RE: House Bills 4847 – 4850

Dear Representative Filler,

I am writing to you to express my personal opposition to House Bills 4847, 4848, 4849, and 4850.

I am a resident of Oakland County, and I have worked for a professional court appointed guardian company for several years. I am extremely concerned regarding possible changes the above mentioned Bills would bring to professional guardians, and their vulnerable clients.

Professional guardians are a valuable part of Michigan's judicial system. Our clients rely on us to advocate for them. I work with a group of caring and concerned people, who only want the best for our clients. This legislative package is not in the best interest of our clients.

I cannot support these bills, as they are not a reasonable solution to address any problems within the system and should not be moved forward.

I appreciate your time and attention.

Sincerely,
