Alpena Community College Institutional Highlights 2021-22:

- #1 graduation rate in the State among Michigan's 28 community colleges
- Cross Country team #1 in the nation in team Grade Point Average
- Completed the \$8.7 million Center for Health Sciences project
- Supplied electrical utility lineworkers across Michigan via our Utility Tech program
- Supported concrete construction and road building via the Concrete Tech AAS degree
- Expanded dual enrollment and Early College partnerships to 19 regional K-12 districts
- Provided a site for community COVID vaccinations, booster vaccinations, and weekly testing
- Broke ground on a \$1.6 million Lecture Hall to support Nursing instruction
- Positioned the College to further support potential aerospace sector on Oscoda campus
- Welcomed Reconnect and Frontline students on both Alpena and Oscoda campuses
