Subject: I oppose HB 6062

You don't often get email from emyers@candgnews.com. [Learn why this is important](#)

I oppose HB 6062 and I don't wish to speak.

The C & G Newspapers are direct mailed to over 560,000 households with residents who read our local newspapers. They want to keep apprised of what's going on in their local government offices and they rely on their local newspaper to keep them informed of information contained in Public and Legal Notices. DO NOT pass this bill HB 6062 to remove notices from the newspapers. You will have thousands of newspaper readers phoning you if you do. If you have any questions, please feel free to contact me direct. Thank you.
