

POSITION POSTING

FISCAL ANALYST

The House Fiscal Agency (HFA) is a nonpartisan agency within the Michigan House of Representatives. Agency personnel provide confidential, nonpartisan expertise to House Appropriations Committee members and all other members of the House on all legislative fiscal matters.

Position Description: HFA Fiscal Analysts review the Governor's budget recommendation and assist legislators in developing budgetary alternatives; review and prepare budget bills, supplemental appropriations, and certain transfer requests; provide fiscal impact statements on legislative proposals; research and analyze fiscal issues at the request of Representatives; monitor state and national situations for budgetary implications; and prepare reports and documents to assist legislative deliberations.

Salary: Commensurate with experience.

Minimum Qualifications: Requires a degree in public policy, public administration, economics, governmental finance, or other appropriate field of study. Master's degree strongly preferred. Must have strong quantitative skills, qualitative research skills, the ability to effectively communicate public policy issues verbally and in writing, proficiency in developing and using spreadsheet and database applications, and the ability to work effectively with legislators, legislative staff, and governmental and private sector executives. Practical experience with budget analysis and/or the legislative process are desirable.

Governing Caucus: NONPARTISAN

The position posting will remain open until filled.
