Re: HB 4159-60 "Justice for Allie"

Monday, October 18, 2021

Please let this letter show that Disability Network Oakland & Macomb stands in support of HB 4159-60 also known as "Justice for Allie". We applaud Representative Padma Kuppa and Representative Julie Calley for championing this cause and the bi-partisan work they have pursued in support of this legislation which protects vulnerable adults from online sexual exploitation.

Sincerely,
