Dear Members of the Michigan House Appropriations Committee:

Please accept my card in strong opposition to the advancement of HB's 4670, 4671 & 4672. These and any other efforts to compromise Truth in Sentencing are harmful to public safety. Anti-Truth in Sentencing efforts, which includes these bills, are opposed by the Prosecuting Attorneys Association of Michigan, the Michigan Sheriff's Association, the Michigan Chiefs of Police, Michigan's bipartisan Crime Victim's Services Commission, Domestic Violence Groups, Crime Victims Groups and the citizens of this great state. I strongly urge you to stand with law enforcement, victims and the general public in opposing these bills.

Thank you,

Angie Lundstrom,

Crime Victim Rights Coordinator
