

# House Appropriations Subcommittee

**Bureau of Fire Services  
March 9, 2017**

## Who do we serve?

- Michigan citizens and visitors
- Representatives of state-regulated facilities (i.e. owners, managers, administrators and certificate holders)
- Design professionals (i.e. architects, engineers and building professionals)
- Certified firms (fire alarm and fire suppression)
- Tobacco wholesale distributors and retailers
- Local governmental entities
- Michigan's 30,000+ firefighters
- Michigan fire service organizations

## Regulated Facilities:

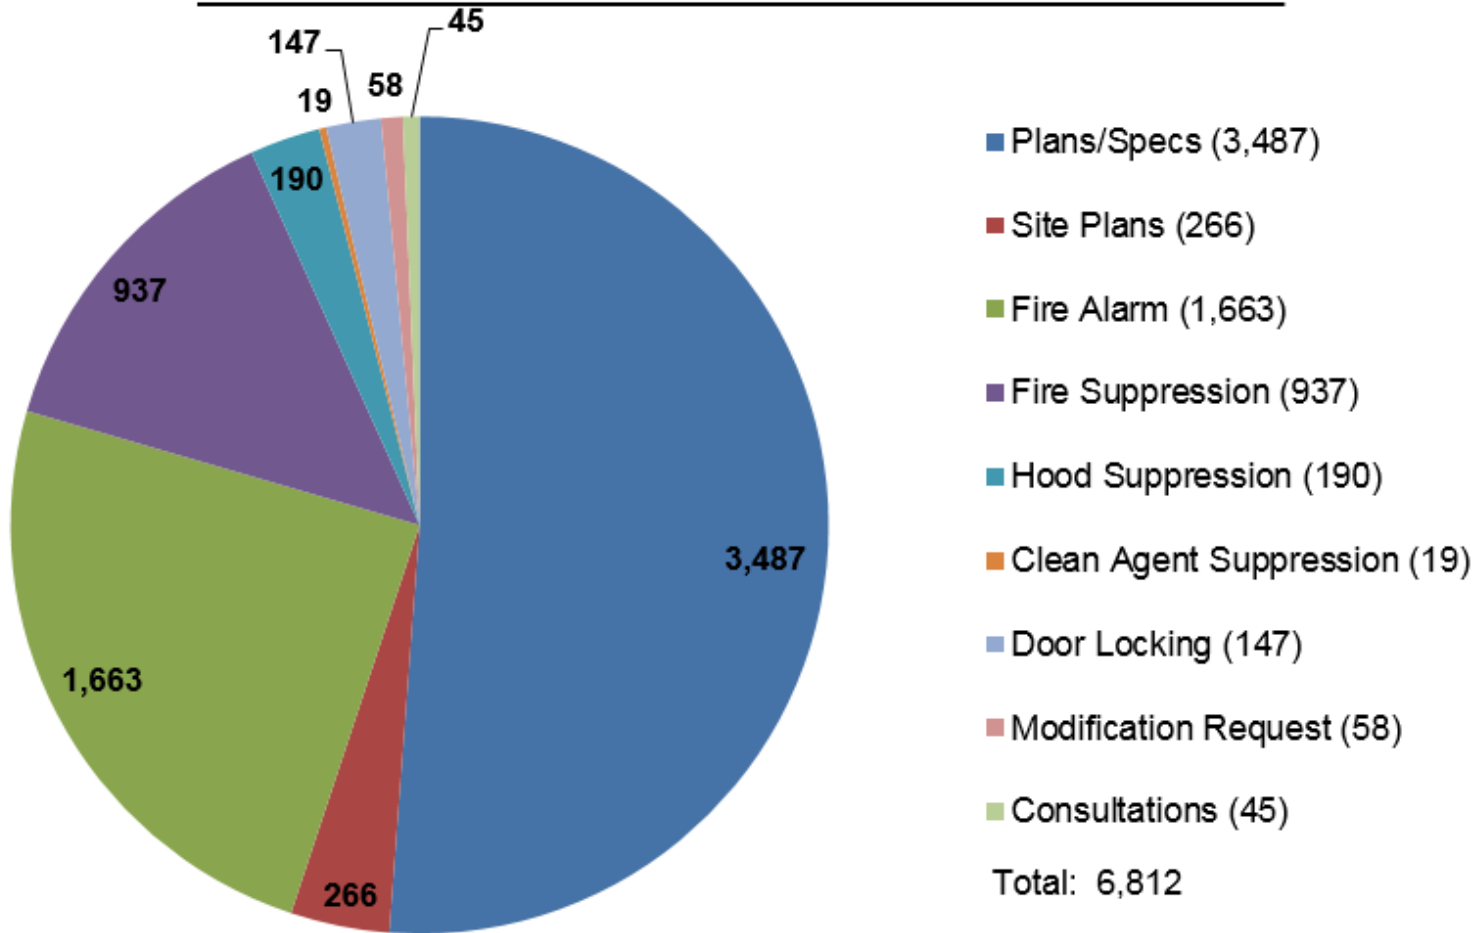

- **Consumer Fireworks:** Permanent and temporary structures
- **Health Care:** Hospitals, nursing homes (including veteran's homes), hospice residences, homes for the aged (HFA), adult foster care (AFC) facilities and ambulatory surgical centers/freestanding surgical outpatient facilities (ASC/FSOF)
- **Penal Institutions:** Prisons and jails
- **Schools:** Public, private and charter schools; colleges, universities and dormitories
- **State Facilities:** all
- **Storage Tanks:** aboveground and underground tanks

## Services Provided:

- Plan reviews for state-regulated facilities
- Inspections of state-regulated facilities
- Public education and enforcement
- Establish training standards for Michigan fire fighters
- Certify training programs for fire inspectors
- Administration of the National Fire Incident Reporting System (NFIRS)
- Administer the Fire Fighters Training Council and State Fire Safety Board activities
- Statewide coordination of fire fighter response to state declared disasters
