.

<u>Conference</u> adds a definition of a District of the First Class as a district with a membership greater than 60,000 in the immediately preceding fiscal year for the purposes of the School Aid Act except for in section 6(6) which still refers to the definition in the Revised School Code. (Section 6(6) prohibits another school district from enrolling pupils from a first class district at an instructional site inside the boundaries of a first class school district without the approval of the first class district.)

Sec. 20(1). Basic Foundation Allowance – REVISED

Exec increases the foundation allowances based on a formula that will give every district an increase of at least \$108 per pupil, and as high as \$216 per pupil

<u>Senate</u> increases the foundation allowance based on a formula that will give every district an increase of at least \$71 per pupil and as high as \$142 per pupil.

<u>House</u> increases the foundation allowance based on a formula that will give every district an increase of at least \$55 per pupil and as high as \$110 per pupil.

<u>Conference</u> increases the foundation allowance based on a formula that will give every district an increase of at least \$56 per pupil and as high as \$112 per pupil.

Sec. 25c. Pupils Transferring to Detroit Public Schools (DPS) After the Count Day - REVISED

<u>Senate</u> amends section to required DPS to bill not later than Dec. 31st of the fiscal year following the year in which the pupil transferred, and allows for payment not later than Oct. 31st of the second fiscal year after the pupil transferred. Also allows the original district to bill DPS if it is determined that DPS owes funds to the district, after accounting for the transfer of students between the two schools.

House maintains current law.

Conference concurs with the Senate.

Secs. 32I and 37. School Readiness Teacher Qualifications – REVISED

Exec and Senate revise the education requirements for teachers and paraprofessionals in the school readiness programs. **House** maintains current law.

<u>Conference</u> concurs with the House.

Sec. 39. School Readiness Formula - District Grants - REVISED

Exec, Senate and House change the formula for distribution of the School Readiness district grants to include a hold harmless provision prior to awarding increases in funding. **Conference** concurs.

Sec. 51a(15). Special Education PSA Students - NEW

<u>Senate</u> adds a new subsection that requires a written cost agreement between the resident and enrolling district or ISD for a special education pupil who is enrolled in a charter school in an ISD contiguous to the resident ISD.

<u>House</u> clarifies that in the absence of an agreement both the responsibility to provide and pay the added costs of special education services would be that of the resident district and ISD.

Conference concurs with the House but makes technical revisions.

Sec. 98. Michigan Virtual University - REVISED

<u>Exec, Senate and House</u> add requirements that MVU work with postsecondary groups to develop an outreach plan with access to online resources designed to increase postsecondary enrollments, and that the MVU provide a report on schools served. **Conference** concurs.

Major Boilerplate Changes From FY 2007-08

Sec. 107 Adult Education - REVISED

Exec requires a progress test after 40 hours of instruction for each participant in attendance in a program.

<u>Senate</u> does not include this language. Adds additional language to earmark \$700,000 out of the appropriation for competitive grants to districts who go into prisons to provide GED or high school completion programs.

House maintains current law.

<u>Conference</u> includes the Senate earmark for grants to districts that provide prison programs but limits the allocation to \$500,000. It concurs with the House maintaining current law for progress tests. It also adds language allowing Inkster to have a program based on an average of the three most recent fiscal years for which it received funding under this section.

Sec.147. MPSER Retirement Rate - REVISED

Exec, Senate and House estimate percentage of payroll districts must allocate for public school employee retirement at 16.54%.

Conference concurs.

Sec. 166b. Elective Courses for Nonpublic Students - REVISED

<u>House</u> a nonpublic or home-school student to attend a public school within its geographic boundaries for non essential core class or if the resident district is unable or unwilling to provide the instruction by a specific date, a district contiguous to the district in which the nonpublic student resides could provide that instruction.

Conference does not include this section.

Enacting Section 2 - Repeals Sections

Exec repeals the following: Sec. 32 (intent language on early childhood funding from future revenues); Sec. 99c (middle school math); Sec. 99i (Pontiac crisis intervention grant); Sec. 99j (district pilot grants); Sec. 99k (district grants); Secs. 104a and 104b (duplicative curriculum language); and Sec. 166 (5% penalty if providing family planning drugs or abortion referrals).

<u>Senate</u> repeals the following: Sec. 32 (intent language on early childhood funding from future revenues); Sec. 99c (middle school math); Sec. 99i (Pontiac crisis intervention grant); Sec. 99j (district pilot grants); and Sec. 99k (district grants). <u>House</u> repeals the following: Sec. 32 (intent language on early childhood funding from future revenues); Sec. 32e (FY 2007-08 hold-harmless funding for MSRP); and Sec. 166 (5% penalty if providing family planning drugs or abortion referrals). <u>Conference</u> repeals the following: Sec. 32 (intent language on early childhood funding from future revenues); Sec. 32e (FY 2007-08 hold-harmless funding for MSRP) and Sec. 99c (middle school math);
