This calculation shall include all actual direct and indirect costs for the previous 12 13 fiscal year, including, but not limited to, the value of services provided to the department by other state agencies and the 14 allocation of statewide legacy costs. To calculate the per 15 16 prisoner/per day costs, the department shall divide these direct 17 and indirect costs by the average daily population for each custody 18 level. For multilevel facilities, the indirect costs that cannot be 19 accurately allocated to each custody level can be included in the 20 calculation on a per-prisoner basis for each facility. A report 21 summarizing these calculations and the direct and indirect costs 22 included in them shall be submitted to the senate and house appropriations subcommittees on corrections, the senate and house 23 24 fiscal agencies, the legislative corrections ombudsman, and the 25 state budget office not later than December 15.

26

diploma and the number of prisoners paroled without a high school
equivalency.

(e) An explanation of the value and purpose of each program,
 for example, to improve employability, reduce recidivism, reduce
 prisoner idleness, or some combination of these and other factors.

4 (f) An identification of program outcomes for each academic5 and vocational program.

6 (g) The number of prisoners not paroled at their earliest
7 release date due to lack of a high school equivalency, and the
8 reason those prisoners have not obtained a high school equivalency.

9 Sec. 910. The department shall allow the Michigan Braille 10 transcribing fund program to operate at its current location. The 11 donation of the building by the Michigan Braille transcribing fund 12 at the G. Robert Cotton Correctional Facility in Jackson is 13 acknowledged and appreciated.  command staff to line custody staff, and the ratio of noncustody
 institutional staff to prisoners for each correctional institution.

(1) From the funds appropriated in part 1, the 5 department shall focus on providing required programming to 6 prisoners who are past their earliest release date because of not 7 having received the required programming. Programming includes, but is not limited to, violence prevention programming, assaultive 8 9 offender programming, sexual offender programming, substance abuse 10 treatment programming, thinking for a change programming, and any 11 other programming that is required as a condition of parole.

Prisoners with serious mental illness or serious 12 developmental disorders shall not be removed from the general 13 population as a punitive response to behavior caused by their 14 serious mental illness or serious developmental disorder. Due to persistent high violence risk or severe disruptive behavior that is 15 unresponsive to treatment, prisoners with serious mental illness or 16 17 serious developmental disorders may be placed in secure residential 18 housing programs that will facilitate access to institutional 19 programming and ongoing mental health services. A prisoner with 20 serious mental illness or serious developmental disorder who is 21 confined in these specialized housing programs shall be evaluated 22 or monitored by a medical professional at a frequency of not less 23 than every 12 hours.

20 (b) Provide appropriate placement for prisoners less than 18 21 years of age who have serious mental illness, serious emotional 22 disturbance, or a serious developmental disorder and need to be 23 housed separately from the general population. Prisoners less than 24 18 years of age who have serious mental illness, serious emotional 25 disturbance, or a serious developmental disorder shall not be 26 removed from an existing placement as a punitive response to 27 behavior caused by their serious mental illness, serious emotional

1 disturbance, or a serious developmental disorder. Due to persistent 2 high violence risk or severe disruptive behavior that is 3 unresponsive to treatment, prisoners less than 18 years of age with serious emotional disturbance, serious mental illness, or serious 4 5 developmental disorders may be placed in secure residential housing 6 programs that will facilitate access to institutional programming and ongoing mental health services. A prisoner less than 18 years 7 of age with serious mental illness, serious emotional disturbance, 8 9 or a serious developmental disorder who is confined in these 10 specialized housing programs shall be evaluated or monitored by a 11 medical professional at a frequency of not less than every 12 12 hours.

 market value for the use of the state-owned property.

6 (2) The lease, rental, contract, or other legal agreement
7 shall also require the party using the property to make a payment
8 in lieu of taxes to the local jurisdictions that would otherwise
9 receive property tax revenue, as if the property were not owned by
10 the state.

11 Sec. 942. The department shall ensure that any contract with a 12 public or private party to operate a facility to house state 13 prisoners includes a provision to allow access by both the office 14 of the legislative auditor general and the office of the legislative corrections ombudsman to the facility and to 15 appropriate records and documents related to the operation of the 16 17 facility. The department shall ensure that the demonstration model described in this subsection is implemented in a manner that ensures at least all of the following:

(a) That any changes made to a Medicaid waiver or Medicaid
state plan to implement the demonstration model described in this
subsection must only be in effect for the duration of the
demonstration model described in this subsection.

27

(b) That the demonstration model described in this subsection

10 Sec. 299. (1) No state department or agency shall issue a 11 request for proposal (RFP) for a contract in excess of 12 \$5,000,000.00, unless the department or agency has first considered 13 issuing a request for information (RFI) or a request for 14 qualification (RFQ) relative to that contract to better enable the 15 department or agency to learn more about the market for the products or services that are the subject of the RFP. The 16 17 department or agency shall notify the department of technology, 18 management, and budget of the evaluation process used to determine 19 if an RFI or RFQ was not necessary prior to issuing the RFP.

The notification to 24 vendors shall include details on the RFP process, including the 25 respective RFP scores and the respective cost for each vendor. If 26 the highest scored RFP or lowest cost RFP does not receive the 27 contract for an existing service offered by the department, the

391

notification shall issue an explanation for the reasons that the 1 2 highest scored RFP or lowest cost RFP did not receive the contract 3 and detail the incremental cost target amount or service level 4 required that was required to migrate the service to a new vendor. 5 Additionally, the department shall include in the notification 6 details as to why a cost or service difference is justifiable if 7 the highest scored or lowest cost vendor does not receive the 8 contract.

9 (3) The department shall submit to the senate and house 10 appropriations subcommittees on the department budget, the senate 11 and house fiscal agencies, the senate and house policy offices, and 12 the state budget office by September 30 of the current fiscal year 13 a report that summarizes all RFPs during the current fiscal year 14 where an existing service received proposals by multiple vendors. The report shall list all finalized RFPs where there was a 15 16 divergence from awarding the contract to the lowest cost or highest 17 scoring vendor. The report shall also include the cost or service 18 threshold required by department policy that must be satisfied in 19 order for an existing contract to be received by a new vendor.

393

1 CHILD SUPPORT ENFORCEMENT

Sec. 401. (1) The appropriations in part 1 assume a total
federal child support incentive payment of \$26,500,000.00.

4 (2) From the federal money received for child support
5 incentive payments, \$12,000,000.00 shall be retained by the state
6 and expended for child support program expenses.

7 (3) From the federal money received for child support
8 incentive payments, \$14,500,000.00 shall be paid to the counties

10 performance measures as established in 45 CFR 305.2.

(4) If the child support incentive payment to the state from the federal government is greater than \$26,500,000.00, then 100% of the excess shall be retained by the state and is appropriated until the total retained by the state reaches \$15,397,400.00.

(5) If the child support incentive payment to the state from the federal government is greater than the amount needed to satisfy the provisions identified in subsections (1), (2), (3), and (4), the additional funds shall be subject to appropriation by the legislature.

Sec. 409. (1) If statewide retained child support collections
exceed \$38,300,000.00, 75% of the amount in excess of
\$38,300,000.00 is appropriated to legal support contracts. This
excess appropriation may be distributed to eligible counties to
supplement and not supplant county title IV-D funding.

(2) Each county whose retained child support collections in
 the current fiscal year exceed its fiscal year 2004-2005 retained
 child support collections, excluding tax offset and financial
 institution data match collections in both the current fiscal year

 the 75% excess.

7 Sec. 410. (1) If title IV-D-related child support collections are escheated, the state budget director is authorized to adjust 8 9 the sources of financing for the funds appropriated in part 1 for 10 legal support contracts to reduce federal authorization by 66% of 11 the escheated amount and increase general fund/general purpose 12 authorization by the same amount. This budget adjustment is required to offset the loss of federal revenue due to the escheated 13 14 amount being counted as title IV-D program income in accordance with federal regulations at 45 CFR 304.50. 15

16 (2) The department shall notify the chairs of the house and 17 senate appropriations subcommittees on the department budget and 18 the house and senate fiscal agencies within 15 days of the 19 authorization adjustment in subsection (1).
