16 Sec. 412. (1) From the funds appropriated in part 1 for  
17 offender success programming, the department shall establish  
18 medication-assisted treatment offender success pilot programs. A  
19 medication-assisted treatment offender success pilot program must  
20 provide prerelease treatment and postrelease referral for opioid-  
21 or alcohol-addicted offenders who voluntarily participate in a  
22 medication-assisted treatment offender success pilot program. The  
23 department shall collaborate with residential and nonresidential  
24 substance abuse treatment providers and with community-based  
25 clinics to provide postrelease assessment and treatment. The  
26 programs shall employ a multifaceted approach to treatment,  
27 including various forms of medication-assisted treatment approved  
28 by the Food and Drug Administration for the treatment of opioid use  
29 disorder or alcohol use disorder, counseling, and postrelease

1 referral to community-based providers. If clinically appropriate,  
2 the department shall consider the use of long-acting injectable  
3 formulations of FDA-approved medication-assisted treatment for  
4 alcohol and opioid use disorder when developing an offender's  
5 release plan.

6 (2) The department shall submit a report not later than

19 illness is referred to a local mental health care provider that is  
20 able and willing to treat the inmate upon parole or discharge. Upon  
21 referral, the department shall ensure that the provider is informed  
22 of the inmate's current treatment plan including any medications  
23 that are currently prescribed to the inmate.

24 Sec. 414. (1) Funds appropriated in part 1 for Goodwill Flip  
25 the Script must be distributed to a Michigan-chartered 501(c) (3)  
26 nonprofit corporation operating in a county with greater than  
27 1,500,000 people for administration and expansion of a program that  
28 serves a population of individuals aged 16 to 39. The program must  
29 target individuals who are entering the criminal justice system for

1 the first or second time and must assist those individuals through  
2 the following program types:

3 (a) Alternative sentencing programs in partnership with a  
4 local district or circuit court.

5 (b) Educational recovery for special adult populations with  
6 high rates of illiteracy.

23 reenrolled, and the reason for not completing the program, the  
24 number of prisoners transferred to another facility while enrolled  
25 in a program and not subsequently reenrolled, the number of  
26 prisoners enrolled who are repeating the program, and the number of  
27 prisoners on waiting lists for each program, all itemized by  
28 facility.

29 (c) The racial demographics of prisoners enrolled in each

1 program.

3 programs, track records, accommodate transfers and prisoners with  
4 health care needs, and reduce waiting lists.

5 (e) The number of prisoners paroled without a high school  
6 diploma or a high school equivalency.

7 (f) The number of prisoners not paroled at their earliest  
8 release date because of a lack of a high school equivalency and the  
9 reason those prisoners have not obtained a high school equivalency.

10 Sec. 416. From the funds appropriated in part 1, priority may  
11 be given to funding reentry or rehabilitation programs that have  
12 been demonstrated to reduce prison violence and recidivism,  
13 including faith-based initiatives.

14 Sec. 417. (1) Funds appropriated in part 1 for criminal  
15 justice reinvestment must be used only to fund data collection and  
16 evidence-based programs designed to reduce recidivism among  
17 probationers, parolees, and prisoners.

18 (2) Of the funds appropriated in part 1 for criminal justice  
19 reinvestment, not less than \$600,000.00 must be allocated to an  
20 organization that has received a United States Department of Labor  
21 training to work 2-adult reentry grant to provide county jail  
22 inmates with programming and services to prepare them to get and  
23 keep jobs. Examples of eligible programs and services include, but  
24 are not limited to: adult education, tutoring, manufacturing skills  
25 training, participation in a simulated work environment, mentoring,

 11 program.

12 (c) The cost of the program per participant.

13 Sec. 418. Revenues appropriated and collected for program and  
 14 special equipment funds must be considered state restricted revenue.  
 15 Funding must be used for prisoner programming, special equipment,  
 16 and security projects. Not less than 75% of funding must be used for  
 17 prisoner programming. Unexpended funds remaining at the close of the  
 18 fiscal year must not lapse to the general fund but must be carried  
 19 forward and made available for appropriation in subsequent fiscal  
 20 years.

21 Sec. 419. (1) From the funds appropriated in part 1, the  
 22 department shall report on the department's plans to eliminate  
 23 programming for prisoners. The report must be provided not less  
 24 than 30 days before program elimination. As used in this section,  
 25 "programming for prisoners" means a department core program or  
 26 career and technical education program funded in part 1.

27 (2) As a condition of receiving the full amount of funding  
 28 appropriated in part 1 for budget and operations administration,  
 29 the department must complete and submit reports as required under

1 this section.

7 program, and the special alternative to incarceration program. Each  
8 program's report must include information on all of the following:

10 reentry program participants must be categorized by reason for  
11 placement. For technical rule violators, the report must sort

29 department shall review and revise as necessary policy proposals

1 that provide alternatives to prison for offenders being sentenced  
2 to prison as a result of technical probation violations and  
3 technical parole violations. To the extent the department has  
4 insufficient policies or resources to affect the continued increase  
5 in prison commitments among these offender populations, from the  
6 funds appropriated in part 1, the department shall explore other  
7 policy options to allow for program alternatives, including  
8 department or OCC-funded programs, local level programs, and  
9 programs available through private agencies that may be used as  
10 prison alternatives for these offenders.

11 (2) Not later than April 1, the department shall provide a  
12 report on the number of all parolees returned to prison and  
13 probationers sentenced to prison for either a technical violation  
14 or new sentence during the preceding fiscal year. The report must

27 release from prison, by the most recent violation, and by the  
28 number of violations occurring since release from prison.

29 (c) The educational history of those offenders, including how

1 many had a high school equivalency or high school diploma before  
2 incarceration in prison, how many received a high school  
3 equivalency while in prison, and how many received a vocational  
4 certificate while in prison.

5 (d) The number of offenders who participated in the reentry  
6 program versus the number of those who did not.

7 (e) The unduplicated number of offenders who participated in  
8 substance abuse treatment programs, mental health treatment  
9 programs, or both, while in prison, itemized by diagnosis.

10 Sec. 503. From the funds appropriated in part 1 for  
11 residential alternative to prison program, the department shall  
12 provide vocational, educational, and cognitive programming in a  
13 secure environment to enhance existing alternative sentencing  
14 options, increase employment readiness and successful placement  
15 rates, and reduce new criminal behavior for the west Michigan  
16 probation violator population. The department must ensure that all  
17 of the following program goals are attained:

18 (a) Participants successfully complete the program.

24 violators within the impacted geographic area.

25 Sec. 504. From the funds appropriated in part 1, the  
26 department shall issue quarterly reports for the previous 4  
27 quarters detailing outcomes of prisoners who have been reviewed for  
28 parole. The report must include all of the following:

29 (a) How many prisoners in each quarter were reviewed.

1 (b) How many prisoners were granted parole.

2 (c) How many prisoners were denied parole.

3 (d) How many parole decisions were deferred.

4 (e) The distribution of the total number of prisoners reviewed  
5 during that quarter grouped by whether the prisoner had been  
6 interviewed for the first, second, third, fourth, fifth, sixth, or  
7 more than sixth time.

8 (f) The number of paroles granted, denied, or deferred for  
9 each of the parole guideline scores of low, average, and high.

2           Sec. 602. (1) From the funds appropriated in part 1, the  
3 department shall provide prisoners with a brochure that explains  
4 the purpose and importance of signing a medical release of  
5 information form. The department shall ensure that all prisoners,  
6 upon any health care treatment funded from appropriations in part  
7 1, are given the opportunity to sign a medical release of  
8 information form designating a family member or other individual to  
9 whom the department shall release records and information regarding  
10 the prisoner upon the request of the prisoner. The prisoner may  
11 elect to withdraw or amend the medical release of information form  
12 at any time.

13           (2) The department shall ensure that a signed medical release  
14 of information form follows a prisoner upon transfer to another  
15 department facility or to the supervision of a parole officer.

16           (3) The medical release of information form must be placed  
17 online, on a public website managed by the department.

29 medical care and the top 10 reasons for prisoners receiving off-

1 site inpatient medical care.

2 (e) The top 10 most common chronic care conditions.

3 Sec. 604. (1) Funds appropriated in part 1 for Hepatitis C  
4 treatment must be used only to purchase specialty medication for  
5 Hepatitis C treatment in the prison population. In addition to the  
6 above appropriation, any rebates received from the medications used  
7 must be used only to purchase specialty medication for Hepatitis C  
8 treatment. Not later than February 15, the department shall issue a  
9 report for the prior fiscal year that includes all of the  
10 following:

11 (a) The total amount spent on specialty medication for the  
12 treatment of Hepatitis C.

13 (b) The number of prisoners who were treated for Hepatitis C.

14 (c) The amount of any rebates that were received from the  
15 purchase of specialty medication, and what, if any, outstanding  
16 rebates are expected to be received.

17 (2) The report required under this section must include the  
18 Hepatitis C status of all incoming prisoners and the number of

2 health and substance use disorder treatment, the department must  
3 maintain not less than 3 medication-assisted treatment clinics at  
4 correctional facilities that allow the department to treat the  
5 highest number of prisoners with opioid use disorder as possible.  
6 Funding must be used by the department to support costs of staff,  
7 including nurses, qualified mental health professionals, recovery  
8 coaches, and corrections officers, and costs of medication and  
9 supplies. Participating prisoners must be provided with the option  
10 of receiving 1 injection of medication immediately before being  
11 released from prison into the community.

12           (2) The department shall submit quarterly reports on the  
13 establishment and operation of medication-assisted treatment  
14 clinics. A report under this subsection must include, but not be  
15 limited to, all of the following:

26 department must work with competing entities to find ways to  
27 increase usage of long-acting injectables at the most affordable  
28 price to the department.

29           Sec. 608. From the funds appropriated in part 1, the

1 department must screen and provide treatment to prisoners for post-  
2 traumatic stress and substance use disorders. Prisoners must be  
3 screened at intake, screened annually, and screened prior to  
4 release. If a medical professional determines that a prisoner meets  
5 the criteria for having post-traumatic stress, a substance use  
6 disorder, or both, the prisoner must be provided treatment.

7 Sec. 609. From the funds appropriated in part 1, the  
8 department must work with department nursing staff, department  
9 nursing staff collective bargaining representatives, and nursing  
10 organizations, such as the Michigan Nurses Association, to develop  
11 strategies to attract and retain nursing staff. Strategies must  
12 include, but not be limited to, how to improve employee engagement  
13 and feedback, job satisfaction, employee training and professional  
14 development, employee benefits, and opportunities for employee

16 list of strategies, including plans and goals for implementing the  
17 strategies developed under this section.

## 18 19 **CORRECTIONAL FACILITIES AND ADMINISTRATION**

20 Sec. 701. From the funds appropriated in part 1 for prison  
21 food service, the department shall report not later than January 15  
22 on the following:

23 (a) Average per-meal cost for prisoner food service. Per-meal

4 department shall calculate the cost per prisoner per day for each  
5 security custody level. This calculation must include all actual  
6 direct and indirect costs for the previous fiscal year. To  
7 calculate the cost per prisoner per day, the department shall  
8 divide the prisoner-related costs by the total number of prisoner  
9 days for each custody level and correctional facility. For  
10 multilevel facilities, costs that cannot be accurately allocated to  
11 each custody level may be included in the calculation on a per-  
12 prisoner basis for each facility. A report summarizing these  
13 calculations must be submitted not later than January 15. Prisoner-  
14 related costs included in the cost per prisoner per day calculation  
15 must include all expenditures for the following, from all fund  
16 sources:

5 organization that contracts with the department for public works  
6 services is responsible for financing the entire cost of such an  
7 agreement.

8 Sec. 704. The department shall allow the Michigan Braille  
9 transcribing fund program to operate at designated locations. The  
10 department shall continue to encourage the Michigan Braille  
11 transcribing fund program to produce high-quality materials for use  
12 by the visually impaired.

13 Sec. 705. (1) From the funds appropriated in part 1, the  
14 department shall report all of the following regarding critical  
15 incidents:

16 (a) Within 72 hours of occurrence, any critical incident  
17 occurring at a correctional facility.

18 (b) Within 72 hours of the completion of autopsies and  
19 investigations of unexpected deaths, the results of the autopsies  
20 and investigations conducted. Results reported under this  
21 subdivision must include video surveillance footage that could  
22 provide causes of unexpected deaths.

23 (c) Not later than March 1, the number of critical incidents  
24 occurring each month at each facility during the immediately  
25 preceding calendar year, categorized by type and severity of each  
26 incident.

27 (2) As used in this section, "critical incident" includes a  
28 prisoner assault on staff that results in a serious physical injury  
29 to staff, an escape or attempted escape, a prisoner disturbance

1 that causes facility operation concerns, a drug overdose or  
2 suspected overdose, and an unexpected death of a prisoner.

3 Sec. 706. From the funds appropriated in part 1, the  
4 department shall report not later than March 1 on all of the  
5 following ratios for each correctional facility:

- 6 (a) Corrections officers to prisoners.  
7 (b) Shift command staff to line custody staff.  
8 (c) Noncustody institutional staff to prisoners.

9 Sec. 707. (1) From the funds appropriated in part 1, the  
10 department shall focus on providing required programming to  
11 prisoners who are past their earliest release date and have not  
12 been paroled because of not having received the required  
13 programming. Programming includes, but is not limited to, violence  
14 prevention programming, sexual abuse prevention programming,  
15 substance use disorder programming, thinking for a change  
16 programming, and any other programming that is required as a  
17 condition of parole.

18 (2) To the extent feasible, the department shall consistently  
19 provide prisoner programming with the goal of having prisoners  
20 complete recommended cognitive programming as early as possible  
21 during the prisoner's sentence to impact the prisoner's behavior  
22 while incarcerated. Nothing in this section makes parole denial  
23 appealable in court.

24 (3) The department shall submit a quarterly report detailing  
25 enrollment in sex abuse prevention programming, violence prevention  
26 programming, and thinking for a change programming. At a minimum,  
27 the report must include all of the following:

- 28 (a) A full accounting, from the date of entrance to prison, of  
29 the number of individuals who are required to complete the

1 programming, but have not yet done so.

2 (b) The number of individuals who have reached their earliest  
3 release date, but who have not completed required programming.

4 (c) A plan of action for addressing any waiting lists or  
5 backlogs for programming that may exist.

6 Sec. 708. If a pregnant prisoner in a facility funded from  
7 appropriations in part 1 consents to a visitor being present, the  
8 department shall allow that 1 person to be present during the  
9 prisoner's labor and delivery, in addition to a doula being present  
10 if the pregnant prisoner wants to work with a doula. The person  
11 allowed to accompany the prisoner must be an immediate family  
12 member, legal guardian, spouse, or domestic partner. The department  
13 is authorized to deny access to a visitor if the department has a  
14 safety concern with that visitor's access. The department is  
15 authorized to conduct a criminal background check on the visitor.

16 Sec. 709. From the funds appropriated in part 1, the  
17 department shall evaluate all prisoners at intake for substance  
18 abuse disorders, serious developmental disorders, serious mental  
19 illness, and other mental health disorders. Prisoners with serious  
20 mental illness or serious developmental disorders must not be  
21 removed from the general population as a punitive response to  
22 behavior caused by their serious mental illness or serious  
23 developmental disorder. A prisoner with serious mental illness or  
24 serious developmental disorder that is unresponsive to treatment  
25 who presents a persistent high violence risk or engages in severe  
26 disruptive behavior may be placed in secure residential housing  
27 programs that facilitate access to institutional programming and  
28 ongoing mental health services funded from appropriations in part  
29 1. A prisoner with serious mental illness or serious developmental

1 disorder who is confined in these specialized housing programs must  
2 be evaluated or monitored by a medical professional at a frequency  
3 of not less than every 12 hours.

4 Sec. 710. From the funds appropriated in part 1, the  
5 department shall report not later than March 1 on the annual number  
6 of prisoners during the prior fiscal year in administrative  
7 segregation and, of those, the number who at any time during the
