Affordability

80% of undergraduates complete their first degree within four years

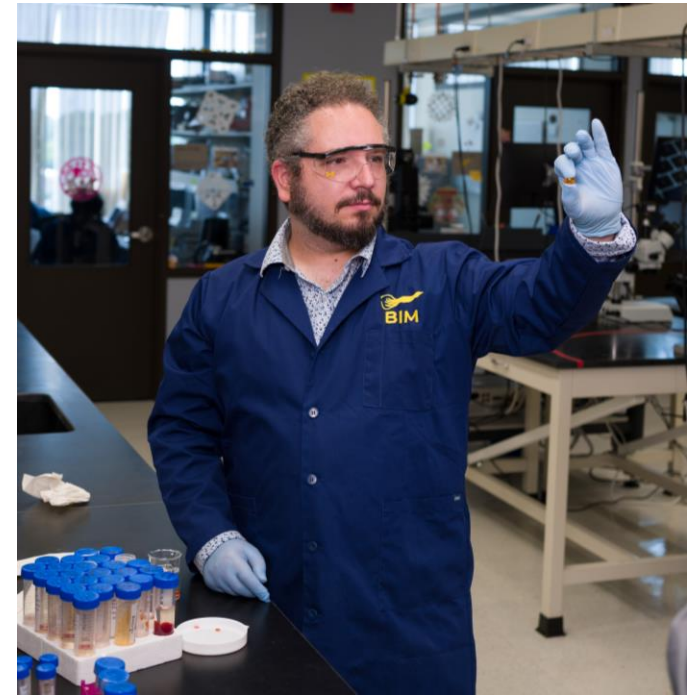

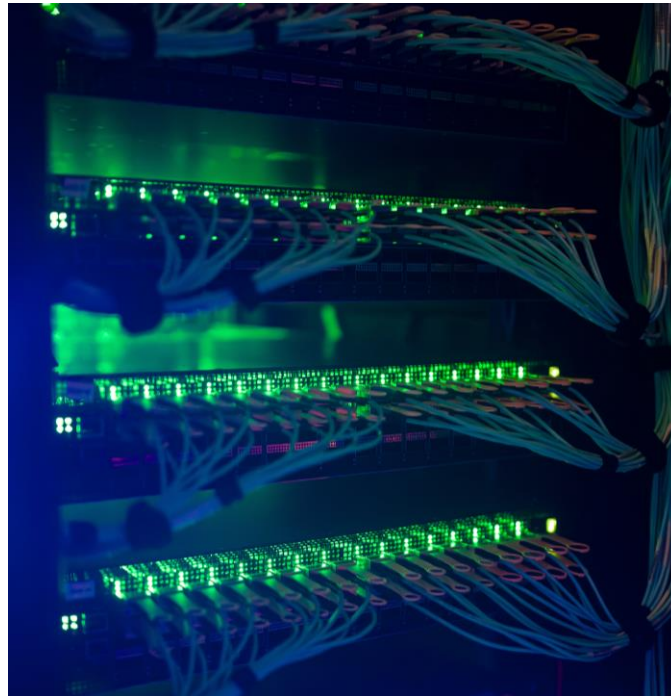

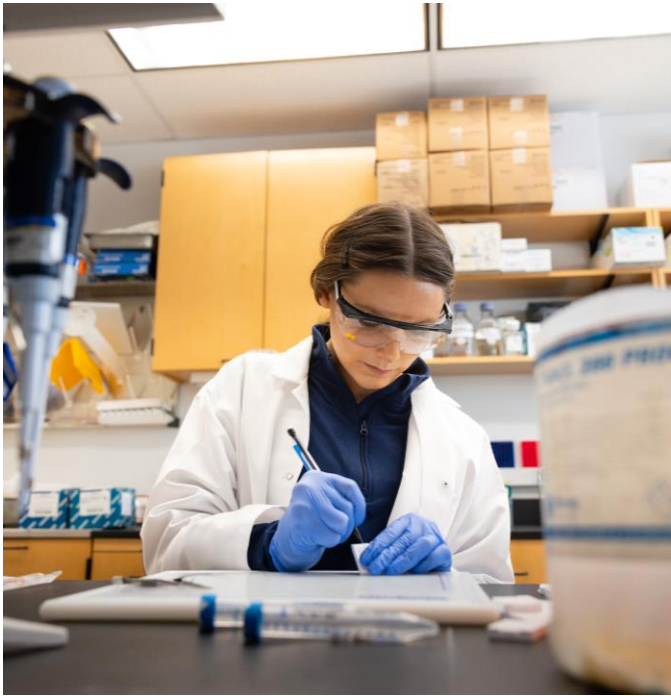

The Go Blue Guarantee will provide an additional 2,200 in-state undergraduate students tuition-free education on all three U-M campuses

U-M has the lowest or near lowest net price for family incomes less than \$100K

U-M provides more than \$226 million in funded scholarships

U-M is the largest R1 research university,
with over \$2B of research conducted last year

University of Michigan spent over \$332 million last year on goods and services needed to support federally funded projects.

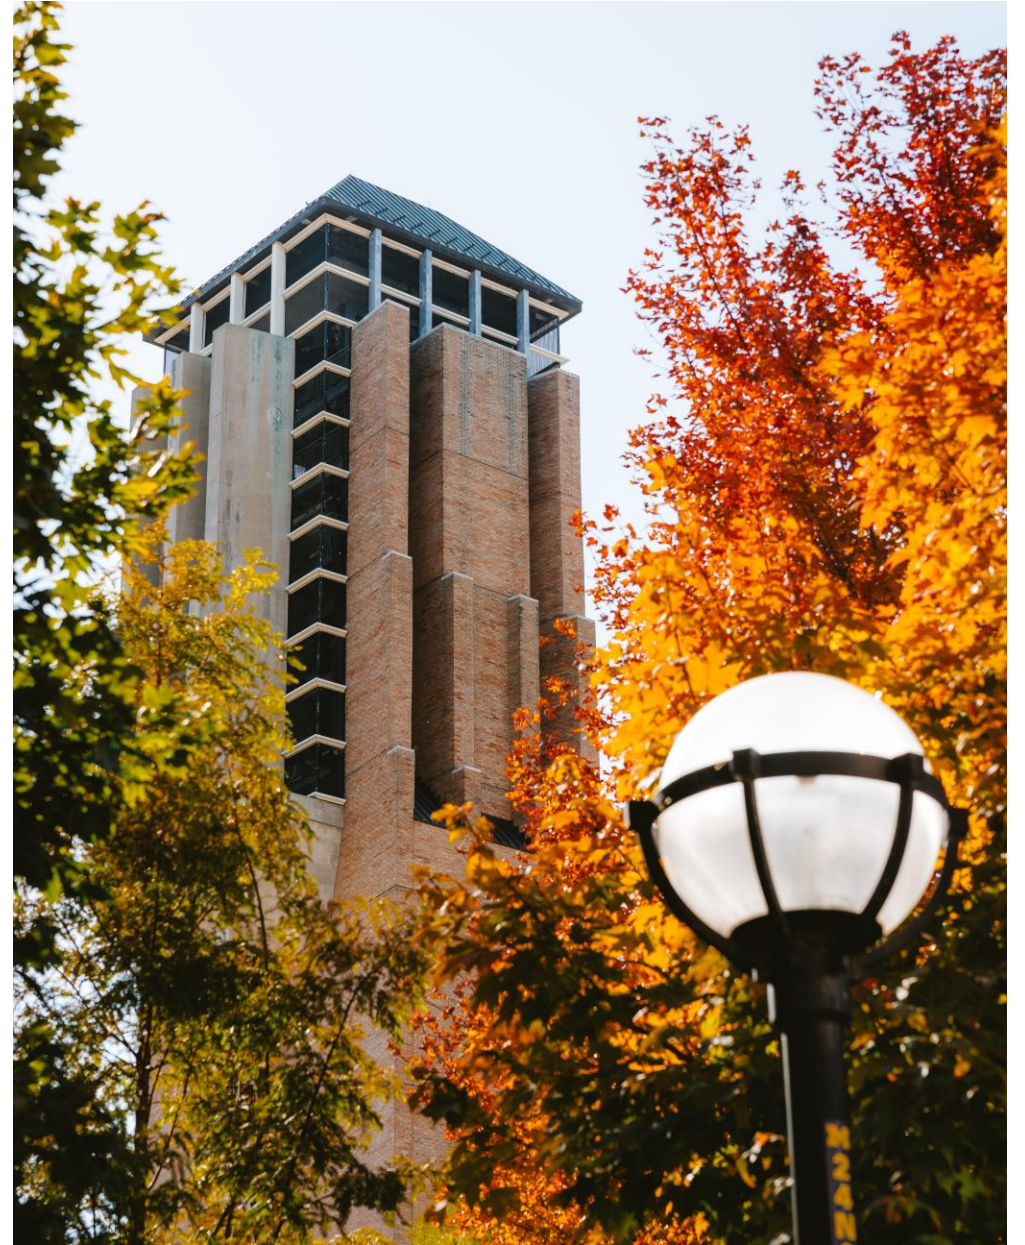

Michigan-based companies received \$97.7 million

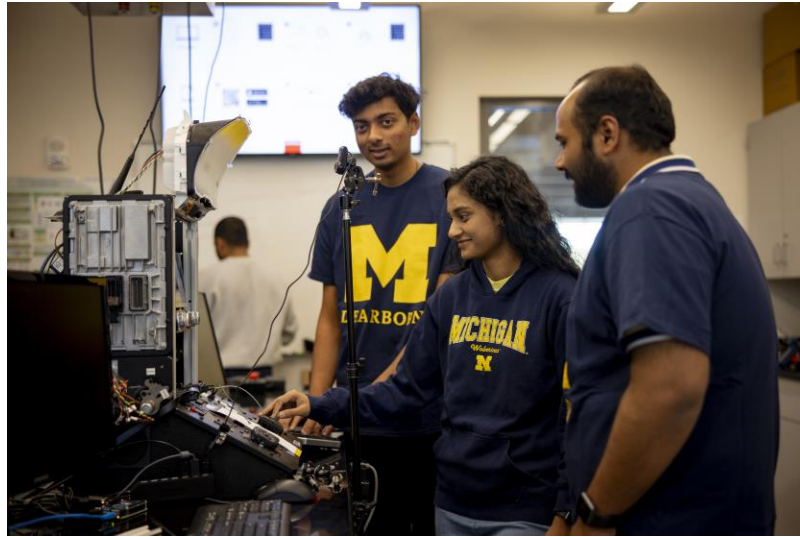

Businesses in all 110 Michigan House districts receive direct research-related funding from U-M
