20 otherwise misused.

21 (3) The grantee shall respond to all reasonable information requests from the Michigan strategic fund related to grant 22 expenditures and retain grant records for a period of not less than 23 3 years, and the grant may be subject to audit and/or site visits 24 25 as determined by the Michigan strategic fund. 15 Sec. 1100. (1) Subject to section 242 of the management and 16 budget act, 1984 PA 431, MCL 18.1242, and upon the approval of the 17 state building authority, the department of treasury may expend from the general fund of the state during the fiscal year an amount 18 to meet the cash flow requirements of those state building 19 20 authority projects solely for lease to a state agency identified in both part 1 and this section, and for which state building 21 authority bonds or notes have not been issued, and for the sole 22 acquisition by the state building authority of equipment and 23 furnishings for lease to a state agency as permitted by 1964 PA 24 25 183, MCL 830.411 to 830.425, for which the issuance of bonds or notes is authorized by a legislative appropriation act that is 26 27 effective for the immediately preceding fiscal year. Any general fund advances for which state building authority bonds have not 28 29 been issued shall bear an interest cost to the state building

authority at a rate not to exceed that earned by the state treasurer's common cash fund during the period in which the advances are outstanding and are repaid to the general fund of the state.

5 (2) Upon sale of bonds or notes for the projects identified in
6 part 1 or for equipment as authorized by a legislative
7 appropriation act and in this section, the state building authority
8 shall credit the general fund of the state an amount equal to that

10 this section.

11 (3) For state building authority projects for which bonds or 12 notes have been issued and upon the request of the state building 13 authority, the state treasurer shall make advances without interest 14 from the general fund as necessary to meet cash flow requirements 15 for the projects, which advances shall be reimbursed by the state 16 building authority when the investments earmarked for the financing 17 of the projects mature.

18 (4) In the event that a project identified in part 1 is 19 terminated after final design is complete, advances made on behalf 20 of the state building authority for the costs of final design shall 21 be repaid to the general fund in a manner recommended by the 22 director.

Sec. 1102. (1) State building authority funding to finance construction or renovation of a facility that collects revenue in excess of money required for the operation of that facility shall not be released to a university or community college unless the institution agrees to reimburse that excess revenue to the state building authority. The excess revenue shall be credited to the general fund to offset rent obligations associated with the

1 retirement of bonds issued for that facility. The auditor general 2 shall annually identify and present an audit of those facilities 3 that are subject to this section. Costs associated with the 4 administration of the audit shall be charged against money 5 recovered pursuant to this section.

6 (2) As used in this section, "revenue" includes state
7 appropriations, facility opening money, other state aid, indirect
8 cost reimbursement, and other revenue generated by the activities
9 of the facility.

Sec. 1103. (2) On a quarterly basis the department shall report to the

federal child support incentive payment of \$26,500,000.00.

2 (2) From the federal money received for child support
3 incentive payments, \$12,000,000.00 shall be retained by the state
4 and expended for child support program expenses.

- 5 (3) From the federal money received for child support
  6 incentive payments, \$14,500,000.00 shall be paid to the counties
  7 based on each county's performance level for each of the federal
  8 performance measures as established in 45 CFR 305.2.
- 9 (4) If the child support incentive payment to the state from
  10 the federal government is greater than \$26,500,000.00, then 100% of
  11 the excess shall be retained by the state and is appropriated until
  12 the total retained by the state reaches \$15,397,400.00.
- 13 (5) If the child support incentive payment to the state from 14 the federal government is greater than the amount needed to satisfy 15 the provisions identified in subsections (1), (2), (3), and (4), 16 the additional funds shall be subject to appropriation by the 17 legislature.
- 18 (6) If the child support incentive payment to the state from
  19 the federal government is less than \$26,500,000.00, then the state
  20 and county share shall each be reduced by 50% of the shortfall.

28 child support collections, excluding tax offset and financial
29 institution data match collections in both the current fiscal year

S00975'21 (S-3) CR-1 s 03613 09202021

1 and fiscal year 2004-2005, shall receive its proportional share of 2 the 75% excess.

Sec. 410. (1) If title IV-D-related child support collections 3 are escheated, the state budget director is authorized to adjust 4 5 the sources of financing for the funds appropriated in part 1 for legal support contracts to reduce federal authorization by 66% of 6 7 the escheated amount and increase general fund/general purpose authorization by the same amount. This budget adjustment is 8 required to offset the loss of federal revenue due to the escheated 9 10 amount being counted as title IV-D program income in accordance 11 with federal regulations at 45 CFR 304.50.

12 (2) The department shall notify the chairs of the house and 13 senate appropriations subcommittees on the department budget and 14 the house and senate fiscal agencies within 15 days after the 15 authorization adjustment in subsection (1).
