June 2026 Revenue Update

Major Taxes

Cash collections from Michigan's major taxes, penalties and interest, and lottery transfers totaled $3,352.4 million in June 2026, $92.3 million more than in June 2025. For the fiscal year-to-date, collections in FY 2025-26 were $628.1 million (or 2.9%) higher than during FY 2024-25.

Net income tax revenue totaled $1,532.9 million in June 2026, and for FY 2025-26 collections through June were $567.7 million more than the same period during FY 2024-25. Year-to-date gross income tax collections in FY 2025-26 were $622.6 million higher than one year ago due primarily to higher individual income tax (IIT) withholding, quarterly, and flow-through entity payments.

Net business taxes are composed of the single business tax (SBT), the Michigan business tax (MBT), the corporate income tax (CIT), and insurance company taxes. Because of their inherent volatility, monthly collections of business taxes often display significant fluctuations that diverge from historical trends. On a fiscal year-to-date basis, net business taxes were $55.7 million higher through June 2026 than a year ago. MBT refunds through June 2026 were $44.7 million more negative[1] than last year while CIT collections over the same period were $99.8 million (or 6.9%) higher than last year's amount. Year-to-date insurance taxes were also higher than a year ago by $0.8 million (or 0.3%).

Revenue from consumption taxes, which consist of the sales tax, the use tax, beer and wine taxes, liquor taxes, and tobacco taxes, totaled $1,205.1 million in June 2026, and were collectively $207.9 million lower than in FY 2024-25 on a year-to-date basis. Sales tax collections were $342.1 million (or 4.9%) below last year's amount on a year-to-date basis (primarily due to the new sales tax exemption on motor fuels), while use tax collections were $164.5 million (or 12.0%) higher than a year ago.

Revenue from online gaming totaled $57.4 million in June 2026 and collections through June were $88.9 million (or 26.0%) higher than the same period during FY 2024-25. Year-to-date revenue from recreational marihuana sales through June 2026 was $4.2 million (or 2.4%) lower than one year ago. The transfer from the lottery to the School Aid Fund was $91.4 million in June 2026, and year-to-date transfers were $24.8 million lower than FY 2024-25. Year-to-date revenue from the real estate transfer tax was $21.7 million (or 8.0%) above last year.

General Fund/General Purpose (GF/GP) Tax Revenue

General Fund/General Purpose revenue from Michigan's major taxes was estimated[2] to be $1,778.2 million in June 2026, about $68.9 million above the projection established at the May 2026 consensus revenue estimating conference (CREC). This was primarily due to strong corporate income tax, flow-through entity tax, and sales and use tax revenues.

Through June 2026, year-to-date GF/GP tax revenue for FY 2025-26 was about $339.2 million above the projected amount at the May 2026 CREC.

School Aid Fund (SAF) Revenue

School Aid Fund revenue from Michigan's major taxes was estimated[2] to be $1,442.8 million in June 2026, about $51.3 million above the amount established at the May 2026 CREC, led by higher than anticipated collections from the sales and use tax, real estate transfer tax, and iGaming.

Through June 2026, year-to-date SAF revenue for FY 2025-26 was about $146.6 million above the May 2026 consensus revenue projections.

[1] MBT refund totals mainly comprise a few large refunds, therefore the timing can significantly impact monthly revenue comparisons.
[2] Because of accruals and undistributed revenue, monthly fund splits are estimated.
