(2) A challenger must be a registered elector of this state. Except as otherwise provided in this subsection, a challenger must not serve as a challenger at any election unless he or she has within the last 90 days attended election challenger training and received a signed certificate of completion for that election challenger training. If a challenger attended election challenger training within 90 days before an August primary election and that challenger received a signed certificate of completion for that election challenger training, that challenger may serve as a challenger at the subsequent general November election without having to attend election challenger training unless there has been a statutory change that requires election challenger training to be updated for the subsequent general November election. Except as otherwise provided in this section, a candidate for nomination or election to an office shall not serve as a challenger in any precinct in the jurisdiction in which he or she is a candidate at the election in which he or she is a candidate. A political party, incorporated organization, or organized committee of interested citizens is only required to attend and complete the election challenger training once before each primary, general, and special election as offered by the secretary of state or any county clerk.

(5) The secretary of state shall create and maintain a registry that includes each political party, incorporated organization, and organized committee of interested citizens that completes the election challenger training under this section. For each political party, incorporated organization, and organized committee of interested citizens in the registry, the name of each individual who attended the training and the name of a contact person for that political party, incorporated organization, or organized committee of interested citizens must be included in the registry. If a political party, incorporated organization, or organized committee of interested citizens attends and completes the election challenger training from a county clerk, that county clerk must immediately notify the secretary of state and the secretary of state must add the name of that political party, incorporated organization, or organized committee of interested citizens, the name of each individual who attended the training, and the contact information for that political party, incorporated organization, or organized committee of interested citizens to the registry. The secretary of state must post and maintain the registry on the department of state's website and make the information in the registry available to each county clerk.

(6) Upon completion of the election challenger training, and before the primary, general, or special election, the political party, incorporated organization, or organized committee of interested citizens must provide election challenger training for those individuals seeking to be election challengers for that political party, incorporated organization, or organized committee of interested citizens. The election challenger training for the individuals seeking to be election challengers must include, but not be limited to, comprehensive training regarding the processes and procedures on election day and the powers, rights, and duties of election challengers. The political party, incorporated organization, or organized committee of interested citizens must provide separate training for those individuals seeking to be election challengers at an absent voter counting board.

(7) Upon completion of the election challenger training, the political party, incorporated organization, or organized committee of interested citizens must issue a certificate of completion, signed by an officer of that political party, incorporated organization, or organized committee of interested citizens, to the individual seeking to be an election challenger. The political party, incorporated organization, or organized committee of interested citizens may issue the certificate of completion electronically to the individual seeking to be an election challenger if the electronic certificate of completion contains an electronic signature from an officer of that political party, incorporated organization, or organized committee of interested citizens. A signed certificate of completion is valid for 90
