8 enrolled in a preschool program operated by a district in its
9 facilities.

10 (3) "Extended school year" means an educational program 11 conducted by a district in which pupils must be enrolled but not 12 necessarily in attendance on the pupil membership count day in an 13 extended year program. pupils residing in the operating district. In addition, special education center program pupils placed part-time in noncenter programs to comply with the least restrictive environment provisions of section 612 of part B of the individuals with disabilities education act, 20 USC 1412, may be considered center program pupils for pupil accounting purposes for the time scheduled in either a center program or a noncenter program.

A district's, public school 26 academy's, or intermediate district's membership shall be adjusted 27 as provided under section 25e for pupils who enroll in the

district, public school academy, or intermediate district after the 1 pupil membership count day. All pupil counts used in this 2 subsection are as determined by the department and calculated by 3 4 adding the number of pupils registered for attendance plus pupils received by transfer and minus pupils lost as defined by rules 5 promulgated by the superintendent, and as corrected by a subsequent 6 7 department audit. For the purposes of this section and section 6a, for a school of excellence that is a cyber school, as defined in 8 section 551 of the revised school code, MCL 380.551, and is in 9 compliance with section 553a of the revised school code, MCL 10 11 380.553a, a pupil's participation in the cyber school's educational 12 program is considered regular daily attendance; for the education 13 achievement system, a pupil's participation in an online A VIRTUAL 14 educational program of the education achievement system or of an achievement school is considered regular daily attendance; and for 15 a district a pupil's participation in an online A VIRTUAL course as 16 17 defined in section 21f is considered regular daily attendance. The amount of the foundation allowance for a pupil in membership is 18 19 determined under section 20. In making the calculation of 20 membership, all of the following, as applicable, apply to determining the membership of a district, a public school academy, 21 22 the education achievement system, or an intermediate district:

(a) Except as otherwise provided in this subsection, and
pursuant to subsection (6), a pupil shall be counted in membership
in the pupil's educating district or districts. An individual pupil
shall not be counted for more than a total of 1.0 full-time equated
membership.

6

1 (b) If a pupil is educated in a district other than the 2 pupil's district of residence, if the pupil is not being educated as part of a cooperative education program, if the pupil's district 3 4 of residence does not give the educating district its approval to 5 count the pupil in membership in the educating district, and if the 6 pupil is not covered by an exception specified in subsection (6) to 7 the requirement that the educating district must have the approval of the pupil's district of residence to count the pupil in 8 membership, the pupil shall not be counted in membership in any 9 district. 10

(c) A special education pupil educated by the intermediate
district shall be counted in membership in the intermediate
district.

(d) A pupil placed by a court or state agency in an on-grounds program of a juvenile detention facility, a child caring institution, or a mental health institution, or a pupil funded under section 53a, shall be counted in membership in the district or intermediate district approved by the department to operate the program.

(e) A pupil enrolled in the Michigan schools for the deaf and
blind shall be counted in membership in the pupil's intermediate
district of residence.

(f) A pupil enrolled in a career and technical education program supported by a millage levied over an area larger than a single district or in an area vocational-technical education program established pursuant to section 690 of the revised school code, MCL 380.690, shall be counted only in the pupil's district of

1 residence.

2 (g) A pupil enrolled in a public school academy shall be3 counted in membership in the public school academy.

4 (h) A pupil enrolled in an achievement school shall be counted5 in membership in the education achievement system.

6 (i) For a new district or public school academy beginning its
7 operation after December 31, 1994, or for the education achievement
8 system or an achievement school, membership for the first 2 full or
9 partial fiscal years of operation shall be determined as follows:

(*i*) If operations begin before the pupil membership count day 10 11 for the fiscal year, membership is the average number of full-time 12 equated pupils in grades K to 12 actually enrolled and in regular daily attendance on the pupil membership count day for the current 13 14 school year and on the supplemental count day for the current school year, as determined by the department and calculated by 15 adding the number of pupils registered for attendance on the pupil 16 17 membership count day plus pupils received by transfer and minus pupils lost as defined by rules promulgated by the superintendent, 18 19 and as corrected by a subsequent department audit, plus the final 20 audited count from the supplemental count day for the current 21 school year, and dividing that sum by 2.

(ii) If operations begin after the pupil membership count day for the fiscal year and not later than the supplemental count day for the fiscal year, membership is the final audited count of the number of full-time equated pupils in grades K to 12 actually enrolled and in regular daily attendance on the supplemental count day for the current school year.

(j) If a district is the authorizing body for a public school 1 2 academy, then, in the first school year in which pupils are counted in membership on the pupil membership count day in the public 3 4 school academy, the determination of the district's membership 5 shall exclude from the district's pupil count for the immediately preceding supplemental count day any pupils who are counted in the 6 public school academy on that first pupil membership count day who 7 were also counted in the district on the immediately preceding 8 9 supplemental count day.

10 (k) In a district, a public school academy, the education 11 achievement system, or an intermediate district operating an 12 extended school year program approved by the superintendent, a 13 pupil enrolled, but not scheduled to be in regular daily attendance 14 on a pupil membership count day, shall be counted.

15 (1) To be counted in membership, a pupil shall meet the 16 minimum age requirement to be eligible to attend school under 17 section 1147 of the revised school code, MCL 380.1147, or shall be 18 enrolled under subsection (3) of that section, and shall be less 19 than 20 years of age on September 1 of the school year except as 20 follows:

(i) A special education pupil who is enrolled and receiving
instruction in a special education program or service approved by
the department, who does not have a high school diploma, and who is
less than 26 years of age as of September 1 of the current school
year shall be counted in membership.

26 (*ii*) A pupil who is determined by the department to meet all27 of the following may be counted in membership:

(A) Is enrolled in a public school academy or an alternative
 education high school diploma program, that is primarily focused on
 educating homeless pupils.

4 (B) Had dropped out of school for more than 1 year and has re-5 entered school.

6 (C) Is less than 22 years of age as of September 1 of the7 current school year.

8 (D) Is considered to be homeless under 42 USC 11302. , or was
9 counted in membership under this subparagraph in 2014-2015.

10 (iii) If a child does not meet the minimum age requirement to 11 be eligible to attend school for that school year under section 12 1147 of the revised school code, MCL 380.1147, but will be 5 years of age not later than December 1 of that school year, the district 13 may count the child in membership for that school year if the 14 parent or legal guardian has notified the district in writing that 15 he or she intends to enroll the child in kindergarten for that 16 17 school year.

18 (m) An individual who has obtained a high school diploma shall 19 not be counted in membership. An individual who has obtained a 20 general educational development (G.E.D.) HIGH SCHOOL EQUIVALENCY 21 certificate shall not be counted in membership unless the 22 individual is a student with a disability as defined in R 340.1702 23 of the Michigan administrative code. An individual participating in 24 a job training program funded under former section 107a or a jobs program funded under former section 107b, administered by the 25 26 Michigan strategic fund, TALENT AND ECONOMIC DEVELOPMENT AGENCY, or 27 participating in any successor of either of those 2 programs, shall

1 not be counted in membership.

2 (n) If a pupil counted in membership in a public school academy or the education achievement system is also educated by a 3 4 district or intermediate district as part of a cooperative 5 education program, the pupil shall be counted in membership only in 6 the public school academy or the education achievement system 7 unless a written agreement signed by all parties designates the party or parties in which the pupil shall be counted in membership, 8 9 and the instructional time scheduled for the pupil in the district or intermediate district shall be included in the full-time equated 10 11 membership determination under subdivision (q) and section 101. 12 However, for pupils receiving instruction in both a public school 13 academy or the education achievement system and in a district or 14 intermediate district but not as a part of a cooperative education 15 program, the following apply:

(i) If the public school academy or the education achievement 16 17 system provides instruction for at least 1/2 of the class hours required under section 101, the public school academy or the 18 19 education achievement system shall receive as its prorated share of 20 the full-time equated membership for each of those pupils an amount 21 equal to 1 times the product of the hours of instruction the public 22 school academy or the education achievement system provides divided 23 by the number of hours required under section 101 for full-time 24 equivalency, and the remainder of the full-time membership for each 25 of those pupils shall be allocated to the district or intermediate 26 district providing the remainder of the hours of instruction.

27

(ii) If the public school academy or the education achievement

system provides instruction for less than 1/2 of the class hours 1 required under section 101, the district or intermediate district 2 providing the remainder of the hours of instruction shall receive 3 4 as its prorated share of the full-time equated membership for each 5 of those pupils an amount equal to 1 times the product of the hours of instruction the district or intermediate district provides 6 divided by the number of hours required under section 101 for full-7 time equivalency, and the remainder of the full-time membership for 8 9 each of those pupils shall be allocated to the public school 10 academy or the education achievement system.

(o) An individual less than 16 years of age as of September 1 of the current school year who is being educated in an alternative education program shall not be counted in membership if there are also adult education participants being educated in the same program or classroom.

16 (p) The department shall give a uniform interpretation of17 full-time and part-time memberships.

(q) The number of class hours used to calculate full-time 18 19 equated memberships shall be consistent with section 101. In 20 determining full-time equated memberships for pupils who are 21 enrolled in a postsecondary institution, a pupil shall not be 22 considered to be less than a full-time equated pupil solely because 23 of the effect of his or her postsecondary enrollment, including 24 necessary travel time, on the number of class hours provided by the 25 district to the pupil.

26 (r) Full-time equated memberships for pupils in kindergarten27 shall be determined by dividing the number of instructional hours

TAV

scheduled and provided per year per kindergarten pupil by the same 1 2 number used for determining full-time equated memberships for pupils in grades 1 to 12. However, to the extent allowable under 3 4 federal law, for a district or public school academy that provides 5 evidence satisfactory to the department that it used federal title I money in the 2 immediately preceding school fiscal years to fund 6 full-time kindergarten, full-time equated memberships for pupils in 7 kindergarten shall be determined by dividing the number of class 8 hours scheduled and provided per year per kindergarten pupil by a 9 number equal to 1/2 the number used for determining full-time 10 11 equated memberships for pupils in grades 1 to 12. The change in the 12 counting of full-time equated memberships for pupils in kindergarten that took effect for 2012-2013 is not a mandate. 13

14 (s) For a district, a public school academy, or the education achievement system that has pupils enrolled in a grade level that 15 was not offered by the district, the public school academy, or the 16 17 education achievement system in the immediately preceding school 18 year, the number of pupils enrolled in that grade level to be 19 counted in membership is the average of the number of those pupils 20 enrolled and in regular daily attendance on the pupil membership 21 count day and the supplemental count day of the current school 22 year, as determined by the department. Membership shall be 23 calculated by adding the number of pupils registered for attendance 24 in that grade level on the pupil membership count day plus pupils received by transfer and minus pupils lost as defined by rules 25 26 promulgated by the superintendent, and as corrected by subsequent 27 department audit, plus the final audited count from the

supplemental count day for the current school year, and dividing
 that sum by 2.

3 (t) A pupil enrolled in a cooperative education program may be
4 counted in membership in the pupil's district of residence with the
5 written approval of all parties to the cooperative agreement.

(u) If, as a result of a disciplinary action, a district 6 determines through the district's alternative or disciplinary 7 education program that the best instructional placement for a pupil 8 9 is in the pupil's home or otherwise apart from the general school population, if that placement is authorized in writing by the 10 11 district superintendent and district alternative or disciplinary 12 education supervisor, and if the district provides appropriate instruction as described in this subdivision to the pupil at the 13 14 pupil's home or otherwise apart from the general school population, the district may count the pupil in membership on a pro rata basis, 15 with the proration based on the number of hours of instruction the 16 17 district actually provides to the pupil divided by the number of hours required under section 101 for full-time equivalency. For the 18 19 purposes of this subdivision, a district shall be considered to be 20 providing appropriate instruction if all of the following are met:

(i) The district provides at least 2 nonconsecutive hours of instruction per week to the pupil at the pupil's home or otherwise apart from the general school population under the supervision of a certificated teacher.

(*ii*) The district provides instructional materials, resources,
and supplies that are comparable to those otherwise provided in the
district's alternative education program.

(iii) Course content is comparable to that in the district's
 alternative education program.

3 (*iv*) Credit earned is awarded to the pupil and placed on the4 pupil's transcript.

(v) If a pupil was enrolled in a public school academy on the 5 pupil membership count day, if the public school academy's contract 6 with its authorizing body is revoked or the public school academy 7 otherwise ceases to operate, and if the pupil enrolls in a district 8 or the education achievement system within 45 days after the pupil 9 membership count day, the department shall adjust the district's or 10 11 the education achievement system's pupil count for the pupil 12 membership count day to include the pupil in the count.

(w) For a public school academy that has been in operation for 13 14 at least 2 years and that suspended operations for at least 1 semester and is resuming operations, membership is the sum of the 15 product of .90.85 times the number of full-time equated pupils in 16 17 grades K to 12 actually enrolled and in regular daily attendance on 18 the first pupil membership count day or supplemental count day, 19 whichever is first, occurring after operations resume, plus the 20 product of .10 .15 times the final audited count from the most recent pupil membership count day or supplemental count day that 21 occurred before suspending operations, as determined by the 22 23 superintendent.

(x) If a district's membership for a particular fiscal year,
as otherwise calculated under this subsection, would be less than
1,550 pupils and the district has 4.5 or fewer pupils per square
mile, as determined by the department, and if the district does not

receive funding under section 22d(2), the district's membership 1 2 shall be considered to be the membership figure calculated under this subdivision. If a district educates and counts in its 3 4 membership pupils in grades 9 to 12 who reside in a contiguous 5 district that does not operate grades 9 to 12 and if 1 or both of 6 the affected districts request the department to use the determination allowed under this sentence, the department shall 7 include the square mileage of both districts in determining the 8 9 number of pupils per square mile for each of the districts for the 10 purposes of this subdivision. The membership figure calculated 11 under this subdivision is the greater of the following:

Notwithstanding any other provision in this article, state aid overpayments to a district, other than 6 overpayments in payments for special education or special education 7 transportation, may be recovered from any payment made under this 8 article other than a special education or special education 9 10 transportation payment, from the proceeds of a loan to the district 11 under the emergency municipal loan act, 1980 PA 243, MCL 141.931 to 12 141.942, or from the proceeds of millage levied or pledged under section 1211 of the revised school code, MCL 380.1211. State aid 13 14 overpayments made in special education or special education transportation payments may be recovered from subsequent special 15 16 education or special education transportation payments, from the 17 proceeds of a loan to the district under the emergency municipal loan act, 1980 PA 243, MCL 141.931 to 141.942, or from the proceeds 18 19 of millage levied or pledged under section 1211 of the revised 20 school code, MCL 380.1211.

A deduction due to an adjustment made as a result of an audit conducted by or for the department, or as a result of information obtained by the department from the district, an intermediate district, the department of treasury, or the office of auditor general, shall be

deducted from the district's apportionments when the adjustment is 1 2 finalized. At the request of the district and upon the district presenting evidence satisfactory to the department of the hardship, 3 4 the department may grant up to an additional 4 years for the adjustment and may advance payments to the district otherwise 5 authorized under this article if the district would otherwise 6 experience a significant hardship in satisfying its financial 7 obligations. For a district that is a strict discipline academy 8 established under sections 1311b to 1311m of the revised school 9 code, MCL 380.1311b to 380.1311m, and that claimed a hardship in 10 11 2014-2015 because of an overpayment caused by a miscalculation of 12 its pupil membership for 2013-2014, the department shall consider 13 the amount of repayment made by the district as of the effective 14 date of the amendatory act that added this sentence to constitute 15 full repayment and the district is not required to continue making 16 repayment for the overpayment that occurred in 2013-2014.

17 (3) If, based on an audit by the department or the 18 department's designee or because of new or updated information 19 received by the department, the department determines that the 20 amount paid to a district or intermediate district under this 21 article for the current fiscal year or a prior fiscal year was 22 incorrect, the department shall make the appropriate deduction or 23 payment in the district's or intermediate district's allocation in 24 the next apportionment after the adjustment is finalized. The 25 deduction or payment shall be calculated according to the law in 26 effect in the fiscal year in which the incorrect amount was paid. 27 If the district does not receive an allocation for the fiscal year

or if the allocation is not sufficient to pay the amount of any deduction, the amount of any deduction otherwise applicable shall be satisfied from the proceeds of a loan to the district under the emergency municipal loan act, 1980 PA 243, MCL 141.931 to 141.942, or from the proceeds of millage levied or pledged under section 1211 of the revised school code, MCL 380.1211, as determined by the department.

8 (4) The department may conduct audits, or may direct audits by

11 program for which a district or intermediate district has received
12 funds under this article.

13 (5) Expenditures made by the department under this article
14 that are caused by the write-off of prior year accruals may be

1 20% of the total amount received by a district under sections 22a 2 and 22b or received by an intermediate district under section 81 may be transferred by the board to either the capital projects fund 3 4 or to the debt retirement fund for debt service. The money shall 5 not be applied or taken for a purpose other than as provided in this section. The department shall determine the reasonableness of 6 expenditures and may withhold from a recipient of funds under this 7 article the apportionment otherwise due upon a violation by the 8 9 recipient.

10 (2) A district or intermediate district shall adopt an annual 11 budget in a manner that complies with the uniform budgeting and accounting act, 1968 PA 2, MCL 141.421 to 141.440a. district's foundation allowance as calculated before any proration:

48

1 (a) Except as otherwise provided in this subdivision, for a 2 district that had a foundation allowance for the immediately preceding state fiscal year that was equal to the minimum 3 4 foundation allowance for the immediately preceding state fiscal 5 year, but less than the basic foundation allowance for the 6 immediately preceding state fiscal year, the district shall receive 7 a foundation allowance in an amount equal to the sum of the district's foundation allowance for the immediately preceding state 8 fiscal year plus the difference between twice the dollar amount of 9 10 the adjustment from the immediately preceding state fiscal year to 11 the current state fiscal year made in the basic foundation 12 allowance and [(the difference between the basic foundation 13 allowance for the current state fiscal year and basic foundation 14 allowance for the immediately preceding state fiscal year minus \$23.00) \$20.00) times (the difference between the district's 15 foundation allowance for the immediately preceding state fiscal 16 year and the minimum foundation allowance for the immediately 17 18 preceding state fiscal year) divided by the difference between the 19 basic foundation allowance for the current state fiscal year and 20 the minimum foundation allowance for the immediately preceding 21 state fiscal year]. However, the foundation allowance for a 22 district that had less than the basic foundation allowance for the 23 immediately preceding state fiscal year shall not exceed the basic 24 foundation allowance for the current state fiscal year. For the purposes of this subdivision, for 2015-2016, the minimum foundation 25 26 allowance for the immediately preceding state fiscal year shall be 27 considered to be \$7,251.00.

TAV

(b) Except as otherwise provided in this subsection, for a
district that in the immediately preceding state fiscal year had a
foundation allowance in an amount equal to the amount of the basic
foundation allowance for the immediately preceding state fiscal
year, the district shall receive a foundation allowance for 20152016-2016-2017 in an amount equal to the basic foundation allowance

amount equal to the sum of the district's actual 2014-2015
 foundation allowance as otherwise calculated under this section
 plus the per-pupil amount of the district's equity payment for

4 2014-2015 under section 22c as that section was in effect for 20145 2015.

(4) Except as otherwise provided in this subsection, the state 6 portion of a district's foundation allowance is an amount equal to 7 the district's foundation allowance or the basic foundation 8 9 allowance for the current state fiscal year, whichever is less, minus the local portion of the district's foundation allowance 10 11 divided by the district's membership excluding special education 12 pupils. For a district described in subsection (3)(c), the state portion of the district's foundation allowance is an amount equal 13 to \$6,962.00 plus the difference between the district's foundation 14 allowance for the current state fiscal year and the district's 15 foundation allowance for 1998-99, minus the local portion of the 16 17 district's foundation allowance divided by the district's 18 membership excluding special education pupils. For a district that 19 has a millage reduction required under section 31 of article IX of 20 the state constitution of 1963, the state portion of the district's foundation allowance shall be calculated as if that reduction did 21 22 not occur. For a receiving district, if school operating taxes continue to be levied on behalf of a dissolved district that has 23 24 been attached in whole or in part to the receiving district to 25 satisfy debt obligations of the dissolved district under section 12 26 of the revised school code, MCL 380.12, the taxable value per 27 membership pupil of property in the receiving district used for the

 property within the geographic area of the dissolved district.

(5) The allocation calculated under this section for a pupil 3 4 shall be based on the foundation allowance of the pupil's district 5 of residence. For a pupil enrolled pursuant to section 105 or 105c in a district other than the pupil's district of residence, the 6 allocation calculated under this section shall be based on the 7 lesser of the foundation allowance of the pupil's district of 8 9 residence or the foundation allowance of the educating district. 10 For a pupil in membership in a K-5, K-6, or K-8 district who is 11 enrolled in another district in a grade not offered by the pupil's district of residence, the allocation calculated under this section 12 shall be based on the foundation allowance of the educating 13 district if the educating district's foundation allowance is 14 greater than the foundation allowance of the pupil's district of 15 residence. THE CALCULATION UNDER THIS SUBSECTION SHALL TAKE INTO 16 ACCOUNT A DISTRICT'S PER-PUPIL ALLOCATION UNDER SECTION 20J. 17

(6) Except as otherwise provided in this subsection, for 18 19 pupils in membership, other than special education pupils, in a 20 public school academy, the allocation calculated under this section 21 is an amount per membership pupil other than special education 22 pupils in the public school academy equal to the foundation 23 allowance of the district in which the public school academy is 24 located or the state maximum public school academy allocation, 25 whichever is less. For pupils in membership, other than special 26 education pupils, in a public school academy that is a cyber school and is authorized by a school district, the allocation calculated 27

TAV

1 under this section is an amount per membership pupil other than 2 special education pupils in the public school academy equal to the foundation allowance of the district that authorized the public 3 4 school academy or the state maximum public school academy allocation, whichever is less. However, a public school academy 5 that had an allocation under this subsection before 2009-2010 that 6 was equal to the sum of the local school operating revenue per 7 membership pupil other than special education pupils for the 8 district in which the public school academy is located and the 9 state portion of that district's foundation allowance shall not 10 have that allocation reduced as a result of the 2010 amendment to 11 12 this subsection. Notwithstanding section 101, for a public school 13 academy that begins operations after the pupil membership count 14 day, the amount per membership pupil calculated under this subsection shall be adjusted by multiplying that amount per 15 membership pupil by the number of hours of pupil instruction 16 17 provided by the public school academy after it begins operations, 18 as determined by the department, divided by the minimum number of 19 hours of pupil instruction required under section 101(3). The 20 result of this calculation shall not exceed the amount per membership pupil otherwise calculated under this subsection. 21

(7) Except as otherwise provided in this subsection, for pupils attending an achievement school and in membership in the education achievement system, other than special education pupils, the allocation calculated under this section is an amount per membership pupil other than special education pupils equal to the foundation allowance of the district in which the achievement

53

school is located, not to exceed the basic foundation allowance. 1 Notwithstanding section 101, for an achievement school that begins 2 3 operation after the pupil membership count day, the amount per 4 membership pupil calculated under this subsection shall be adjusted 5 by multiplying that amount per membership pupil by the number of hours of pupil instruction provided by the achievement school after 6 7 it begins operations, as determined by the department, divided by the minimum number of hours of pupil instruction required under 8 section 101(3). The result of this calculation shall not exceed the 9 10 amount per membership pupil otherwise calculated under this 11 subsection. For the purposes of this subsection, if a public school 12 is transferred from a district to the state school reform/redesign district or the achievement authority under section 1280c of the 13 revised school code, MCL 380.1280c, that public school is 14 considered to be an achievement school within the education 15 achievement system and not a school that is part of a district, and 16 17 a pupil attending that public school is considered to be in membership in the education achievement system and not in 18 19 membership in the district that operated the school before the transfer. 20

(8) Subject to subsection (4), for a district that is formed or reconfigured after June 1, 2002 by consolidation of 2 or more districts or by annexation, the resulting district's foundation allowance under this section beginning after the effective date of the consolidation or annexation shall be the lesser of the sum of the average of the foundation allowances of each of the original or affected districts, calculated as provided in this section,

54

weighted as to the percentage of pupils in total membership in the
 resulting district who reside in the geographic area of each of the
 original or affected districts plus \$100.00 or the highest

foundation allowance among the original or affected districts. This
subsection does not apply to a receiving district unless there is a
subsequent consolidation or annexation that affects the district.
THE CALCULATION UNDER THIS SUBSECTION SHALL TAKE INTO ACCOUNT A

8 DISTRICT'S PER-PUPIL ALLOCATION UNDER SECTION 20J.

9 (9) Each fraction used in making calculations under this
10 section shall be rounded to the fourth decimal place and the dollar
11 amount of an increase in the basic foundation allowance shall be
12 rounded to the nearest whole dollar.

13 (10) State payments related to payment of the foundation
14 allowance for a special education pupil are not calculated under
15 this section but are instead calculated under section 51a.

16 (11) To assist the legislature in determining the basic 17 foundation allowance for the subsequent state fiscal year, each 18 revenue estimating conference conducted under section 367b of the 19 management and budget act, 1984 PA 431, MCL 18.1367b, shall 20 calculate a pupil membership factor, a revenue adjustment factor, 21 and an index as follows:

(a) The pupil membership factor shall be computed by dividing
the estimated membership in the school year ending in the current
state fiscal year, excluding intermediate district membership, by
the estimated membership for the school year ending in the
subsequent state fiscal year, excluding intermediate district
membership. If a consensus membership factor is not determined at

the revenue estimating conference, the principals of the revenue
 estimating conference shall report their estimates to the house and
 senate subcommittees responsible for school aid appropriations not
 later than 7 days after the conclusion of the revenue conference.

56

5 (b) The revenue adjustment factor shall be computed by dividing the sum of the estimated total state school aid fund 6 revenue for the subsequent state fiscal year plus the estimated 7 total state school aid fund revenue for the current state fiscal 8 year, adjusted for any change in the rate or base of a tax the 9 10 proceeds of which are deposited in that fund and excluding money 11 transferred into that fund from the countercyclical budget and 12 economic stabilization fund under the management and budget act, 1984 PA 431, MCL 18.1101 to 18.1594, by the sum of the estimated 13 total school aid fund revenue for the current state fiscal year 14 plus the estimated total state school aid fund revenue for the 15 immediately preceding state fiscal year, adjusted for any change in 16 17 the rate or base of a tax the proceeds of which are deposited in that fund. If a consensus revenue factor is not determined at the 18 19 revenue estimating conference, the principals of the revenue 20 estimating conference shall report their estimates to the house and 21 senate subcommittees responsible for school aid appropriations not 22 later than 7 days after the conclusion of the revenue conference.

(c) The index shall be calculated by multiplying the pupil membership factor by the revenue adjustment factor. If a consensus index is not determined at the revenue estimating conference, the principals of the revenue estimating conference shall report their estimates to the house and senate subcommittees responsible for

school aid appropriations not later than 7 days after the
 conclusion of the revenue conference.

3 (12) Payments to districts, public school academies, or the
4 education achievement system shall not be made under this section.
5 Rather, the calculations under this section shall be used to
6 determine the amount of state payments under section 22b.

7 (13) If an amendment to section 2 of article VIII of the state
8 constitution of 1963 allowing state aid to some or all nonpublic
9 schools is approved by the voters of this state, each foundation
10 allowance or per-pupil payment calculation under this section may
11 be reduced.

THE SUM OF ITS FOUNDATION ALLOWANCE UNDER SECTION 20 PLUS THE PERPUPIL ALLOCATION UNDER SUBSECTION (2), THE TOTAL PAYMENT TO THE

TAV

1 DISTRICT CALCULATED UNDER THIS SECTION SHALL BE THE PRODUCT OF THE 2 PER-PUPIL ALLOCATION UNDER SUBSECTION (2) MULTIPLIED BY THE 3 DISTRICT'S MEMBERSHIP EXCLUDING SPECIAL EDUCATION PUPILS. IF A 4 DISTRICT'S LOCAL REVENUE PER PUPIL EXCEEDS THE FOUNDATION ALLOWANCE 5 UNDER SECTION 20 BUT DOES NOT EXCEED THE SUM OF THE FOUNDATION 6 ALLOWANCE UNDER SECTION 20 PLUS THE PER-PUPIL ALLOCATION UNDER SUBSECTION (2), THE TOTAL PAYMENT TO THE DISTRICT CALCULATED UNDER 7 THIS SECTION SHALL BE THE PRODUCT OF THE DIFFERENCE BETWEEN THE SUM 8 9 OF THE FOUNDATION ALLOWANCE UNDER SECTION 20 PLUS THE PER-PUPIL 10 ALLOCATION UNDER SUBSECTION (2) MINUS THE LOCAL REVENUE PER PUPIL 11 MULTIPLIED BY THE DISTRICT'S MEMBERSHIP EXCLUDING SPECIAL EDUCATION 12 PUPILS. IF A DISTRICT'S LOCAL REVENUE PER PUPIL EXCEEDS THE SUM OF 13 THE FOUNDATION ALLOWANCE UNDER SECTION 20 PLUS THE PER-PUPIL ALLOCATION UNDER SUBSECTION (2), THERE IS NO PAYMENT CALCULATED 14 15 UNDER THIS SECTION FOR THE DISTRICT.

Unless 8 9 the pupil is newly enrolled in the pupil's primary district, the request for online course enrollment must be made in the academic 10 11 term, semester, trimester, or summer preceding the enrollment. A 12 district may not establish additional requirements that would 13 prohibit a pupil from taking an online course. Pursuant to section 24 25 11 of article IX of the state constitution of 1963, this guarantee 26 does not apply to a district in a year in which the district levies 27 a millage rate for school district operating purposes less than it

levied in 1994. However, subsection (2) applies to calculating the 1 payments under this section. Funds allocated under this section 2 that are not expended in the state fiscal year for which they were 3 4 allocated, as determined by the department, may be used to 5 supplement the allocations under sections 22b and 51c in order to 6 fully fund those calculated allocations for the same fiscal year. 7 (2) To ensure that a district receives an amount equal to the district's 1994-95 total state and local per pupil revenue for 8

9 school operating purposes, there is allocated to each district a 10 state portion of the district's 1994-95 foundation allowance in an 11 amount calculated as follows:

12 (a) Except as otherwise provided in this subsection, the state portion of a district's 1994-95 foundation allowance is an amount 13 14 equal to the district's 1994-95 foundation allowance or \$6,500.00, whichever is less, minus the difference between the sum of the 15 product of the taxable value per membership pupil of all property 16 17 in the district that is nonexempt property times the district's certified mills and, for a district with certified mills exceeding 18 19 12, the product of the taxable value per membership pupil of 20 property in the district that is commercial personal property times 21 the certified mills minus 12 mills and the quotient of the ad 22 valorem property tax revenue of the district captured under tax 23 increment financing acts divided by the district's membership. For 24 a district that has a millage reduction required under section 31 25 of article IX of the state constitution of 1963, the state portion 26 of the district's foundation allowance shall be calculated as if that reduction did not occur. For a receiving district, if school 27

(b) For a district that had a 1994-95 foundation allowance 15 greater than \$6,500.00, the state payment under this subsection 16 17 shall be the sum of the amount calculated under subdivision (a) plus the amount calculated under this subdivision. The amount 18 19 calculated under this subdivision shall be equal to the difference 20 between the district's 1994-95 foundation allowance minus \$6,500.00 21 and the current year hold harmless school operating taxes per pupil. If the result of the calculation under subdivision (a) is 22 23 negative, the negative amount shall be an offset against any state payment calculated under this subdivision. If the result of a 24 25 calculation under this subdivision is negative, there shall not be 26 a state payment or a deduction under this subdivision. The taxable 27 values per membership pupil used in the calculations under this

subdivision are as adjusted by ad valorem property tax revenue 1 2 captured under tax increment financing acts divided by the district's membership. For a receiving district, if school 3 4 operating taxes are to be levied on behalf of a dissolved district 5 that has been attached in whole or in part to the receiving district to satisfy debt obligations of the dissolved district 6 under section 12 of the revised school code, MCL 380.12, ad valorem 7 property tax revenue captured under tax increment financing acts do 8 9 not include ad valorem property tax revenue captured within the geographic boundaries of the dissolved district under tax increment 10 11 financing acts.

If an affected district's 1994-95 foundation allowance is less than 6 the 1994-95 basic foundation allowance, the amount of that 7 district's 1994-95 foundation allowance shall be considered for the 8 purpose of calculations under this subsection to be equal to the 9 amount of the 1994-95 basic foundation allowance. served when openings are available.

8 (2) After notification of funding allocations, an applicant
9 receiving funds under section 32d shall also submit an

32d remain after the initial allocation under subsection (4), the
allocation under this subsection shall be distributed to each
eligible applicant under section 32d in decreasing order of
concentration of eligible children as determined by the formula
under subsection (3). The allocation shall be determined by

152

1 multiplying the number of children SLOTS in each district within
2 the applicant's service area served FILLED in the immediately
3 preceding fiscal year or the number of children SLOTS the applicant
4 indicates it will be able to serve FILL under subsection (1)(c),
5 whichever is less, minus the number of children SLOTS for which the
6 applicant received funding in subsection (4) by \$3,625.00.

(6) If funds allocated for eligible applicants under section 7 8 32d remain after the allocations under subsections (4) and (5), remaining funds shall be distributed to each eligible applicant 9 10 under section 32d in decreasing order of concentration of eligible 11 children as determined by the formula under subsection (3). If the 12 number of children SLOTS the applicant indicates it will be able to serve FILL under subsection (1)(c) exceeds the number of children 13 **SLOTS** for which funds have been received under subsections (4) and 14 (5), the allocation under this subsection shall be determined by 15 multiplying the number of children SLOTS the applicant indicates it 16 17 will be able to serve FILL under subsection (1)(c) less the number of children SLOTS for which funds have been received under 18 19 subsections (4) and (5) by \$3,625.00 until the funds allocated for 20 eligible applicants in section 32d are distributed.

22 by funds other than those received under section 32d and therefore
23 offers full-day programs as part of its early childhood development
24 program shall receive priority in the allocation of funds under

allocated to the applicant as calculated under this section, an
applicant determines that it is able to include additional eligible
children in the great start readiness program without additional
funds under section 32d, the applicant may include additional
eligible children but shall not receive additional funding under
section 32d for those children.

 under this subsection shall be made as follows:

(a) The initial amount allocated to a district under this 6 7 subsection toward fulfilling the specified percentages shall be calculated by multiplying the district's special education pupil 8 membership, excluding pupils described in subsection (11), times 9 the foundation allowance under section 20 of the pupil's district 10 of residence PLUS THE AMOUNT OF THE DISTRICT'S PER-PUPIL ALLOCATION 11 12 UNDER SECTION 20J, not to exceed the basic foundation allowance 13 under section 20 for the current fiscal year, or, for a special 14 education pupil in membership in a district that is a public school 15 academy, times an amount equal to the amount per membership pupil calculated under section 20(6) or, for a pupil described in this 16 17 subsection who is counted in membership in the education 18 achievement system, times an amount equal to the amount per 19 membership pupil under section 20(7). For an intermediate district, 20 the amount allocated under this subdivision toward fulfilling the 21 specified percentages shall be an amount per special education 22 membership pupil, excluding pupils described in subsection (11), 23 and shall be calculated in the same manner as for a district, using 24 the foundation allowance under section 20 of the pupil's district 25 of residence, not to exceed the basic foundation allowance under 26 section 20 for the current fiscal year, AND THAT DISTRICT'S PER-27 PUPIL ALLOCATION UNDER SECTION 20J.

If 10 11 the amount allocated to a district or intermediate district for a 12 fiscal year under subsection (2)(b) is less than the sum of the amounts allocated to the district or intermediate district for 13 1996-97 under sections 52 and 58, there is allocated to the 14 district or intermediate district for the fiscal year an amount 15 equal to that difference, adjusted by applying the same proration 16 17 factor that was used in the distribution of funds under section 52 in 1996-97 as adjusted to the district's or intermediate district's 18 19 necessary costs of special education used in calculations for the 20 fiscal year. This adjustment is to reflect reductions in special 21 education program operations or services between 1996-97 and 22 subsequent fiscal years. Adjustments for reductions in special 23 education program operations or services shall be made in a manner 24 determined by the department and shall include adjustments for 25 program or service shifts.

If 6 the department determines that the sum of the amounts allocated for a fiscal year to a district or intermediate district under 7 subsection (2)(a) and (b) exceeds the sum of the amount necessary 8 to fulfill the specified percentages in subsection (2), then the 9 department shall deduct the amount of the excess from the 10 11 district's or intermediate district's payments under this article 12 for the fiscal year beginning on the October 1 following the determination and payments under subsection (3) shall be adjusted 13 14 as necessary. However, if the amount allocated under subsection (2)(a) in itself exceeds the amount necessary to fulfill the 15 16 specified percentages in subsection (2), there shall be no 17 deduction under this subsection.

18 (5) State funds shall be allocated on a total approved cost 19 basis. Federal funds shall be allocated under applicable federal 20 requirements, except that an amount not to exceed \$3,500,000.00 may 21 be allocated by the department each fiscal year for 2014-2015-2015-2016 and for 2015-2016-2016-2017 to districts, intermediate 22 23 districts, or other eligible entities on a competitive grant basis 24 for programs, equipment, and services that the department 25 determines to be designed to benefit or improve special education 26 on a statewide scale.

(a) "Total approved costs of special education" shall be 14 15 determined in a manner specified by the department and may include 16 indirect costs, but shall not exceed 115% of approved direct costs 17 for section 52 and section 53a programs. 25 Sec. 101. (1) To be eligible to receive state aid under this
26 article, not later than the fifth Wednesday after the pupil
27 membership count day and not later than the fifth Wednesday after

the supplemental count day, each district superintendent shall 1 2 submit to the center and the intermediate superintendent, in the form and manner prescribed by the center, the number of pupils 3 4 enrolled and in regular daily attendance in the district as of the 5 pupil membership count day and as of the supplemental count day, as applicable, for the current school year. In addition, a district 6 7 maintaining school during the entire year, as provided under section 1561 of the revised school code, MCL 380.1561, shall submit 8 9 to the center and the intermediate superintendent, in the form and 10 manner prescribed by the center, the number of pupils enrolled and 11 in regular daily attendance in the district for the current school 12 year pursuant to rules promulgated by the superintendent. Not later 13 than the sixth Wednesday after the pupil membership count day and 14 not later than the sixth Wednesday after the supplemental count day, the district shall certify the data in a form and manner 15 prescribed by the center and file the certified data with the 16 17 intermediate superintendent. If a district fails to submit and 18 certify the attendance data, as required under this subsection, the 19 center shall notify the department and state aid due to be 20 distributed under this article shall be withheld from the 21 defaulting district immediately, beginning with the next payment 22 after the failure and continuing with each payment until the 23 district complies with this subsection. If a district does not 24 comply with this subsection by the end of the fiscal year, the 25 district forfeits the amount withheld. A person who willfully 26 falsifies a figure or statement in the certified and sworn copy of 27 enrollment shall be punished in the manner prescribed by section

**1** 161.

2 (2) To be eligible to receive state aid under this article, 3 not later than the twenty-fourth Wednesday after the pupil 4 membership count day and not later than the twenty-fourth Wednesday after the supplemental count day, an intermediate district shall 5 submit to the center, in a form and manner prescribed by the 6 center, the audited enrollment and attendance data for the pupils 7 of its constituent districts and of the intermediate district. If 8 an intermediate district fails to submit the audited data as 9 required under this subsection, state aid due to be distributed 10 11 under this article shall be withheld from the defaulting 12 intermediate district immediately, beginning with the next payment after the failure and continuing with each payment until the 13 14 intermediate district complies with this subsection. If an intermediate district does not comply with this subsection by the 15 end of the fiscal year, the intermediate district forfeits the 16 17 amount withheld.

18 (3) Except as otherwise provided in subsections (11) and (12),19 all of the following apply to the provision of pupil instruction:

(a) Except as otherwise provided in this section, each
district shall provide at least 1,098 hours and, beginning in 20102011, the required minimum number of days of pupil instruction.
Beginning in 2014-2015, the required minimum number of days of
pupil instruction is 175. However, all of the following apply to
these requirements:

26 (i) If a collective bargaining agreement that provides a27 complete school calendar was in effect for employees of a district

### H05037'16 (H-1)

as of July 1, 2013, and if that school calendar is not in 1 2 compliance with this subsection, then this subsection does not apply to that district until after the expiration of that 3 4 collective bargaining agreement. If a district entered into a 5 collective bargaining agreement on or after July 1, 2013 and if that collective bargaining agreement did not provide for at least 6 175 days of pupil instruction beginning in 2014-2015, then the 7 department shall withhold from the district's total state school 8 aid an amount equal to 5% of the funding the district receives in 9 2014-2015 under sections 22a and 22b. 10

(*ii*) A district may apply for a waiver under subsection (9)from the requirements of this subdivision.

(b) Beginning in 2016-2017, the required minimum number of 13 days of pupil instruction is 180. If a collective bargaining 14 agreement that provides a complete school calendar was in effect 15 for employees of a district as of the effective date of the 16 amendatory act that added this subdivision, and if that school 17 calendar is not in compliance with this subdivision, then this 18 19 subdivision does not apply to that district until after the 20 expiration of that collective bargaining agreement. A district may apply for a waiver under subsection (9) from the requirements of 21 22 this subdivision.

(c) Except as otherwise provided in this article, a district failing to comply with the required minimum hours and days of pupil instruction under this subsection shall forfeit from its total state aid allocation an amount determined by applying a ratio of the number of hours or days the district was in noncompliance in

227

1 relation to the required minimum number of hours and days under 2 this subsection. Not later than August 1, the board of each district shall EITHER certify to the department THAT THE DISTRICT 3 4 WAS IN FULL COMPLIANCE WITH THIS SECTION REGARDING the number of 5 hours and days of pupil instruction in the previous school year, OR REPORT TO THE DEPARTMENT, IN A FORM AND MANNER PRESCRIBED BY THE 6 CENTER, EACH INSTANCE OF NONCOMPLIANCE. If the district did not 7 provide at least the required minimum number of hours and days of 8 9 pupil instruction under this subsection, the deduction of state aid shall be made in the following fiscal year from the first payment 10 11 of state school aid. A district is not subject to forfeiture of 12 funds under this subsection for a fiscal year in which a forfeiture 13 was already imposed under subsection (6).

14 (d) Hours or days lost because of strikes or teachers'
15 conferences shall not be counted as hours or days of pupil
16 instruction.

(e) If a collective bargaining agreement that provides a complete school calendar is in effect for employees of a district as of October 19, 2009, and if that school calendar is not in compliance with this subsection, then this subsection does not apply to that district until after the expiration of that collective bargaining agreement.

(f) Except as otherwise provided in subdivisions (g) and (h), a district not having at least 75% of the district's membership in attendance on any day of pupil instruction shall receive state aid in that proportion of 1/180 that the actual percent of attendance bears to the specified percentage.

#### 228

1 (g) If a district adds 1 or more days of pupil instruction to 2 the end of its instructional calendar for a school year to comply with subdivision (a) because the district otherwise would fail to 3 4 provide the required minimum number of days of pupil instruction 5 even after the operation of subsection (4) due to conditions not within the control of school authorities, then subdivision (f) does 6 not apply for any day of pupil instruction that is added to the end 7 of the instructional calendar. Instead, for any of those days, if 8 the district does not have at least 60% of the district's 9 membership in attendance on that day, the district shall receive 10 11 state aid in that proportion of 1/180 that the actual percentage of 12 attendance bears to the specified percentage. For any day of pupil instruction added to the instructional calendar as described in 13 14 this subdivision, the district shall report to the department the percentage of the district's membership that is in attendance, in 15 16 the form and manner prescribed by the department.

17 (h) At the request of a district that operates a department-18 approved alternative education program and that does not provide 19 instruction for pupils in all of grades K to 12, the superintendent 20 shall grant a waiver from the requirements of subdivision (f). The 21 waiver shall indicate that an eligible district is subject to the 22 proration provisions of subdivision (f) only if the district does 23 not have at least 50% of the district's membership in attendance on any day of pupil instruction. In order to be eligible for this 24 25 waiver, a district must maintain records to substantiate its 26 compliance with the following requirements:

27

(i) The district offers the minimum hours of pupil instruction

1 as required under this section.

2 (ii) For each enrolled pupil, the district uses appropriate
3 academic assessments to develop an individual education plan that
4 leads to a high school diploma.

5 (*iii*) The district tests each pupil to determine academic
6 progress at regular intervals and records the results of those
7 tests in that pupil's individual education plan.

8 (i) All of the following apply to a waiver granted under9 subdivision (h):

10 (i) If the waiver is for a blended model of delivery, a waiver 11 that is granted for the 2011-2012 fiscal year or a subsequent 12 fiscal year remains in effect unless it is revoked by the 13 superintendent.

(ii) If the waiver is for a 100% online model of delivery and 14 the educational program for which the waiver is granted makes 15 educational services available to pupils for a minimum of at least 16 17 1,098 hours during a school year and ensures that each pupil 18 participates in the educational program for at least 1,098 hours 19 during a school year, a waiver that is granted for the 2011-2012 20 fiscal year or a subsequent fiscal year remains in effect unless it 21 is revoked by the superintendent.

(*iii*) A waiver that is not a waiver described in subparagraph
(*i*) or (*ii*) is valid for 1 fiscal year and must be renewed annually
to remain in effect.

(j) The superintendent shall promulgate rules for theimplementation of this subsection.

(4) Except as otherwise provided in this subsection, the first

With the approval of the superintendent of public 7 instruction, the department shall count as hours and days of pupil 8 9 instruction for a fiscal year not more than 3 additional days or the equivalent number of additional hours for which pupil 10 11 instruction is not provided in a district due to unusual and 12 extenuating occurrences resulting from conditions not within the control of school authorities such as those conditions described in 13 14 this subsection. Subsequent such hours or days shall not be counted as hours or days of pupil instruction. 15

16 (5) A district shall not forfeit part of its state aid 17 appropriation because it adopts or has in existence an alternative 18 scheduling program for pupils in kindergarten if the program 19 provides at least the number of hours required under subsection (3) 20 for a full-time equated membership for a pupil in kindergarten as 21 provided under section 6(4).

(6) In addition to any other penalty or forfeiture under this section, if at any time the department determines that 1 or more of the following have occurred in a district, the district shall forfeit in the current fiscal year beginning in the next payment to be calculated by the department a proportion of the funds due to the district under this article that is equal to the proportion

231

below the required minimum number of hours and days of pupil
 instruction under subsection (3), as specified in the following:

3 (a) The district fails to operate its schools for at least the
4 required minimum number of hours and days of pupil instruction
5 under subsection (3) in a school year, including hours and days
6 counted under subsection (4).

7 (b) The board of the district takes formal action not to
8 operate its schools for at least the required minimum number of
9 hours and days of pupil instruction under subsection (3) in a
10 school year, including hours and days counted under subsection (4).

(7) In providing the minimum number of hours and days of pupil instruction required under subsection (3), a district shall use the following guidelines, and a district shall maintain records to substantiate its compliance with the following guidelines:

(a) Except as otherwise provided in this subsection, a pupil must be scheduled for at least the required minimum number of hours of instruction, excluding study halls, or at least the sum of 90 hours plus the required minimum number of hours of instruction, including up to 2 study halls.

(b) The time a pupil is assigned to any tutorial activity in a
block schedule may be considered instructional time, unless that
time is determined in an audit to be a study hall period.

(c) Except as otherwise provided in this subdivision, a pupil in grades 9 to 12 for whom a reduced schedule is determined to be in the individual pupil's best educational interest must be scheduled for a number of hours equal to at least 80% of the required minimum number of hours of pupil instruction to be

# H05037'16 (H-1)

TAV

considered a full-time equivalent pupil. A pupil in grades 9 to 12
 who is scheduled in a 4-block schedule may receive a reduced
 schedule under this subsection if the pupil is scheduled for a
 number of hours equal to at least 75% of the required minimum
 number of hours of pupil instruction to be considered a full-time
 equivalent pupil.

7 (d) If a pupil in grades 9 to 12 who is enrolled in a cooperative education program or a special education pupil cannot 8 receive the required minimum number of hours of pupil instruction 9 solely because of travel time between instructional sites during 10 11 the school day, that travel time, up to a maximum of 3 hours per school week, shall be considered to be pupil instruction time for 12 13 the purpose of determining whether the pupil is receiving the required minimum number of hours of pupil instruction. However, if 14 a district demonstrates to the satisfaction of the department that 15 the travel time limitation under this subdivision would create 16 17 undue costs or hardship to the district, the department may consider more travel time to be pupil instruction time for this 18 19 purpose.

(e) In grades 7 through 12, instructional time that is part of a junior reserve officer training corps (JROTC) program shall be considered to be pupil instruction time regardless of whether the instructor is a certificated teacher if all of the following are met:

(i) The instructor has met all of the requirements established
by the United States Department of Defense and the applicable
branch of the armed services for serving as an instructor in the

# H05037'16 (H-1)

TAV

1 junior reserve officer training corps program.

(ii) The board of the district or intermediate district
employing or assigning the instructor complies with the
requirements of sections 1230 and 1230a of the revised school code,
MCL 380.1230 and 380.1230a, with respect to the instructor to the
same extent as if employing the instructor as a regular classroom
teacher.

8 (8) Except as otherwise provided in subsections (11) and (12),
9 the department shall apply the guidelines under subsection (7) in
10 calculating the full-time equivalency of pupils.

11 (9) Upon application by the district for a particular fiscal 12 year, the superintendent shall waive for a district the minimum number of hours and days of pupil instruction requirement of 13 14 subsection (3) for a department-approved alternative education program or another innovative program approved by the department, 15 including a 4-day school week. If a district applies for and 16 17 receives a waiver under this subsection and complies with the terms of the waiver, the district is not subject to forfeiture under this 18 19 section for the specific program covered by the waiver. If the 20 district does not comply with the terms of the waiver, the amount of the forfeiture shall be calculated based upon a comparison of 21 the number of hours and days of pupil instruction actually provided 22 23 to the minimum number of hours and days of pupil instruction required under subsection (3). Pupils enrolled in a department-24 25 approved alternative education program under this subsection shall 26 be reported to the center in a form and manner determined by the 27 center. All of the following apply to a waiver granted under this

# H05037'16 (H-1)

1 subsection:

2 (a) If the waiver is for a blended model of delivery, a waiver
3 that is granted for the 2011-2012 fiscal year or a subsequent
4 fiscal year remains in effect unless it is revoked by the
5 superintendent.

6 (b) If the waiver is for a 100% online model of delivery and 7 the educational program for which the waiver is granted makes 8 educational services available to pupils for a minimum of at least 9 1,098 hours during a school year and ensures that each pupil is on 10 track for course completion at proficiency level, a waiver that is 11 granted for the 2011-2012 fiscal year or a subsequent fiscal year 12 remains in effect unless it is revoked by the superintendent.

13 (c) A waiver that is not a waiver described in subdivision (a)
14 or (b) is valid for 1 fiscal year and must be renewed annually to
15 remain in effect.

(10) Until 2014-2015, a district may count up to 38 hours of 16 17 qualifying professional development for teachers as hours of pupil instruction. However, if a collective bargaining agreement that 18 19 provides for the counting of up to 38 hours of qualifying 20 professional development for teachers as pupil instruction is in 21 effect for employees of a district as of July 1, 2013, then until 22 the school year that begins after the expiration of that collective 23 bargaining agreement a district may count up to the contractually specified number of hours of qualifying professional development 24 25 for teachers as hours of pupil instruction. Professional 26 development provided online is allowable and encouraged, as long as 27 the instruction has been approved by the district. The department

#### 235

shall issue a list of approved online professional development
 providers, which shall include the Michigan Virtual School. As used
 in this subsection, "qualifying professional development" means
 professional development that is focused on 1 or more of the
 following:

6 (a) Achieving or improving adequate yearly progress as defined7 under the no child left behind act of 2001, Public Law 107-110.

8 (b) Achieving accreditation or improving a school's
9 accreditation status under section 1280 of the revised school code,
10 MCL 380.1280.

(c) Achieving highly qualified teacher status as defined underthe no child left behind act of 2001, Public Law 107-110.

13

(d) Integrating technology into classroom instruction.

14

(e) Maintaining teacher certification.

15 (11) Subsections (3) and (8) do not apply to a school of 16 excellence that is a cyber school, as defined in section 551 of the 17 revised school code, MCL 380.551, and is in compliance with section 18 553a of the revised school code, MCL 380.553a.

19 (12) Subsections (3) and (8) do not apply to eligible pupils
20 enrolled in a dropout recovery program that meets the requirements
