LEGISLATIVE AUDITOR GENERAL

Benjamin Gielczyk, Senior Fiscal Analyst

December 2015

Legislative Auditor General

- Constitutional Authority is found in Article IV, Section 53 of the Constitution of Michigan of 1963
- Mission is to improve accountability for public funds and operations of state government for the benefit of the citizens of the State of Michigan
- Responsibilities are to conduct post financial and performance audits of state government operations, meet specific audit requirements in conformance with the constitutional mandate, and complete individual projects and reports in response to legislative requests
- Audit reports
 - Provide information for legislative oversight of state government
 - Provide accountability, ensuring that receipts and expenditures are in accordance with the State Constitution and state laws, rules, and procedures
 - Assist state departments and agencies in improving the financial management, effectiveness, efficiency, and economy of activities and programs approved by the Legislature
- Appropriations for the Legislative Auditor General are included in an appropriation unit in the Legislature budget in FY 2016

Legislative Auditor General: Gross Appropriations

Increase in FY 2014 is due to the pre-funding of retiree healthcare, a shift of boilerplate funding to line item funding, and the inclusion of additional funds for increased audit oversight. FY 2015 included \$400,000 for IT auditors.

Legislative Auditor General

- **Types of audits performed:**
 - **Financial Audits:** provide reasonable assurance that financial statements and/or financial schedules of an audited entity are presented fairly and conform with generally accepted accounting principals. Includes State of Michigan Comprehensive Annual Financial Report.
 - **Statewide Single Audit:** financial audits performed in accordance with the Single Audit Act of 1984 (as amended in 1996) and by State statute; meet the needs of federal grantor agencies and other financial report users; require study and evaluation of the internal control structure and testing of compliance with laws and regulations relevant to federal assistance programs
 - **Performance Audits:** provide an independent assessment of the performance of a governmental entity, program, activity, or function to improve public accountability and to facilitate decision-making by parties responsible for overseeing or initiating corrective action; follow-up reports are done to determine whether agencies comply with recommendations made by the Auditor General
 - **Performance and Financial Audits:** designed to achieve a combination of performance and financial audit objectives
