Overview

The State Board of Education is an eight-member elected board constitutionally mandated to provide leadership and supervision for public education in Michigan. The Michigan Department of Education (MDE) is the administrative arm of the Board charged with implementing state and federal educational mandates and administering programs. Major responsibilities of the MDE include developing and overseeing the K-12 school system, certifying teachers, disbursing funds to educational organizations and libraries, providing technical assistance to school districts and libraries, and providing early education and child day care support for low-income and other qualifying families.

Major Budget Changes From FY 2018-19 YTD Appropriations

1. Department Administrative Reserve Funds

Conference includes \$104.9 million Gross for MDE to expend in the FY 2019-20 budget without legislative transfer request approval. Conference creates a new unit 118, Department Administrative Reserve Funds, that includes \$314.9 million Gross that is split evenly into three different reserve funds with \$104.9 million Gross in each fund. The funds in each reserve fund cannot be expended unless a legislative transfer request is issued by the State Budget Office (SBO) and approved by the legislature. Additionally, it is legislative intent that MDE satisfy all of the following requirements (see Major Boilerplate Changes for Secs. 236, 237, and 238):

2. Child Development and Care (CDC) – Provider Reimbursement Rate Increase	Gross	\$202,000,000	\$15,000,000
<u>Executive</u> includes \$16.4 million in federal funding to increase reimbursement rates for childcare providers delivering services through the CDC program beginning January 1, 2020. This represents three quarters of the estimated annual cost of \$21.9 million. The stated purpose of the increase is to better retain and incentivize providers to join the program and to increase the quality of care that Michigan’s children receive in the program. Provider reimbursement rates would increase between \$0.20 and \$0.50 per hour depending on the age of the child and the Great Start to Quality star rating of the provider. (See Major Boilerplate Changes for Sec. 1002 for additional information on the rate increase.)	Federal	162,570,300	15,000,000
<u>House</u> does not include.	GF/GP	\$39,429,700	\$0
<u>Senate</u> concurs with Executive.			
<u>Conference</u> includes \$15.0 million in federal funding to increase reimbursement rates for childcare providers. Licensed providers would receive a \$0.30 increase for children aged 0-5 and a \$0.20 increase for children aged 5 and older. License-exempt providers with a level 1 status would receive a \$0.15 increase, and those with a level 2 status would receive a \$0.05 increase.			
3. CDC – Entrance Eligibility Threshold Increase	Gross	\$202,000,000	\$0
<u>Executive</u> includes \$13.6 million in federal funding to increase the entrance eligibility threshold from 130% of the federal poverty guidelines to 140% of the federal poverty guidelines beginning January 1, 2020. This represents three quarters of the estimated annual cost of \$18.1 million. Currently, Michigan has set the entrance threshold at 130% of the federal poverty guidelines and serves families with an annual income below \$26,556 for a family size of three. The Executive recommendation would increase the entrance threshold to 140% of the federal poverty guidelines, which would serve families with an annual income up to \$29,092 for a family size of three.	Federal	162,570,300	0
<u>House</u> includes a \$100 placeholder to increase the entrance eligibility threshold from 130% to up to 135%. (See Major Boilerplate Changes for Sec. 1009 for additional information.)	GF/GP	\$39,429,700	\$0
<u>Senate</u> and <u>Conference</u> do not include.			
4. CDC – Infant/Toddler and Program Quality Spending Increase – Office of Great Start Operations	Gross	\$12,350,000	\$900,000
<u>Executive</u> includes \$3.6 million in federal funding to ensure continued compliance with federal requirements on infant/toddler and program quality spending for the CDC program beginning January 1, 2020. This represents three quarters of the estimated annual cost of \$4.8 million.	Federal	10,195,500	900,000
<u>House</u> concurs with Executive.	Private	250,000	0
<u>Senate</u> includes \$1.6 million in federal funding as a two-part increase (items 4 and 5) for infant/toddler and program quality spending. The Senate increases both Office of Great Start Operations by \$1.6 million and Child Development and Care Contracted Services by \$1.6 million, for a total increase of \$3.2 million. 5. CDC – Infant/Toddler and Program Quality Spending Increase – Child Development and Care Contracted Services	Gross	\$11,500,000	\$900,000
<u>Senate</u> includes \$1.6 million in federal funding as a two-part increase (items 4 and 5) for infant/toddler and program quality spending increases. The Senate increases both Office of Great Start Operations by \$1.6 million and Child Development and Care Contracted Services by \$1.6 million, for a total increase of \$3.2 million. 7. CDC – State Matching Fund Increase	Gross	\$202,000,000	\$0
<u>Executive</u> replaces \$599,400 of federal funds with a corresponding amount of GF/GP for the CDC program’s matching funds to increase the state share as a result of the reduction of the Federal Medicare Assistance Percentage (FMAP) rate from 64.45% in FY 2018-19 to 64.06% in FY 2019-20. This rate reduction necessitates an increase in the state match portion to \$27.9 million GF/GP to draw down the estimated full federal match amount of \$48.1 million. This represents an estimate because the federal allocation for Michigan has not been appropriated at the federal level.	Federal	162,570,300	(599,400)
<u>House</u> , <u>Senate</u> , and <u>Conference</u> concur with Executive.	GF/GP	\$39,429,700	\$599,400
8. Renaissance Zone Adjustment	Gross	\$2,500,000	(\$300,000)
<u>Executive</u> reduces funding for Renaissance Zone reimbursements to libraries by \$300,000 GF/GP. Estimated reimbursement payments required by statute have decreased due to recent personal property tax reform.	GF/GP	\$2,500,000	(\$300,000)
<u>House</u> , <u>Senate</u> , and <u>Conference</u> concur with Executive.			
9. Office of Great Start Line Item Roll Up: CDC Contracted Services and TEACH Scholarship	Gross	\$12,350,000	\$0
