K-12 Education-Related Allocations under the CARES Act, CRRSA Act, and ARP Act

This cover page and the district and ISD impact spreadsheets that follow show federal K-12 education-related allocations under the Coronavirus Aid, Relief, and Economic Security (CARES) Act, the Coronavirus Response and Relief Supplemental Appropriations (CRRSA) Act, and the American Rescue Plan (ARP) Act. ISD allocations are on the last page following the district allocations.

The below table shows total allocations to all K-12 education-related entities under all three acts. Where district/ISD-level allocations are available, the "Shown in Spreadsheet" column is marked with a 'y' and allocations are detailed in the spreadsheets following this cover page.

The district and ISD impact spreadsheets do not include allocations to non-district/ISD entitities or allocations for which district/ISD-level allocations are not known.
