Subject: Card to oppose HB6062

You don't often get email from jwilcox734@gmail.com. [Learn why this is important](#)

Hello,

I represent Wilcox Newspapers, we are a group of eight weekly newspapers, based in Allegan, Michigan. Six of those newspapers are the legal publication of record for the communities in which they serve. Both our readers and our newspapers rely on public notices. If they were to be published somewhere else, it would severely hinder the ability of our communities citizens to be informed about what their government is doing.

As such, I am writing to submit a card to oppose HB 6062, and I don't wish to speak.

All the best,
Jordan Wilcox
