Dear Michigan House Representatives,

The Tri-County Building and Construction Trades Council consists of 17 different crafts. It is our pleasure to inform you we are in unanimous support of the proposed legislation pertaining to the Bay City Bridges. Travis Brady, the Michigan Building and Construction Trades Northern Representative has been immersed in this project since its infancy. He has updated the Tri-County Building Trades Council biweekly for better than 2 years.

We feel as a Building Trades Council we are very educated to the issues and the proposed construction of this very high profile project. Please advertise our endorsement of the proposed legislation and do not hesitate to rely on us to help advance this process.

It is our honor to collaborate with United Bridge Partners to ensure the success of this project for our members and our community.

Sincerely,

Justin M. Pomerville
Tri-County Building Trades President
U.A. Local Union 85 Business Manager/Financial Secretary
