FY 2016-2017

In-District Tuition Rate: \$93 per credit hour (27th lowest tuition out of 28 community colleges in Michigan).
 Out-of-District Tuition Rate: \$161 per credit hour (19th lowest tuition out of 28 community colleges in Michigan).
 Student Mix: 28% of students pay in-district tuition rates; 72% of students pay out-of-district rates.

Operating Revenue Summary

FY 2015-16 Operating Fund Revenue	Amount	Percent of Total
Tuition and Fees	\$46,685,000	53%
Property Taxes	\$14,117,000	16%
State Appropriations	\$26,517,000	30%
Other	\$1,165,000	1%
Total	\$88,484,000	100%

FY 2017-18 Capital Outlay Request: Center for Innovative Manufacturing Education. The \$14.9 million, 42,000-square-foot project includes renovation of 18,000 square feet of the HFC Technology Building to improve and reconfigure existing laboratories. Renovations will also address deferred maintenance on building systems, including structure, envelope, HVAC, lighting, electrical and plumbing. New construction totaling 24,000 square feet will create multidisciplinary labs, renovated automotive labs, and the business and entrepreneurial collaboration space to support changing programs and curricula, the regional demand for workforce training, and business and industry partnership initiatives. The construction will also improve building and program access and internal circulation and address the lack of breakout/collaborative work spaces. The DTMB ranked the project Number 2 among FY 2017-18 college capital outlay priority requests and it is included in the Governor's FY 2017-18 budget recommendation. The requested funding for the project is \$6.7 million from the State with \$8.2 million from the College.

History of Capital Outlay Funding

Project	Construction Authorization	Total Cost	State Share	College Share
Patterson Tech Center	PA 149 of 1992	\$15,985,000	\$6,150,000	\$9,835,000
