Dear Madam Clerk,

On June 14, 2023, House Bills 4745, 4746, 4747, 4748, and 4749 were referred to the House Committee on Health Policy. These bills amend the Assisted Outpatient Treatment (AOT) process, add individuals authorized to do mental health evaluations for AOT diversions, and provide for mediation between a mental health provider and AOT recipient.

I am asking the Subcommittee on Behavioral Health to review and make recommendations to these bills. I am confident that the Subcommittee will be successful and productive.

Sincerely,

A handwritten signature in cursive script that reads "Julie M. Rogers".
