Adequate Yearly Progress (AYP)

Sec. 211. To the extent the state continues to identify schools as meeting proficiency targets, before publishing a list of schools or districts determined to have failed to make adequate yearly progress as required by the no child left behind act of 2001, Public Law 107-110, the department shall allow a school or district to appeal that determination. The department shall consider and act upon the appeal within 30 days after it is submitted and shall not publish the list until after all appeals have been considered and decided.

**Revises this Section**

Currently requires MDE to allow districts to appeal a determination of failure to meet AYP prior to MDE reporting those results and that MDE act within 30 days. Revises to remove MDE's 30 day timeline. Changes MDE's requirement to allow a school or district to appeal the school designation, and revises such that those appeals shall be "addressed" rather than "currently required considered and decided upon" before designations may be published.
