27 services are strongly encouraged.

1 Sec. 412. The department shall contract directly with the
2 Salvation Army harbor light program to provide non-Medicaid
3 substance use disorder services.

4 Sec. 418. On or before the tenth of each month, the department
5 shall report to the senate and house appropriations subcommittees

3 Sec. 428. Each PIHP shall provide, from internal resources,
4 local funds to be used as a bona fide part of the state match
5 required under the Medicaid program in order to increase capitation
6 rates for PIHPs. These funds shall not include either state funds
7 received by a CMHSP for services provided to non-Medicaid

14 installments on not less than a quarterly basis throughout the
15 fiscal year, with the first payment being made by October 1 of the

17 Sec. 494. (1) Contingent upon federal approval, if a CMHSP,
18 PIHP, or subcontracting provider agency is reviewed and accredited
19 by a national accrediting entity for behavioral health care
20 services, the department, by April 1 of the current fiscal year,
21 shall consider that CMHSP, PIHP, or subcontracting provider agency
22 in compliance with state program review and audit requirements that
23 are addressed and reviewed by that national accrediting entity.

5 described in subdivision (a), all of the following:

6 (i) The state program review and audit requirements that the
7 CMHSP, PIHP, or subcontracting provider agency is considered in
8 compliance with.

9 (ii) The national accrediting entity that reviewed and
10 accredited the CMHSP, PIHP, or subcontracting provider agency.

11 (3) The department shall continue to comply with state and
12 federal law and shall not initiate an action that negatively
13 impacts beneficiary safety.

14 (4) As used in this section, "national accrediting entity"
15 means the joint commission on accreditation of healthcare
16 organizations, the commission on accreditation of rehabilitation
17 facilities, the council of accreditation, the utilization review
18 accreditation commission, the national committee for quality
19 assurance, or other appropriate entity, as approved by the
20 department.

21 Sec. 495. From the funds appropriated in part 1 for behavioral
22 health program administration, \$3,350,000.00 is intended to address
23 the recommendations of the mental health diversion council.

24 Sec. 496. CMHSPs and PIHPs are permitted to offset state
25 funding reductions by limiting the administrative component of
26 their contracts with providers and case management to a maximum of
27 9%.

1 Sec. 502. (1) The department shall explore developing an
2 outreach program on fetal alcohol syndrome services. The department
3 shall report to the senate and house appropriations subcommittees
4 on community health and the senate and house fiscal agencies by
5 April 1 of the current fiscal year on efforts to prevent and combat
6 fetal alcohol syndrome as well as deficiencies in efforts to reduce
7 the incidence of fetal alcohol syndrome.

8 (2) The department shall explore federal grant funding to
9 address prevention services for fetal alcohol syndrome and reduce

18 **STATE PSYCHIATRIC HOSPITALS AND FORENSIC MENTAL HEALTH SERVICES**

19 Sec. 601. The department shall continue a revenue recapture
20 project to generate additional revenues from third parties related
21 to cases that have been closed or are inactive. A portion of
22 revenues collected through project efforts may be used for
23 departmental costs and contractual fees associated with these
24 retroactive collections and to improve ongoing departmental
25 reimbursement management functions.

26 Sec. 602. The purpose of gifts and bequests for patient living

1 and treatment environments is to use additional private funds to
2 provide specific enhancements for individuals residing at state-
3 operated facilities. Use of the gifts and bequests shall be
4 consistent with the stipulation of the donor. The expected
5 completion date for the use of gifts and bequests donations is
6 within 3 years unless otherwise stipulated by the donor.

7 Sec. 605. (1) The department shall not implement any closures
8 or consolidations of state hospitals, centers, or agencies until
9 CMHSPs or PIHPs have programs and services in place for those
10 individuals currently in those facilities and a plan for service
11 provision for those individuals who would have been admitted to
12 those facilities.

13 (2) All closures or consolidations are dependent upon adequate
14 department-approved CMHSP and PIHP plans that include a discharge
15 and aftercare plan for each individual currently in the facility. A
16 discharge and aftercare plan shall address the individual's housing
17 needs. A homeless shelter or similar temporary shelter arrangements
18 are inadequate to meet the individual's housing needs.

19 (3) Four months after the certification of closure required in
20 section 19(6) of the state employees' retirement act, 1943 PA 240,
21 MCL 38.19, the department shall provide a closure plan to the house
22 and senate appropriations subcommittees on community health and the
23 state budget director.

24 (4) Upon the closure of state-run operations and after
25 transitional costs have been paid, the remaining balances of funds
26 appropriated for that operation shall be transferred to CMHSPs or
27 PIHPs responsible for providing services for individuals previously

1 served by the operations.

2 Sec. 606. The department may collect revenue for patient
3 reimbursement from first- and third-party payers, including
4 Medicaid and local county CMHSP payers, to cover the cost of
5 placement in state hospitals and centers. The department is
6 authorized to adjust financing sources for patient reimbursement
7 based on actual revenues earned. If the revenue collected exceeds
8 current year expenditures, the revenue may be carried forward with
9 approval of the state budget director. The revenue carried forward
10 shall be used as a first source of funds in the subsequent year.

11 Sec. 608. Effective October 1 of the current fiscal year, the
12 department, in consultation with the department of technology,
13 management, and budget, may maintain a bid process to identify 1 or
14 more private contractors to provide food service and custodial
15 services for the administrative areas at any state hospital
16 identified by the department as capable of generating savings
17 through the outsourcing of such services.

18 **PUBLIC HEALTH ADMINISTRATION**

19 Sec. 650. By October 1 of the current fiscal year, the
20 department shall provide to the senate and house appropriations
21 subcommittees on community health a report that includes detailed
22 information regarding the current process by which fish consumption
23 advisories are created and revised. The department shall include
24 all of the following information in the report:

25 (a) The triggers to begin the process for developing the fish
26 consumption advisories, such as evidence of human disease, fish

1 residue data, and biomonitoring data.

2 (b) The process for developing and modifying a fish
3 consumption advisory, including the data inputs used, the rationale
4 behind the selection of particular fish for collection, whether the
5 process has been independently reviewed and validated by a
6 scientific panel or benchmarked in any way, and the reasons for the
7 lack of any independent review, validation, or benchmarking.

8 (c) The type of data specific to a particular body of water
9 that would be needed to modify a current fish consumption advisory,
10 including the data quality criteria that are used to determine if
11 data are suitable for use in the assessment and exclusions to
12 bodies of data and the justifications for such exclusions.

13 (d) Information on the ways stakeholder input is incorporated
14 into the fish consumption advisory process prior to an advisory
15 being issued.

16 (e) Information on how advisory analyses are documented,
17 including how uncertainty analyses are conducted and reported, with
18 information as to whether these evaluations are publicly available
19 and, if not available, an explanation of why any such evaluations
20 are not publicly available.

21 Sec. 651. The department shall work with the Michigan health
22 endowment fund corporation established pursuant to section 653 of
23 the nonprofit health care corporation reform act, 1980 PA 350, MCL
24 550.1653, to explore ways to expand health and wellness programs.

25 Sec. 654. From the funds appropriated in part 1 for health and
26 wellness initiatives, \$1,000,000.00 shall be allocated for a school
27 children's healthy exercise program to promote and advance physical

1 health for school children in kindergarten through grade 8. The
2 department shall recommend model programs for sites to implement
3 that incorporate evidence-based best practices. The department
4 shall grant no less than 1/2 of the funds appropriated in part 1
5 for before- and after-school programs. The department shall
6 establish guidelines for program sites, which may include schools,
7 community-based organizations, private facilities, recreation
8 centers, or other similar sites. The program format shall encourage
9 local determination of site activities and shall encourage local
10 inclusion of youth in the decision-making regarding site
11 activities. Program goals shall include children experiencing
12 improved physical health and access to physical activity

12 (c) Offset general fund costs associated with the medical
13 services program.

14 Sec. 1693. The special Medicaid reimbursement appropriation in
15 part 1 may be increased if the department submits a medical
16 services state plan amendment pertaining to this line item at a
17 level higher than the appropriation. The department is authorized
18 to appropriately adjust financing sources in accordance with the
19 increased appropriation.

20 Sec. 1694. From the funds appropriated in part 1 for special
21 Medicaid reimbursement, \$378,000.00 of general fund/general purpose
22 revenue and any associated federal match shall be distributed for
23 poison control services to an academic health care system that
24 includes a children's hospital that has a high indigent care
25 volume.

26 Sec. 1699. (1) The department may make separate payments in
27 the amount of \$45,000,000.00 directly to qualifying hospitals

1 serving a disproportionate share of indigent patients and to
2 hospitals providing GME training programs. If direct payment for
3 GME and DSH is made to qualifying hospitals for services to
4 Medicaid clients, hospitals shall not include GME costs or DSH
5 payments in their contracts with HMOs.

6 (2) The department shall allocate \$45,000,000.00 in DSH
7 funding using the distribution methodology used in fiscal year
8 2003-2004.

9 (3) By September 30 of the current fiscal year, the department
10 shall report to the senate and house appropriations subcommittees
11 on community health and the senate and house fiscal agencies on the
12 new distribution of funding to each eligible hospital from the GME
13 and DSH pools.

14 Sec. 1724. The department shall allow licensed pharmacies to
15 purchase injectable drugs for the treatment of respiratory
16 syncytial virus for shipment to physicians' offices to be
17 administered to specific patients. If the affected patients are
18 Medicaid eligible, the department shall reimburse pharmacies for
19 the dispensing of the injectable drugs and reimburse physicians for
20 the administration of the injectable drugs.

21 Sec. 1764. The department shall annually certify rates paid to
22 Medicaid health plans and specialty prepaid inpatient health plans
23 as being actuarially sound in accordance with federal requirements
24 and shall provide a copy of the rate certification and approval
25 immediately to the house and senate appropriations subcommittees on
26 community health and the house and senate fiscal agencies. The
27 department shall consider, in the case of Medicaid policy bulletins

1 affecting Medicaid health plans issued after the federal approval
2 of rates, including an economic analysis of the impact of the
3 approved rates on the Medicaid health plans.

4 Sec. 1775. If the state's application for a waiver to
5 implement managed care for dual Medicare/Medicaid eligibles is
6 approved by the federal government, the department shall provide
7 quarterly reports to the senate and house appropriations
8 subcommittees on community health and the senate and house fiscal
9 agencies on progress in implementing the waiver.

10 Sec. 1804. The department, in cooperation with the department
11 of human services and the department of military and veterans
12 affairs, shall work with the federal public assistance reporting
13 information system to identify Medicaid recipients who are veterans
14 and who may be eligible for federal veterans health care benefits
15 or other benefits.

16 Sec. 1850. The department may allow Medicaid health plans to
17 assist with the redetermination process through outreach activities
18 to ensure continuation of Medicaid eligibility and enrollment in
19 managed care. This may include mailings, telephone contact, or
20 face-to-face contact with beneficiaries enrolled in the individual
21 Medicaid health plan. Health plans may offer assistance in
22 completing paperwork for beneficiaries enrolled in their plan.

23 Sec. 1858. Medicaid services shall include treatment for
24 autism spectrum disorders as defined in the federally approved
25 Medicaid state plan. Such alternatives may be coordinated with the
26 Medicaid health plans and the Michigan association of health plans.

27 Sec. 1861. (1) The department shall conduct a review of the

1 efficiency and effectiveness of the current nonemergency
2 transportation system funded in part 1. For nonemergency
3 transportation services provided outside the current broker
4 coverage, the review is contingent on available detailed travel
5 data including methods of travel, number of people served, travel
6 distances, number of trips, and costs of trips. The department
7 shall report the results of the review required under this
8 subsection to the house and senate appropriations subcommittees on
9 community health and the house and senate fiscal agencies no later
10 than September 30 of the current fiscal year.

11 (2) The department shall create a pilot nonemergency
12 transportation system in at least 2 counties with priority given to
13 Berrien and Muskegon counties to provide nonemergency
14 transportation services encouraging use of nonprofit entities. The
15 transportation providers selected by the department are responsible
16 for ensuring that federal and state safety and training standards
17 are met.

18 Sec. 1862. From the funds appropriated in part 1, the
19 department shall continue the rate increase for Medicaid
20 obstetrical services at not less than what was in effect on October
21 1, 2012.

22 Sec. 1865. Upon federal approval of the department's proposal
23 for integrated care for individuals who are dual Medicare/Medicaid
24 eligibles, the department shall provide the senate and house
25 appropriations subcommittees on community health and the senate and
26 house fiscal agencies its plan and organizational chart for
27 administering and providing oversight of this proposal. The plan

1 shall include information on how the department intends to organize
2 staff in an integrated manner to ensure that key components of the
3 proposal are implemented effectively.

4 Sec. 1866. (1) From the funds appropriated in part 1 for
5 hospital services and therapy, \$12,277,900.00 in state restricted
6 hospital quality assurance assessment program revenue and any
7 associated federal match shall be awarded to hospitals that meet
8 criteria established by the department for services to low-income
9 rural residents. One of the reimbursement components of the
10 distribution formula shall be assistance with labor and delivery
11 services.

12 (2) No hospital or hospital system shall receive more than
13 5.0% of the total funding referenced in subsection (1).

14 (3) To allow hospitals to understand their rural payment
15 amounts under this section, the department shall provide hospitals
16 with the methodology for distribution under this section and
17 provide each hospital with its applicable data that are used to
18 determine the payment amounts by August 1 of the current fiscal
19 year. The department shall publish the distribution of payments for
20 the current fiscal year and the immediately preceding fiscal year.

21 (4) The department shall report to the senate and house
22 appropriations subcommittees on community health and the senate and
23 house fiscal agencies on the distribution of funds referenced in
24 subsection (1) by April 1 of the current fiscal year.

25 Sec. 1873. The department shall report on the findings of the
26 workgroup established to discuss new ways to distribute hospital
27 funding through the Michigan access to care initiative, the

1 hospital rate adjustor payments, and the quality assurance
2 assessment program. The department shall report to the senate and
3 house subcommittees on community health on the findings of the
4 workgroup by April 1 of the current fiscal year.

5 Sec. 1874. The department may explore ways to work with
6 private providers to develop fraud management solutions to reduce
7 fraud, waste, and abuse in this state's Medicaid program.

8 Sec. 1878. In any project negotiated with the federal
9 government for integrated health care of individuals dually
10 enrolled in Medicaid and Medicare, the department shall seek to
11 assure the existence of an ombudsman program that is not associated
12 with any project service manager or provider. For activities to be
13 undertaken by the ombudsman program, the department shall include,
14 but is not limited to, assisting beneficiaries with navigating
15 complaint and dispute resolution mechanisms, identifying problems
16 in the project's complaint and dispute resolution mechanisms, and
17 reporting to the executive and legislative branches on any such
18 problems and potential solutions for them.

19 Sec. 1881. The department shall create a default eligibility
20 and enrollment determination for newborns so that newborns are
21 assigned to the same Medicaid health plan as the mother at the time
22 of birth.

23 Sec. 1883. For the purposes of more effectively managing
24 inpatient care for Medicaid health plans and Medicaid fee-for-
25 service, the department shall consider developing an appropriate
26 policy and rate for observation stays.

27 Sec. 1886. The department shall work in conjunction with the

1 workgroup established by the department of human services to
2 determine how the state can maximize Medicaid claims for community-
3 based and outpatient treatment services to foster care children and
4 adjudicated youths who are placed in community-based treatment
5 programs. The department shall report to the senate and house
6 appropriations subcommittees on community health, the senate and
7 house fiscal agencies, the senate and house policy offices, and the
8 state budget office by March 1 of the current fiscal year on the
9 findings of the workgroup.

15 center.

16 (b) \$500,000.00 to the Western Michigan University autism
17 center of excellence.

18 (c) \$500,000.00 to Michigan State University.

19 Sec. 1903. (1) Funds appropriated in part 1, section 121, one-
20 time basis only appropriations, for hospital services and therapy -
21 graduate medical education shall only be expended if both of the
22 following conditions are met:

24 and hospital association and the Michigan association of medical
25 education, in coordination with the department, for all graduate
26 medical education funds appropriated in section 119, medical

1 services, for implementation in fiscal year 2015-2016.

2 (b) The formula is presented to the director by February 1,
3 2015, and the director approves the distribution formula.

4 (2) Until such time that the director approves the
5 distribution formula under subsection (1)(b), graduate medical
6 education funds appropriated in section 119, medical services,
7 shall be disbursed according to the formula in place in fiscal year
8 2013-2014.

9 (3) It is the intent of the legislature that the formula
10 agreed to by the director be implemented for fiscal year 2015-2016.

15 involved with the electronic tether program shall reimburse the
16 department for costs associated with their participation in the
17 program. The department may require community service work

19 individuals unable to pay for the costs of the equipment.

20 (2) Program participant contributions and local community
21 tether program reimbursement for the electronic tether program
22 appropriated in part 1 are related to program expenditures and may
23 be used to offset expenditures for this purpose.

24 (3) Included in the appropriation in part 1 is adequate
25 funding to implement the community tether program to be
26 administered by the department. The community tether program is

1 intended to provide sentencing judges and county sheriffs in
2 coordination with local community corrections advisory boards
3 access to the state's electronic tether program to reduce prison
4 admissions and improve local jail utilization. The department shall
5 determine the appropriate distribution of the tether units
6 throughout the state based upon locally developed comprehensive
7 corrections plans under the community corrections act, 1988 PA 511,
8 MCL 791.401 to 791.414.

9 (4) For a fee determined by the department, the department

26 following:

27 (a) Details on the failure rate of parolees for whom GPS

1 tether is utilized, including the number and rate of parolee
2 technical violations, including specifying failures due to
3 committing a new crime that is uncharged but leads to parole
4 termination, and the number and rate of parolee violators with new
5 sentences.

6 (b) Information on the factors considered in determining
7 whether an offender is placed on active GPS tether, passive GPS
8 tether, radio frequency tether, or some combination of these or
9 other types of electronic monitoring.

10 (c) Monthly data on the number of offenders on active GPS
11 tether, passive GPS tether, radio frequency tether, and any other
12 type of tether.

13 Sec. 611. The department shall prepare by March 1 individual
14 reports for the community re-entry program, the electronic tether
15 program, and the special alternative to incarceration program. The

12 utilization and the cost effectiveness of the program.

13 Sec. 612. (1) The department shall review and revise as
14 necessary policy proposals that provide alternatives to prison for
15 offenders being sentenced to prison as a result of technical
16 probation violations and technical parole violations. To the extent
17 the department has insufficient policies or resources to affect the
18 continued increase in prison commitments among these offender
19 populations, the department shall explore other policy options to
20 allow for program alternatives, including department or OCC-funded
21 programs, local level programs, and programs available through
22 private agencies that may be used as prison alternatives for these
23 offenders.

24 (2) To the extent policies or programs described in subsection
25 (1) are used, developed, or contracted for, the department may
26 request that funds appropriated in part 1 be transferred under

1 18.1393, for their operation.

2 (3) The department shall continue to utilize parole violator
3 processing guidelines that require parole agents to utilize all
4 available appropriate community-based, nonincarcerative postrelease
5 sanctions and services when appropriate. The department shall
6 periodically evaluate those guidelines for modification, in
7 response to emerging information from the demonstration projects
8 for substance abuse treatment provided under this part and
9 applicable provisions of prior budget acts for the department.

10 (4) The department shall provide annual reports to the senate
11 and house appropriations subcommittees on corrections, the
12 legislative corrections ombudsman, the senate and house fiscal
13 agencies, and the state budget director on the number of all
14 parolees returned to prison and probationers sentenced to prison
15 for either a technical violation or new sentence during the
16 preceding calendar quarter. The reports shall include the following
17 information each for probationers, parolees after their first
18 parole, and parolees who have been paroled more than once:

19 (a) The numbers of parole and probation violators returned to
20 or sent to prison for a new crime with a comparison of original
21 versus new offenses by major offense type: assaultive,
22 nonassaultive, drug, and sex.

23 (b) The numbers of parole and probation violators returned to
24 or sent to prison for a technical violation and the type of
25 violation, including, but not limited to, zero gun tolerance and
26 substance abuse violations. For parole technical rule violators,
27 the report shall list violations by type, by length of time since

1 release from prison, by the most recent violation, and by the
2 number of violations occurring since release from prison.

3 (c) The educational history of those offenders, including how

12 Sec. 615. After the parole board has reviewed the cases of all
13 inmates sentenced to imprisonment for life with the possibility of
14 parole who have good institutional records, the parole board shall
15 calculate each inmate's parole guidelines score. The parole board
16 shall provide the legislature with the specific reason or reasons
17 why any individual inmate who scores "high probability of release"
18 is not being paroled. The parole board shall submit a report
19 containing a list of these reasons for each inmate to the house and
20 senate appropriations subcommittees on corrections, the house and
21 senate fiscal agencies, the legislative corrections ombudsman, and
22 the state budget director by January 1.

23 HEALTH CARE

24 Sec. 802. As a condition of expenditure of the funds
25 appropriated in part 1, the department shall provide the senate and
26 house of representatives appropriations subcommittees on

1 corrections, the legislative corrections ombudsman, the senate and
2 house fiscal agencies, and the state budget director with all of
3 the following:

4 (a) Quarterly reports on physical and mental health care

21 house appropriations subcommittees on corrections, the legislative
22 corrections ombudsman, the senate and house fiscal agencies, and
23 the state budget director on prisoners receiving off-site inpatient
24 medical care that would have received care in a state correctional
25 facility if beds were available. The report shall include the
26 number of prisoners receiving off-site inpatient medical care and
27 average length of stay in an off-site facility during the period

1 they would have received care in a state correctional facility if
2 beds were available, by month and correctional facilities
3 administration region.

4 Sec. 806. From the funds appropriated in part 1, the
5 department shall require a hepatitis C antibody test and an HIV
6 test for each prisoner prior to release to the community by parole
7 or discharge on the maximum sentence. The requirement for a pre-
8 release test does not apply if the prisoner has previously tested
9 positive. The department shall require an HIV test and a hepatitis
10 C risk factor screening for each prisoner at the health screening
11 at admissions. If hepatitis C risk factors are identified, the
12 department shall offer the prisoner a hepatitis C antibody test. An
13 explanation of results of the tests shall be provided
14 confidentially to the prisoner, and if appropriate based on the
15 test results, the prisoner shall also be provided a recommendation
16 to seek follow-up medical attention.

17 Sec. 807. The department shall ensure that all medications for
18 a prisoner be transported with that prisoner when the prisoner is
19 transferred from 1 correctional facility to another. Prisoners
20 being released shall have access to at least a 30-day supply of
21 medication and a prescription for refills to allow for continuity
22 of care in the community.

23 Sec. 809. The department, in conjunction with efforts to
24 implement prisoner re-entry, shall cooperate with the MDCH to share
25 data and information as they relate to prisoners being released who
26 are HIV positive or positive for the hepatitis C antibody. By March
27 1, the department shall report to the senate and house

1 appropriations subcommittees on corrections, the senate and house
2 fiscal agencies, and the state budget director on all of the
3 following:

15 human services with a monthly list of prisoners newly committed to
16 the department of corrections. The department and the department of
17 human services shall enter into an interagency agreement under
18 which the department of human services provides the department of
19 corrections with monthly lists of newly committed prisoners who are
20 eligible for Medicaid benefits in order to maintain the process by
21 which Medicaid benefits are suspended rather than terminated. The
22 department shall assist prisoners who may be eligible for Medicaid
23 benefits after release from prison with the Medicaid enrollment
24 process prior to release from prison.

25 (2) The department shall provide the senate and house
26 appropriations subcommittees on corrections, the legislative

9 Sec. 904. The department shall calculate the per prisoner/per
10 day cost for each prisoner security custody level. This calculation
11 shall include all actual direct and indirect costs for the previous
12 fiscal year, including, but not limited to, the value of services
13 provided to the department by other state agencies and the
14 allocation of statewide legacy costs. To calculate the per
15 prisoner/per day costs, the department shall divide these direct
16 and indirect costs by the average daily population for each custody
17 level. For multilevel facilities, the indirect costs that cannot be
18 accurately allocated to each custody level can be included in the
19 calculation on a per-prisoner basis for each facility. A report
20 summarizing these calculations and the direct and indirect costs
21 included in them shall be submitted to the senate and house
22 appropriations subcommittees on corrections, the legislative
23 corrections ombudsman, the senate and house fiscal agencies, and
24 the state budget director not later than December 15.

4 and house appropriations subcommittees on corrections, the
5 legislative corrections ombudsman, the senate and house fiscal
6 agencies, and the state budget director on academic and vocational
7 programs. The report shall provide information relevant to an

10 (a) The number of instructors and the number of instructor
11 vacancies, by program and facility.

12 (b) The number of prisoners enrolled in each program, the
13 number of prisoners completing each program, the number of
14 prisoners who fail each program, the number of prisoners who do not
15 complete each program and the reason for not completing the
16 program, the number of prisoners transferred to another facility
17 while enrolled in a program and the reason for transfer, the number
18 of prisoners enrolled who are repeating the program by reason, and
19 the number of prisoners on waiting lists for each program, all
20 itemized by facility.

21 (c) The steps the department has undertaken to improve
22 programs, track records, accommodate transfers and prisoners with
23 health care needs, and reduce waiting lists.

24 (d) The number of prisoners paroled without a high school
25 diploma and the number of prisoners paroled without a GED.

26 (e) An explanation of the value and purpose of each program,
27 for example, to improve employability, reduce recidivism, reduce

1 prisoner idleness, or some combination of these and other factors.

2 (f) An identification of program outcomes for each academic
3 and vocational program.

4 (g) An explanation of the department's plans for academic and
5 vocational programs, including plans to contract with intermediate

16 high-quality materials for use by the visually impaired.

17 Sec. 911. (1) By March 1, the department shall report to the
18 senate and house appropriations subcommittees on corrections, the
19 senate and house fiscal agencies, the legislative corrections
20 ombudsman, and the state budget director the number of critical
21 incidents occurring each month by type and the number and severity
22 of assaults occurring each month at each facility during the
23 immediately preceding calendar year. Critical incidents include
24 attempted escapes and successful escapes by prisoners.

25 (2) The report shall include all of the following information
26 relative to escapes and attempted escapes:

27 (a) The specific circumstances and factual details, including,

1 but not limited to, the security measures that were in place and
2 operating that were relevant to the escape or attempted escape.

3 (b) The result, including, but not limited to, the
4 effectiveness of the security measures that were in place and
5 operating at the time.

6 (c) Any corrective measures taken by the department in
7 response, including, but not limited to, disciplinary measures,
8 changes in official procedures, or procuring or replacing
9 equipment.

10 Sec. 912. The department shall report to the senate and house
11 appropriations subcommittees on corrections, the legislative
12 corrections ombudsman, the senate and house fiscal agencies, and
13 the state budget director by March 1 on the ratio of correctional
14 officers to prisoners for each correctional institution, the ratio
15 of shift command staff to line custody staff, and the ratio of
16 noncustody institutional staff to prisoners for each correctional
17 institution.

18 Sec. 913. (1) It is the intent of the legislature that any
19 prisoner required to complete a violence prevention program, sexual
20 offender program, or other program as a condition of parole shall
21 be transferred to a facility where that program is available in
22 order to accomplish timely completion of that program prior to the
23 expiration of his or her minimum sentence and eligibility for
24 parole. Nothing in this section should be deemed to make parole
25 denial appealable in court.

26 (2) The department shall submit a quarterly report to the
27 members of the senate and house appropriations subcommittees on

1 corrections, the senate and house fiscal agencies, the state budget
2 director, and the legislative corrections ombudsman detailing
3 enrollment in sex offender programming, assaultive offender
4 programming, violent offender programming, and thinking for change.
5 At a minimum, the report shall include the following:

6 (a) A full accounting of the number of individuals who are
7 required to complete the programming, but have not yet done so.

8 (b) The number of individuals who have reached their earliest
9 release date, but who have not completed required programming.

10 (c) A plan of action for addressing any waiting lists or
11 backlogs for programming that may exist.

12 Sec. 914. From the funds appropriated in part 1 for the
13 education program, \$1,000,000.00 shall be used for programming that
14 is a condition of parole, such as violence prevention programming,
15 sexual offender programming, and thinking for a change, with
16 particular emphasis on individuals who are past their earliest
17 release dates.

18 Sec. 915. The department shall explore opportunities to
19 collaborate with Michigan universities on establishing programs
20 that will allow graduate students to work in correctional
21 facilities to teach programming that is a condition of parole. The
22 intent of the legislature is that graduate students teaching in
23 correctional facilities will result in a cost savings for the
24 department and will reduce the number of individuals who are past
25 their earliest release dates due to the inability to obtain
26 programming.

27 Sec. 924. The department shall evaluate all prisoners at

1 intake for substance abuse disorders, developmental disorders,
2 serious mental illness, and other mental health disorders.
3 Prisoners with serious mental illness shall not be confined in
4 administrative segregation. Under the supervision of a mental
5 health professional, a prisoner with serious mental illness may be
6 secluded in a therapeutic environment for the safety of the
7 prisoner or others. A prisoner in therapeutic seclusion shall be
8 evaluated by a mental health professional at a frequency set forth
9 in the mental health code, 1974 PA 258, MCL 330.1001 to 330.2106,
10 or at least every 12 hours, whichever would require more frequent
11 evaluations, in order to remain in therapeutic seclusion.

12 Sec. 925. By March 1, the department shall report to the
13 senate and house appropriations subcommittees on corrections, the
14 senate and house fiscal agencies, the legislative corrections
15 ombudsman, and the state budget director on the annual number of
16 prisoners in administrative segregation between October 1, 2003 and
17 September 30, 2014, and the annual number of prisoners in
18 administrative segregation between October 1, 2003 and September
19 30, 2014 who at any time during the current or prior prison term
20 were diagnosed with serious mental illness or have a developmental
21 disorder and the number of days each of the prisoners with serious
22 mental illness or a developmental disorder have been confined to
23 administrative segregation.

24 Sec. 929. From the funds appropriated in part 1, the
25 department shall do all of the following:

26 (a) Ensure that any inmate care and control staff in contact
27 with prisoners less than 19 years of age are adequately trained

1 with regard to the developmental and mental health needs of
2 prisoners less than 19 years of age. By April 1, the department
3 shall report to the senate and house appropriations subcommittees
4 on corrections, the senate and house fiscal agencies, the
5 legislative corrections ombudsman, and the state budget director on
6 the training curriculum used and the number and types of staff
7 receiving training under that curriculum since October 2009.

8 (b) Provide appropriate placement for prisoners less than 19
9 years of age who have serious mental illness, serious emotional
10 disturbance, or a developmental disorder and need to be housed
11 separately from the general population. Prisoners less than 19
12 years of age who have serious mental illness, serious emotional
13 disturbance, or a developmental disorder shall not be placed in
14 administrative segregation. Under the supervision of a mental
15 health professional, a prisoner less than 19 years of age with
16 serious mental illness or serious emotional disturbance may be
17 secluded in a therapeutic environment for the safety of the
18 prisoner or others. A prisoner in therapeutic seclusion shall be
19 evaluated every 12 hours by a mental health professional in order
20 to remain in therapeutic seclusion.

21 (c) Implement a specialized re-entry program that recognizes
22 the needs of prisoners less than 19 years old for supervised re-
23 entry.

24 Sec. 937. The department shall not issue a request for
25 proposal (RFP) for a contract in excess of \$1,000,000.00, unless
26 the department has first considered issuing a request for
27 information (RFI) or a request for qualification (RFQ) relative to

1 that contract to better enable the department to learn more about
2 the market for the products or services that are the subject of the
3 future RFP. The department shall notify the department of
4 technology, management, and budget of the evaluation process used
5 to determine if an RFI or RFQ was not necessary prior to issuing
6 the RFP.

7 Sec. 938. (1) By November 1, the department shall release a
8 request for proposal for competitive bids for a non-state-run,
9 nonsecure, nursing home facility to house mentally or physically
10 disabled prisoners.

11 (2) The negative appropriation in part 1 will be achieved by
12 transferring mentally or physically disabled prisoners to a non-
13 state-run, nonsecure, nursing home facility.

14 Sec. 942. The department shall ensure that any contract with a
15 public or private party to operate a facility to house state
16 prisoners includes a provision to allow access by both the office
17 of the legislative auditor general and the office of the
18 legislative corrections ombudsman to the facility and to
19 appropriate records and documents related to the operation of the
20 facility. These access rights for both offices shall be the same
21 for the contracted facility as for a general state-operated
22 correctional facility.

23 Sec. 943. (1) The department shall provide the legislative
24 corrections ombudsman direct access to all information, records,
25 and documents in the possession of the department that the
26 legislative corrections ombudsman considers necessary to conduct an
27 investigation under section 5 of 1975 PA 46, MCL 4.355.

1 (2) The department shall provide the legislative corrections
2 ombudsman entry to inspect at any time the premises or any part of
3 the premises under the control of the department without notice
4 under 1975 PA 46, MCL 4.355.

5 (3) The department shall provide the legislative corrections
6 ombudsman direct access to employees of the department and to
7 employees who are under contract with the department.

8 (4) The department shall not implement any formal or informal
9 policy that would delay or otherwise affect the ability of the
10 legislative corrections ombudsman to conduct investigations, access
11 records, facilities, or employees, or otherwise carry out the
12 responsibilities of the legislative corrections ombudsman office
13 under section 5 of 1975 PA 46, MCL 4.355.

14 Sec. 944. By March 1, the department shall submit a report to
15 the senate and house appropriations subcommittees on corrections,
16 the senate and house fiscal agencies, the legislative corrections
17 ombudsman, and the state budget director on the department's
18 security classification and prisoner placement processes. The
19 report shall evaluate and summarize all of the following:

20 (a) The initial security classification process used to
21 determine a prisoner's appropriate custody level and placement upon
22 initial intake to the department, including, but not limited to,
23 all factors considered in making the initial placement
24 determination. The report shall evaluate the effectiveness of these
25 factors in predicting prisoner behavior and escape risk upon
26 initial confinement in the corrections system.

27 (b) The number of prisoners initially classified during the

1 preceding fiscal year, the number of prisoners classified and
2 placed in the true security level indicated on the evaluation
3 instrument compared to the number of prisoners both departed and
4 waived to security levels other than the prisoner's true security
5 level, along with a specific explanation of the most common reasons
6 for such variances.

7 (c) The security classification review process used to
8 determine a prisoner's appropriate custody level and placement
9 while confined within a correctional facility, including, but not
10 limited to, all factors considered in making prisoner placement
11 decisions. The report shall evaluate the effectiveness of these
12 factors in predicting prisoner behavior and escape risk while
13 housed in correctional facilities.

14 (d) The number of prisoner classifications reviewed during the
15 preceding fiscal year, the number of prisoners classified and
16 placed in the true security level indicated on the evaluation
17 instrument compared to the number of prisoners both departed and
18 waived to security levels other than the prisoner's true security
19 level, along with a specific explanation of the most common reasons
20 for such variances.

21 (e) The effectiveness of the security classification process,
22 as indicated through statistical analysis of each category, in
23 predicting and addressing prisoner escapes or attempts to escape
24 from correctional facilities, prisoner misconduct within
25 correctional facilities, and prisoner violence within correctional
26 facilities.

1 MISCELLANEOUS

2 Sec. 1009. The department shall make an information packet for
3 the families of incoming prisoners available on the department's
4 website. The information packet shall be updated by February 1 of
5 each year thereafter. The packet shall provide information on
6 topics including, but not limited to: how to put money into
7 prisoner accounts, how to make phone calls or create Jpay email
8 accounts, how to visit in person, proper procedures for filing
9 complaints or grievances, the rights of prisoners to physical and
10 mental health care, how to utilize the offender tracking
11 information system (OTIS), truth-in-sentencing and how it applies
12 to minimum sentences, the parole process, and guidance on the
13 importance of the role of families in the reentry process. The
14 department is encouraged to partner with external advocacy groups
15 and actual families of prisoners in the packet-writing process to
16 ensure that the information is useful and complete.

17 Sec. 1011. The department shall accept in-kind services and
18 equipment donations to facilitate the addition of a cable network
19 that provides programming that will address the religious needs of
20 incarcerated individuals. This network shall be a cable television
21 network that presently reaches the majority of households in the
22 United States. A bilingual channel affiliated with this network may
23 also be added to department programming to assist the religious
24 needs of Spanish-speaking inmates. The addition of these channels
25 shall be of no additional cost to this state.

26 CAPITAL OUTLAY

1 Sec. 1051. The appropriations in part 1 for capital outlay
 2 shall be carried forward at the end of the fiscal year consistent
 3 with the provisions of section 248 of the management and budget
 4 act, 1984 PA 431, MCL 18.1248.

22 collected are recorded or dedicated.

23 (2) The department of treasury shall submit a report for the
24 immediately preceding fiscal year ending September 30 to the state

23 (c) The total estimated cost of the project is \$287,700.00.

24 (d) The tentative completion date is September 30, 2016.

25 Sec. 927. The department of treasury shall submit annual
26 progress reports to the senate and house of representatives
27 standing committees on appropriations subcommittees on general

1 government and the senate and house fiscal agencies, regarding

17 14.131 to 14.134. The department of treasury shall deduct a fee
18 equal to the cost of collections from all receipts except
19 unrestricted general fund collections. Fees shall be credited to a
20 restricted revenue account and appropriated to the department of
21 treasury to pay for the cost of collections. The department of
22 treasury shall maintain accounting records in sufficient detail to
23 enable the respective accounts to be reimbursed periodically for
24 fees deducted that are determined by the department of treasury to
25 be surplus to the actual cost of collections.

26 (2) The department of treasury shall submit a report for the
27 immediately preceding fiscal year to the state budget director and

6 treasury for treasury fees shall be assessed against all restricted
7 funds that receive common cash earnings or other investment income.
8 Treasury fees include all costs, including administrative overhead,
9 relating to the investment of each restricted fund. The fee
10 assessed against each restricted fund will be based on the size of
11 the restricted fund (the absolute value of the average daily cash

13 year) and the level of effort necessary to maintain the restricted
14 fund as required by each department. The department of treasury
15 shall provide a report to the state budget director, the senate and
16 house of representatives standing committees on appropriations
17 subcommittees on general government, and the senate and house

22 department of treasury may receive and expend investment fees
23 relating to new restricted funding sources that participate in
24 common cash earnings or other investment income during the current
25 fiscal year. When a new restricted fund is created starting on or
26 after October 1, that restricted fund shall be assessed a fee using
27 the same criteria identified in subsection (1).

8 received under the hospital finance authority act, 1969 PA 38, MCL
9 331.31 to 331.84, the shared credit rating act, 1985 PA 227, MCL
10 141.1051 to 141.1076, the higher education facilities authority
11 act, 1969 PA 295, MCL 390.921 to 390.934, the Michigan public

15 fast track act, 2003 PA 258, MCL 124.751 to 124.774, part 505 of
16 the natural resources and environmental protection act, 1994 PA
17 451, MCL 324.50501 to 324.50522, the state housing development
18 authority act of 1966, 1966 PA 346, MCL 125.1401 to 125.1499c, and
19 the Michigan finance authority, Executive Reorganization Order No.
20 2010-2, MCL 12.194, for necessary salaries, wages, supplies,
21 contractual services, equipment, worker's compensation insurance
22 premiums, grants to the civil service commission and state
23 employees' retirement fund, and other expenses as allowed under
24 those acts.

25 (2) The department of treasury shall report by January 31 to
26 the senate and house appropriations subcommittees, the senate and
27 house fiscal agencies, and the state budget director on the amount

1 and purpose of expenditures made under subsection (1) from funds
2 received in addition to those appropriated in part 1. The report
3 shall also include a listing of reimbursement of revenue, if any.
4 The report shall cover the 2013-2014 fiscal year.

5 Sec. 935. The funds appropriated in part 1 for dual enrollment
6 payments for an eligible student enrolled in a state-approved
7 nonpublic school shall be distributed as provided under the
8 postsecondary enrollment options act, 1996 PA 160, MCL 388.511 to

13 using any of the funds appropriated in part 1, the department shall
14 annually forward any report provided to the department by that
15 consultant to the senate and house of representatives standing
16 committees on appropriations subcommittees on general government,
17 the senate and house fiscal agencies, and the state budget
18 director.

19 Sec. 945. The assessment and certification division of the
20 department of treasury shall conduct a review of local unit
21 assessment administration practices, procedures, and records, also
22 known as the 14-point review, in at least 1 assessment jurisdiction
23 per county.

24 Sec. 946. Revenue collected in the convention facility
25 development fund is appropriated and shall be distributed under
26 sections 8 and 9 of the state convention facility development act,
27 1985 PA 106, MCL 207.628 and 207.629.

1 Sec. 947. Financial independence teams shall cooperate with
2 the office of fiscal responsibility to coordinate and streamline
3 efforts in identifying and addressing fiscal emergencies in school
4 districts and intermediate school districts.

5 **REVENUE SHARING**

6 Sec. 950. The funds appropriated in part 1 for constitutional
7 revenue sharing shall be distributed by the department to cities,
8 villages, and townships, as required under section 10 of article IX
9 of the state constitution of 1963. Revenue collected in accordance
10 with section 10 of article IX of the state constitution of 1963 in
11 excess of the amount appropriated in part 1 for constitutional
12 revenue sharing is appropriated for distribution to cities,
13 villages, and townships, on a population basis as required under
14 section 10 of article IX of the state constitution of 1963.

15 Sec. 951. (1) The funds appropriated in part 1 for the
16 competitive grant assistance program are to be used for assistance
17 grants to cities, villages, townships, counties, authorities,
18 school districts, intermediate school districts, public community
19 colleges, and public universities to offset the costs associated
20 with mergers, interlocal agreements, and cooperative efforts for
21 those cities, villages, townships, counties, authorities, school
22 districts, intermediate school districts, public community
23 colleges, and public universities that elect to combine government
24 operations. For an authority, school district, intermediate school
25 district, public community college, or public university to qualify
26 for grant funding under this section, the authority, school
27 district, intermediate school district, public community college,

1 or public university must combine operations with a city, village,
2 township, or county. Consideration may be given to cities,
3 villages, townships, counties, authorities, school districts,
4 intermediate school districts, public community colleges, and
5 public universities for projects that result in more efficient
6 government services through increased cooperation and/or
7 collaboration. The department of treasury shall develop an
8 application process and method of grant distribution.

9 (2) The unexpended funds appropriated in part 1 for the
10 competitive grant assistance program, economic vitality incentive
11 program, and the county incentive program are designated as work
12 project appropriations and any unencumbered or unallotted funds
13 shall not lapse at the end of the fiscal year and shall be
14 available for expenditure for projects under this section until the
15 projects have been completed. The following is in compliance with
16 section 451a of the management and budget act, 1984 PA 431, MCL
17 18.1451a:

18 (a) The purpose of the projects is to provide incentive-based
19 grants to recipients under this section.

20 (b) The projects will be accomplished by grants to qualified
21 governmental units.

22 (c) The total estimated cost of all projects is
23 \$319,080,000.00.

24 (d) The tentative completion date is September 30, 2019.

25 Sec. 952. (1) The funds appropriated in part 1 for the
26 economic vitality incentive program are to be used for grants to
27 cities, villages, and townships such that, subject to fulfilling

1 the requirements under subsection (3), (4), or (5), or any
2 combination of those subsections, each city, village, or township
3 is eligible to receive 76.94644% of its total payment received
4 under section 950(2) of 2009 PA 128 or a payment equal to the
5 population of the city, village, or township multiplied by
6 \$7.14609, whichever is greater, rounded to the nearest dollar. If
7 both calculations result in amounts less than \$5,000.00 for any
8 individual city, village, or township, that city, village, or
9 township is not eligible for a payment under this section. For
10 purposes of this subsection, population is determined in the same
11 manner as the distribution under section 950. In addition, any city
12 or village that according to the 2010 federal decennial census is
13 determined to have population in more than 1 county will be treated
14 as a single entity when determining the payment received under
15 section 950(2) of 2009 PA 128 and the distribution under section
16 950.

17 (2) The funds appropriated in part 1 for the county incentive
18 program are to be used for grants to counties such that each county
19 is eligible to receive an amount equal to the amount by which the
20 balance in its revenue sharing reserve fund under section 44a of
21 the general property tax act, 1893 PA 206, MCL 211.44a, for the
22 county's most recent fiscal year that ends prior to the January 1
23 of the state's fiscal year is less than the amount calculated under
24 section 44a(13) of the general property tax act, 1893 PA 206, MCL
25 211.44a, for the county fiscal year that begins in the state's
26 fiscal year. The amount calculated under this subsection shall be
27 adjusted as necessary to reflect partial county fiscal years and

1 prorated based on the total amount appropriated for distribution to
2 all eligible counties. Except as otherwise provided under this
3 subsection, payments under this subsection will be distributed to
4 an eligible county subject to the county's fulfilling the
5 requirements under subsection (3), (4), or (5), or any combination
6 of those subsections. However, a city, village, township, or county
7 eligible to receive less than \$50,000.00 under this subsection or
8 subsection (1) is exempt from the requirements of subsection (3),
9 (4), or (5) and shall qualify for a full payment under this
10 subsection or subsection (1). Cities, villages, townships, and
11 counties eligible to receive a potential payment of \$50,000.00 or
12 more from the allocation under this subsection or subsection (1)
13 may qualify to receive payments under 1 or more of the 3 categories
14 described under subsections (3), (4), and (5).

15 (3) Category 1, accountability and transparency, requires each
16 eligible city, village, township, or county to certify by October
17 1, or the first day of a payment month, that it has produced a
18 citizen's guide of its most recent local finances, including a
19 recognition of its unfunded liabilities; a performance dashboard; a
20 debt service report containing a detailed listing of its debt
21 service requirements, including, at a minimum, the issuance date,
22 issuance amount, type of debt instrument, a listing of all revenues
23 pledged to finance debt service by debt instrument, and a listing
24 of the annual payment amounts; and a projected budget report,
25 including, at a minimum, the current fiscal year and a projection
26 for the immediately following fiscal year. The projected budget
27 report shall include revenues and expenditures and an explanation

1 of the assumptions used for the projections. The citizen's guide,
2 performance dashboard, debt service report, and projected budget
3 report shall be made available for public viewing in the city,
4 village, township, or county clerk's office or posted on a publicly
5 accessible Internet site. Each city, village, township, and county
6 applying for a payment under this category shall submit a copy of
7 the citizen's guide, a copy of the performance dashboard, a copy of
8 the debt service report, and a copy of the projected budget report
9 to the department of treasury.

10 (4) Category 2, road construction or preservation, requires
11 each eligible city, village, township, or county to certify by
12 February 1, or the first day of a payment month for this category,
13 that it has complied with (a) or (b):

14 (a) For a city, village, township, or county that does not
15 levy a specific millage for road construction or preservation, the
16 city, village, township, or county shall certify that it has
17 committed an amount equal to or greater than 5% of its total
18 eligible payment under subsection (1) or (2) for road construction
19 or preservation, as defined in section 10c of 1951 PA 51, MCL
20 247.660c, within the city, village, township, or county
21 jurisdiction in fiscal year 2014-2015. If the city, village,
22 township, or county does not have road jurisdiction, the required
23 commitment shall be provided to the primary entity providing road
24 construction or preservation for the city, village, township, or
25 county jurisdiction. The funding shall supplement and not supplant
26 the current level of road construction or preservation funding
27 provided by the city, village, township, or county. The department

1 shall develop a certification process and method for cities,
2 villages, townships, or counties to follow.

3 (b) For a city, village, township, or county that levies a
4 specific millage for road construction or preservation, the city,
5 village, township, or county shall certify that it levies a
6 specific millage for road construction or preservation.

7 (5) Category 3, unfunded accrued liabilities, requires each
8 eligible city, village, township, or county to certify by June 1,
9 or the first day of a payment month for this category, that it has
10 complied with (a) or (b):

11 (a) An eligible city, village, township, or county with
12 unfunded accrued liabilities as of its most recent audited
13 financial report related to employee pensions or other post-
14 employment benefits shall certify that it has committed an amount
15 equal to or greater than 5% of its total eligible payment under
16 subsection (1) or (2) to address its unfunded accrued liabilities
17 in fiscal year 2014-2015. The funding shall supplement and not
18 supplant current levels of funding used to address unfunded accrued
19 liabilities. The department shall develop a certification process
20 and method for cities, villages, townships, or counties to follow.

21 (b) Any city, village, township, or county that does not have
22 unfunded accrued liabilities as of its most recent audited
23 financial report related to employee pensions or other post-
24 employment benefits shall certify to the department of treasury
25 that it does not have unfunded accrued liabilities. The
26 certification shall include an explanation of why the city,
27 village, township, or county does not have unfunded accrued

1 liabilities. The department shall develop a certification process
2 and method for cities, villages, townships, or counties to follow.

3 (6) Economic vitality incentive program payments and county
4 incentive program payments are subject to the following conditions:

5 (a) In order for a city, village, township, or county to
6 qualify for a category under subsection (3), (4), or (5), the city,
7 village, township, or county shall meet every criteria for that
8 category, including a certification to the department that it has
9 met the required criteria for that category and submission of the
10 required citizen's guide, performance dashboard, debt service
11 report, and projected budget report as required by subsection (3),
12 (4), or (5), respectively. A department of treasury review of the
13 citizen's guide, dashboard, or reports is not required in order for
14 a city, village, township, or county to receive a payment under
15 subsection (1) or (2). The department shall develop a certification
16 process and method for cities, villages, townships, and counties to
17 follow. A city, village, township, or county eligible to receive
18 less than \$50,000.00 under subsection (1) or (2) is exempt from
19 having to certify that it has complied with the requirements under
20 subsection (3), (4), or (5) to receive its full eligible payment
21 under subsection (1) or (2).

22 (b) Subject to subdivisions (c), (d), and (e), for each
23 category that a city, village, township, or county qualifies for in
24 subsections (3), (4), and (5), the city, village, township, or
25 county shall receive 1/3 of its potential payment under this
26 section.

27 (c) Payments under this section shall be issued to cities,

1 villages, and townships as follows:

2 (i) Category 1, an eligible city, village, or township that
3 certifies with the department of treasury that it has qualified for
4 a payment under subsection (3) by October 1 shall receive 1/6 of
5 its available distribution on the last business day of October and
6 1/6 of its available distribution on the last business day of
7 December. If an eligible city, village, or township certifies with
8 the department of treasury that it has qualified for a payment
9 under subsection (3) after October 1, but prior to December 1, the
10 city, village, or township shall receive 1/6 of its available
11 distribution on the last business day of December. A city, village,
12 or township eligible to receive less than \$50,000.00 under

23 amount of each grant award.

24 Sec. 702. The unemployment insurance agency shall provide the
25 subcommittees, fiscal agencies, and state budget office with
26 quarterly status reports on the implementation of and improvements

7 in part 1, a regional or subregional library's fiscal agency shall
8 agree to maintain local funding support at the same level in the
9 current fiscal year as in the fiscal agency's preceding fiscal
10 year. If a reduction in expenditures equally affects all agencies
11 in a local unit of government that is the regional or subregional
12 library's fiscal agency, that reduction shall not be interpreted as
13 a reduction in local support and shall not disqualify a regional or
14 subregional library from receiving state aid under part 1. If a
15 reduction in income affects a library cooperative or district
16 library that is a regional or subregional library's fiscal agency
17 or a reduction in expenditures for the regional or subregional
18 library's fiscal agency, a reduction in expenditures for the
19 regional or subregional library shall not be interpreted as a
20 reduction in local support and shall not disqualify a regional or
21 subregional library from receiving state aid under part 1.

22 Sec. 707. The bureau of services for blind persons may provide
23 and enter into agreements to provide general services, training,
