BACKGROUND AND SUMMARY OF PROPOSED RULES

Rule Set 2021-77 LR would make numerous amendments, additions, and recissions to rules pertaining to electric service. Specific changes would include, but are not limited to, the addition of new definitions; typographical changes to clarify that the rules apply only to electric utilities and cooperatives, and not to alternative electric suppliers; recissions to delete language referring to obsolete technology; clarification of reporting requirements; and inclusion of new requirements regarding line clearance programs and cybersecurity programs.

FISCAL IMPACT OF PROPOSED RULES

2021-77 LR would not affect the expenditures or revenues of any state or local government units.
