Subject: Redistricting and Elections Committee Members

Dear Redistricting and Elections Committee Members:

I am against the National Popular Vote Compact in Michigan. Please enter this email into the public record and give each member a copy. With all the other problems that are happening in our State and in our Country discussing this anti-constitutional issue is actually revolting to me and my family. If the National Popular Vote Compact is so great then the people behind it should try for an actual Federal Constitutional amendment, which course they will not get.
