Overview

The Department of Military and Veterans Affairs is responsible for the training and administration of Army and Air National Guard forces, providing combat-ready military forces during times of national emergency, and performing civil relief operations under the command of the Governor during state emergencies. The Department's budget includes administrative and maintenance costs associated with these responsibilities as well as National Guard-related programs such as the Challenge Program. The Department has oversight over the following veterans-related programs: state-licensed nursing care at veterans homes in Grand Rapids and Marquette, grant funding to veterans service organizations, and the Michigan Veterans Trust Fund.
