2 offender success programming, the department shall establish
3 medication-assisted treatment offender success pilot programs to
4 provide prerelease treatment and postrelease referral for opioid
5 addicted offenders, as well as alcohol-addicted offenders who
6 voluntarily participate in the medication-assisted treatment
7 offender success pilot programs. The department shall collaborate
8 with residential and nonresidential substance abuse treatment
9 providers and with community-based clinics to provide postrelease
10 assessment and treatment. The programs shall employ a multifaceted
11 approach to treatment, including various forms of medication-
12 assisted treatment approved by the Food and Drug Administration for
13 the treatment of opioid use disorder or alcohol use disorder,
14 counseling, and postrelease referral to community-based providers.
15 The department shall consider the use of long-acting injectable

9 serves a population of individuals aged 16 to 39. The program shall
10 target those who are entering the criminal justice system for the
11 first or second time and shall assist those individuals through the
12 following program types:

26 **FIELD OPERATIONS ADMINISTRATION**

27 Sec. 501. (1) Funds appropriated in part 1 for criminal
28 justice reinvestment shall be used only to fund data collection and
29 evidence-based programs designed to reduce recidivism among

1 probationers and parolees.

2 (2) Of the funds appropriated in part 1 for criminal justice
3 reinvestment, at least \$600,000.00 shall be allocated to an
4 organization that has received a United States Department of Labor
5 training to work 2-adult reentry grant to provide county jail
6 inmates with programming and services to prepare them to get and
7 keep jobs. Examples of eligible programs and services include, but
8 are not limited to: adult education, tutoring, manufacturing skills
9 training, participation in a simulated work environment, mentoring,
10 cognitive therapy groups, life skills classes, substance abuse
11 recovery groups, fatherhood programs, classes in understanding the
12 legal system, family literacy, health and wellness, finance
13 management, employer presentations, and classes on job retention.
14 Programming and support services should begin before release and
15 continue after release from the county jail. To be eligible for
16 funding, an organization must show at least 2 years' worth of data
17 that demonstrate program success.

18 (3) The department shall report on programs described under
19 this section by March 30. The report shall include the
20 reincarceration recidivism rate of program participants, the
21 employment rate of participants who complete the program, and the
22 cost of the program per participant.

23 Sec. 502. From the funds appropriated in part 1, the
24 department shall prepare individual reports by March 1 for the
25 residential reentry program, the electronic monitoring program, and
26 the special alternative to incarceration program. Each program's
27 report shall include information on all of the following:

28 (a) Monthly new participants by type of offender. Residential
29 reentry program participants shall be categorized by reason for

1 placement. For technical rule violators, the report shall sort
2 offenders by length of time since release from prison, by the most
3 recent violation, and by the number of violations occurring since
4 release from prison.

5 (b) Monthly participant unsuccessful terminations, including
6 cause.

7 (c) Number of successful terminations.

8 (d) End month population by facility/program.

17 utilization and the cost effectiveness of the program.

18 Sec. 503. (1) From the funds appropriated in part 1, the
19 department shall review and revise as necessary policy proposals
20 that provide alternatives to prison for offenders being sentenced
21 to prison as a result of technical probation violations and
22 technical parole violations. To the extent the department has
23 insufficient policies or resources to affect the continued increase
24 in prison commitments among these offender populations, the
25 department shall explore other policy options to allow for program
26 alternatives, including department or OCC-funded programs, local
27 level programs, and programs available through private agencies
28 that may be used as prison alternatives for these offenders.

29 (2) By April 1, the department shall provide a report on the

1 number of all parolees returned to prison and probationers
2 sentenced to prison for either a technical violation or new
3 sentence during the preceding fiscal year. The report shall include
4 the following information for probationers, for parolees after
5 their first parole, and for parolees who have been paroled more
6 than once:

21 equivalency while in prison, and how many received a vocational
22 certificate while in prison.

23 (d) The number of offenders who participated in the reentry
24 program versus the number of those who did not.

25 (e) The unduplicated number of offenders who participated in
26 substance abuse treatment programs, mental health treatment
27 programs, or both, while in prison, itemized by diagnosis.

28 Sec. 504. From the funds appropriated in part 1, the
29 department shall submit a report detailing the number of prisoners

1 who have received life imprisonment sentences with the possibility
2 of parole and who are currently eligible for parole by April 30.

3 Sec. 505. From the funds appropriated in part 1 for the
4 residential alternative to prison program, the department shall
5 provide vocational, educational, and cognitive programming in a
6 secure environment to enhance existing alternative sentencing
7 options, increase employment readiness and successful placement
8 rates, and reduce new criminal behavior for the west Michigan
9 probation violator population. The department shall measure and set
10 the following metric goals:

11 (a) 85% of participants successfully complete the program.

17 (d) The prison commitment rate for probation violators will be
18 reduced by 5% within the impacted geographical area after the first
19 year of program operation.

20 Sec. 506. From the funds appropriated in part 1, the
21 department shall issue quarterly reports for the previous 4
22 quarters detailing outcomes of prisoners who have been reviewed for
23 parole. The report shall include all of the following:

24 (a) How many prisoners in each quarter were reviewed.

25 (b) How many prisoners were granted parole.

26 (c) How many prisoners were denied parole.

27 (d) How many parole decisions were deferred.

28 (e) The distribution of the total number of prisoners reviewed
29 during that quarter grouped by whether the prisoner had been

1 interviewed for the first, second, third, fourth, fifth, sixth, or
2 more than sixth time.

3 (f) The number of paroles granted, denied, or deferred for
4 each of the parole guideline scores of low, average, and high.

5 (g) The reason for denying or deferring parole.

7 **HEALTH CARE**

8 Sec. 601. By April 1, the department shall provide reports on
9 the following:

10 (a) Physical and mental health care, pharmaceutical services,
11 and durable medical equipment for prisoners. Reports must detail
12 current and prior fiscal year expenditures itemized by vendor,
13 allocations, status of payments from contractors to vendors, and
14 projected year-end expenditures from accounts. Reports must include

16 other providers itemized by physical health care, mental health
17 care, pharmaceutical services, and durable medical equipment
18 expenditures.

19 (b) Pharmaceutical prescribing practices, including a detailed
20 accounting of expenditures on antipsychotic medications, and any
21 changes that have been made to the prescription drug formularies.

22 (c) A status report on efforts to develop measurable data and
23 outcomes for physical and mental health care within the prisoner
24 population.

25 Sec. 602. (1) From the funds appropriated in part 1, the
26 department shall assure that all prisoners, upon any health care
27 treatment funded from appropriations in part 1, are given the
28 opportunity to sign a release of information form designating a
29 family member or other individual to whom the department shall

1 release records information regarding a prisoner. A release of
2 information form signed by a prisoner shall remain in effect for 1
3 year, and the prisoner may elect to withdraw or amend the release
4 form at any time.

5 (2) The department shall assure that any such signed release
6 forms follow a prisoner upon transfer to another department
7 facility or to the supervision of a parole officer.

8 (3) The form shall be placed online, on a public website
9 managed by the department.

10 Sec. 603. From the funds appropriated in part 1, the
11 department shall provide a report by April 1 on prisoner health
12 care utilization that includes the number of inpatient hospital
13 days, outpatient visits, emergency room visits, and prisoners
14 receiving off-site inpatient medical care in the fiscal year, by
15 facility.

16 Sec. 604. (1) Funds appropriated in part 1 for Hepatitis C
17 treatment shall be used only to purchase specialty medication for
18 Hepatitis C treatment in the prison population. In addition to the
19 above appropriation, any rebates received from the medications used
20 shall be used only to purchase specialty medication for Hepatitis C
21 treatment. By February 15, the department shall issue a report for
22 the prior fiscal year showing the total amount spent on specialty
23 medication for the treatment of Hepatitis C, the number of
24 prisoners who were treated, the amount of any rebates that were
25 received from the purchase of specialty medication, and what
26 outstanding rebates are expected to be received.

27 (2) The report must include the Hepatitis C status of all
28 incoming prisoners and the number of prisoners who are reinfected
29 while incarcerated and require retreatment for Hepatitis C. The

1 report must also include the number of those treated and released
2 and then retreated upon reincarceration.

3 Sec. 605. (1) From the funds appropriated in part 1, the
4 department shall provide the department of health and human
5 services with a monthly list of prisoners newly committed to the
6 department of corrections. The department and the department of
7 health and human services shall enter into an interagency agreement
8 under which the department of health and human services provides
9 the department of corrections with monthly lists of newly committed
10 prisoners who are eligible for Medicaid benefits in order to
11 maintain the process by which Medicaid benefits are suspended
12 rather than terminated. The department shall assist prisoners who
13 may be eligible for Medicaid benefits after release from prison
14 with the Medicaid enrollment process prior to release from prison.

15 (2) The department shall provide quarterly updates on the
16 utilization of Medicaid benefits for prisoners.

17 Sec. 606. By March 1, the department shall report on the
18 number of prisoners who received medication assisted therapies, the
19 length of time on therapies, and the number of prisoners who have
20 discontinued treatment while incarcerated.

21

22 CORRECTIONAL FACILITIES AND ADMINISTRATION

23 Sec. 701. (1) From the funds appropriated in part 1, the
24 department shall report on the department's plans to eliminate
25 programming for prisoners. The report shall be provided at least 30
26 days prior to program elimination.

28 a department core program or career and technical education program
29 funded in part 1.

1 Sec. 702. From the funds appropriated in part 1 for prison
2 food service, the department shall report by January 15 on the
3 following:

4 (a) Average per-meal cost for prisoner food service. Per-meal
5 cost shall include all costs directly related to the provision of
6 food for the prisoner population, and shall include, but not be
7 limited to, actual food costs, total compensation for all food
8 service workers, including benefits and legacy costs, and
9 inspection and compliance costs for food service.

10 (b) Food service-related contracts, including goods or
11 services to be provided and the vendor.

12 (c) Major sanitation violations.

13 Sec. 703. From the funds appropriated in part 1, the
14 department shall calculate the cost per prisoner per day for each
15 security custody level. This calculation shall include all actual
16 direct and indirect costs for the previous fiscal year. To
17 calculate the cost per prisoner per day, the department shall
18 divide the prisoner-related costs by the total number of prisoner
19 days for each custody level and correctional facility. For
20 multilevel facilities, costs that cannot be accurately allocated to
21 each custody level can be included in the calculation on a per-
22 prisoner basis for each facility. A report summarizing these
23 calculations shall be submitted not later than January 15.
24 Prisoner-related costs included in the cost per prisoner per day
25 calculation shall include all expenditures for the following, from
26 all fund sources:

27 (a) New custody staff training.

28 (b) Prison industries operations.

29 (c) Education/skilled trades/career readiness programs.

15 organization that contracts with the department for public works
16 services shall be responsible for financing the entire cost of such
17 an agreement.

18 Sec. 705. The department shall allow the Michigan Braille
19 transcribing fund program to operate at designated locations. The
20 department shall continue to encourage the Michigan Braille
21 transcribing fund program to produce high-quality materials for use
22 by the visually impaired.

23 Sec. 706. (1) From the funds appropriated in part 1, the
24 department shall report as follows:

25 (a) Within 72 hours of occurrence, any critical incident
26 occurring at a correctional facility.

27 (b) By March 1, the number of critical incidents occurring
28 each month at each facility during the immediately preceding
29 calendar year, categorized by type and severity of each incident.

1 (2) As used in this section, "critical incident" includes a
2 prisoner assault on staff that results in a serious physical injury
3 to staff, an escape or attempted escape, a prisoner disturbance
4 that causes facility operation concerns, and an unexpected death of
5 a prisoner.

6 Sec. 707. From the funds appropriated in part 1, the
7 department shall report by March 1 on the ratio of correctional
8 officers to prisoners for each correctional institution, the ratio
9 of shift command staff to line custody staff, and the ratio of
10 noncustody institutional staff to prisoners for each correctional
11 facility.

12 Sec. 708. (1) From the funds appropriated in part 1, the
13 department shall focus on providing required programming to
14 prisoners who are past their earliest release date because of not
15 having received the required programming. Programming includes, but
16 is not limited to, violence prevention programming, assaultive
17 offender programming, sexual offender programming, substance abuse
18 treatment programming, thinking for a change programming, and any
19 other programming that is required as a condition of parole.

20 (2) It is the intent of the legislature that any prisoner
21 required to complete a violence prevention program, sexual offender
22 program, or other program as a condition of parole shall be placed
23 on a waiting list for the appropriate programming upon entrance to
24 prison and transferred to a facility where that program is
25 available in order to accomplish timely completion of that program
26 prior to the expiration of his or her minimum sentence and
27 eligibility for parole. To the extent feasible, the department
28 shall consistently provide prisoner programming with the goal of
29 having prisoners complete recommended cognitive programming as

1 early as possible during the prisoner's sentence to impact the
2 prisoner's behavior while incarcerated. Nothing in this section
3 should be deemed to make parole denial appealable in court.

4 (3) The department shall submit a quarterly report detailing
5 enrollment in sex offender programming, assaultive offender
6 programming, violent offender programming, and thinking for a
7 change programming. At a minimum, the report shall include the
8 following:

13 release date, but who have not completed required programming.

14 (c) A plan of action for addressing any waiting lists or
15 backlogs for programming that may exist.

16 Sec. 709. If a female prisoner in a facility funded from
17 appropriations in part 1 consents to a visitor being present, the
18 department shall allow that 1 person to be present during the
19 prisoner's labor and delivery. The person allowed to accompany the
20 prisoner must be an immediate family member, legal guardian,
21 spouse, or domestic partner. The department is authorized to deny
22 access to a visitor if the department has a safety concern with
23 that visitor's access. The department is authorized to conduct a
24 criminal background check on a visitor.

25 Sec. 710. From the funds appropriated in part 1, the
26 department shall evaluate all prisoners at intake for substance
27 abuse disorders, serious developmental disorders, serious mental
28 illness, and other mental health disorders. Prisoners with serious
29 mental illness or serious developmental disorders shall not be

1 removed from the general population as a punitive response to
2 behavior caused by their serious mental illness or serious
3 developmental disorder. Due to persistent high violence risk or
4 severe disruptive behavior that is unresponsive to treatment,
5 prisoners with serious mental illness or serious developmental
6 disorders may be placed in secure residential housing programs that
7 will facilitate access to institutional programming and ongoing
8 mental health services funded from appropriations in part 1. A
9 prisoner with serious mental illness or serious developmental
10 disorder who is confined in these specialized housing programs
11 shall be evaluated or monitored by a medical professional at a
12 frequency of not less than every 12 hours.

13 Sec. 711. From the funds appropriated in part 1, the
14 department shall report by March 1 on the annual number of
15 prisoners during the prior fiscal year in administrative
16 segregation and, of those, the number who at any time during the
17 current or prior prison term were diagnosed with serious mental
18 illness or have a developmental disorder and the number of days
19 each of the prisoners with serious mental illness or a
20 developmental disorder have been confined to administrative
21 segregation.

22 Sec. 712. From the funds appropriated in part 1, the
23 department shall do all of the following:

24 (a) Ensure that any inmate care and control staff in contact
25 with prisoners less than 18 years of age are adequately trained
26 with regard to the developmental and mental health needs of
27 prisoners less than 18 years of age. By April 1, the department
28 shall report on the training curriculum used and the number and
29 types of staff receiving annual training under that curriculum.

1 (b) Provide appropriate placement for prisoners less than 18
2 years of age who have serious mental illness, serious emotional
3 disturbance, or a serious developmental disorder and need to be
4 housed separately from the general population. Prisoners less than
5 18 years of age who have serious mental illness, serious emotional
6 disturbance, or a serious developmental disorder shall not be
7 removed from an existing placement as a punitive response to
8 behavior caused by their serious mental illness, serious emotional
9 disturbance, or a serious developmental disorder. Due to persistent
10 high violence risk or severe disruptive behavior that is
11 unresponsive to treatment, prisoners less than 18 years of age with
12 serious emotional disturbance, serious mental illness, or serious
13 developmental disorders may be placed in secure residential housing
14 programs that will facilitate access to institutional programming
15 and ongoing mental health services. A prisoner less than 18 years
16 of age with serious mental illness, serious emotional disturbance,
17 or a serious developmental disorder who is confined in these
18 specialized housing programs shall be evaluated or monitored by a
19 medical professional at a frequency of not less than every 12
20 hours.

21 (c) Implement a specialized offender success program that
22 recognizes the needs of prisoners less than 18 years old for
23 supervised offender success.

24 Sec. 713. From the funds appropriated in part 1, the
25 department shall submit a report by April 1 on the number of youth
26 in prison. The report shall include, but not be limited to, the
27 following information:

28 (a) The total number of inmates under age 18 who are not on
29 Holmes youthful trainee act status.

1 (b) The total number of inmates under age 18 who are on Holmes
2 youthful trainee act status.

3 (c) The total number of inmates aged 18 to 23 who are on
4 Holmes youthful trainee act status.

5 Sec. 714. (1) Any lease, rental, contract, or other legal
6 agreement that includes a provision allowing a private person or
7 entity to use state-owned facilities or other property to conduct a
8 for-profit business enterprise shall require the lessee to pay fair
9 market value for the use of the state-owned property.

10 (2) The lease, rental, contract, or other legal agreement
11 shall also require the party using the property to make a payment
12 in lieu of taxes to the local jurisdictions that would otherwise
13 receive property tax revenue, as if the property were not owned by
14 the state.

15 Sec. 715. The department shall ensure that any contract,
16 funded from appropriations in part 1, with a public or private
17 party to operate a facility to house state prisoners includes a
18 provision to allow access by both the office of the legislative
19 auditor general and the office of the legislative corrections
20 ombudsman to the facility and to appropriate records and documents
21 related to the operation of the facility. These access rights for
22 both offices shall be the same for the contracted facility as for a
23 general state-operated correctional facility.

24 Sec. 716. From the funds appropriated in part 1, the
25 department shall submit a report by May 1 on the actual and
26 projected savings achieved by closing correctional facilities.
27 Savings amounts shall be itemized by facility. Information required
28 by this section shall start with the closure of the Pugsley
29 Correctional Facility, which closed in September of 2016, and shall

1 continue for each facility closed thereafter.

2 Sec. 717. When the department is planning to close a
3 correctional facility, the department shall fully consider the
4 potential economic impact of the prison closure on the community
5 where the facility is located. The department, when weighing all
6 factors related to the closure of a facility, shall also consider
7 the impact on the local community where the facility to be closed
8 is located.

9 Sec. 718. From the funds appropriated in part 1, the
10 department shall report on the department's plans to close,
11 consolidate, or relocate any correctional facility in the state.
12 The report shall be provided at least 30 days prior to effective
13 date of closure, consolidation, or relocation.

14 Sec. 719. The department shall consult with the legislature
15 and other appropriate state agencies to develop a framework to
16 provide investment in communities that have formerly operational
17 state correctional facilities that have been closed. This framework
18 shall include plans to ensure that vacant state correctional
19 facilities do not become a nuisance or danger to the community.

20 Sec. 720. From the funds appropriated in part 1, the
21 department shall make an information packet for the families of
22 incoming prisoners available on the department's website. The
23 information packet shall be reviewed by February 1 and updated as
24 necessary. The packet shall provide information on topics
25 including, but not limited to: how to put money into prisoner
26 accounts, how to make telephone calls or create Jpay email
27 accounts, how to visit in person, proper procedures for filing
28 complaints or grievances, the rights of prisoners to physical and
29 mental health care, how to utilize the offender tracking

1 information system (OTIS), truth-in-sentencing and how it applies
2 to minimum sentences, the parole process, and guidance on the
3 importance of the role of families in the reentry process. The
4 department may partner with external advocacy groups and actual
5 families of prisoners in the packet-writing process to ensure that
6 the information is useful and complete.

7 Sec. 721. The department may accept in-kind services and
8 equipment donations to facilitate the addition of a cable network
9 that provides programming that will address the religious needs of
10 incarcerated individuals. This network may be a cable television
11 network that presently reaches the majority of households in the
12 United States. A bilingual channel affiliated with this network may
13 also be added to department programming to assist the religious
14 needs of Spanish-speaking inmates. The addition of these channels
15 shall be at no additional cost to this state.

16

17 **ONE-TIME APPROPRIATIONS**

18 Sec. 801. (1) Funds appropriated in part 1 for Chance for Life
19 shall be used to contract with an organization that provides
20 prison-based rehabilitation programming, including educational,
21 life skills, and behavioral modification programs. The organization
22 shall enter into a performance-based contract with the department
23 that allows for payment based on the number of prisoners and
24 parolees served according to the agreed upon program rules, as well
25 as program outcomes.

26 (2) The objective of programming shall be to offer a
27 progressive transformational program to individuals while they are
28 in prison in an effort to prepare them for a successful transition
29 back into the community. The department shall select an

1 organization that meets all of the following to provide the
2 programming under this section:

3 (a) Has the purpose to increase community safety by reducing
4 recidivism through providing evidence-based mentoring, employment
5 soft skills training, job placement assistance, critical thinking
6 skills, mediation, and conflict resolution training.

7 (b) Has experience offering programs to male and female prison
8 populations in correctional facilities in this state.

9 (c) Has experience with and offers programming that includes
10 the family in the reentry process using the family group decision-
11 making for reintegration model, which focuses on 7 factors as a
12 basis for successful family reintegration.

13 (d) Has experience with and offers programming that utilizes
14 techniques to address post-prison adjustment disorders.

15 (3) The unexpended funds appropriated in part 1 for Chance for
16 Life are designated as a work project appropriation. Any
17 unencumbered or unallotted funds shall not lapse at the end of the
18 fiscal year and shall be available for expenditure until the
19 project has been completed. The following is in compliance with
20 section 451a(1) of the management and budget act, 1984 PA 431, MCL
21 18.1451a:

22 (a) The purpose of the project is to contract with an
23 organization that provides prison-based rehabilitation programming,
24 including educational, life skills, and behavioral modification
25 programs.

26 (b) The project will be accomplished by utilizing state
27 employees or contracts.

28 (c) The estimated cost of the project is \$500,000.00.

29 (d) The tentative completion date for the project is September

1 30, 2027.

2 Sec. 802. (1) Funds appropriated in part 1 for COVID-19
3 suspended intake payments shall be used by the department to
4 reimburse counties for housing in jails felons who are temporarily
5 being held in jail due to the closure of intake by the department.
6 For a county to be eligible to receive reimbursement payments, the
7 felon must be sentenced to a term of imprisonment with the
8 department, but the department has declined to receive the felon at
9 intake because the department has closed intake to all counties as
10 part of its COVID-19 control plan. The county shall not be eligible
11 for reimbursement under this section if the department has declined
12 to receive the prisoner at intake from that specific county because
13 the county lacks appropriate COVID-19 safeguards or is experiencing
14 a COVID-19 outbreak within its jail operations. A county shall not
15 receive reimbursement payments under the county jail reimbursement
16 program for the prisoners and days reimbursed under this section.

17 (2) The per diem reimbursement rate shall be \$80.00 per day.
18 The aggregate reimbursements made under this section shall not
19 exceed \$1,000,000.00.

20 (3) Reimbursement payments to counties under this section
21 shall be made in the order in which properly documented requests
22 for reimbursements are received. A request shall be considered to
23 be properly documented if it meets department of corrections
24 requirements for documentation.

25 Sec. 803. Funds appropriated in part 1 for improvements to
26 staff areas in correctional facilities shall be used by the
27 department to make upgrades to staff common areas, including staff
28 break rooms, staff restrooms, and staff exercise rooms. Upgrades
29 may include, but are not limited to, replacement of flooring,

1 furniture, equipment, and fixtures.

2 Sec. 804. (1) From the funds appropriated in part 1, the
3 department shall continue a program to provide care management to
4 parolees postrelease, which may include the development of a
5 prerelease mental health discharge plan for parolees in prosperity
6 region 8.

7 (2) The program under subsection (1) must continue for at
8 least 1 year with the goal of serving a minimum of 75 parolees. The
9 program must include, but is not limited to, case management and
10 assessments, registration and use by community providers, the
11 tracking of interactions between the care team members and
12 parolees, and the ability for parolees to provide feedback.

13 Sec. 805. From the funds appropriated in part 1 for gender
14 reassignment legal defense, \$100,000.00 must be used by the
15 department for legal defense related to the prohibition on using
16 state funding for gender reassignment surgeries or therapies while
17 individuals are under the jurisdiction of the department of
18 corrections.

23 authenticate the availability of the project match or board
24 approval of the authorized project, the authorization may
25 terminate. The authorization terminates 30 days after the director
26 notifies the JCOS of the intent to terminate the project unless the
27 JCOS convenes to extend the authorization.

13 individual users and monitor and manage license availability,

16 across all state departments and agencies and empower the
17 department to capture these opportunities manually or
18 automatically.

19 (d) Identify cost savings ahead of software package renewals
20 or negotiations in the next 12 months.

21 (e) Monitor and enforce data security policies in an automated
22 way to reduce misconfigurations and data security vulnerabilities.

23 Sec. 891. From the funds appropriated in part 1 for supply
24 chain technology, MDTMB shall issue a solicitation for a software
25 product that provides real-time visibility platforms for complex
26 supply chains provided by a vendor based in this state. Vendors

24 number of future race dates conducted by race meeting licensees
25 with which the certified horsemen's organization has contracts.
26 Prior to the reduction in the number of authorized race dates due

 26 unit municipal pension principal payment grant, the department of
 27 treasury shall establish and operate a grant program that would
 28 provide grant awards to qualified units for deposit into a
 29 qualified unit's qualified retirement system or systems. The grant

1 award payment into the qualified retirement system must be in
2 addition to a qualified unit's actuarially determined contribution
3 as reported under section 5 of the protecting local government
4 retirement and benefits act, 2017 PA 202, MCL 38.2805, as of
5 December 31, 2021 and must not be used by the qualified unit to
6 meet its actuarially determined contribution for a qualified
7 retirement system or systems.

8 (2) To qualify for a grant award under this section, a
9 qualified unit must certify and attest via an affidavit that it
10 shall implement all of the following practices upon the receipt of
11 a grant award:

12 (a) The qualified unit shall make, in full, all actuarially
13 determined contributions. If a qualified unit's actual contribution
14 is less than the actuarially determined contribution, the qualified
15 unit shall remit an amount equal to the difference to the qualified
16 retirement system within 12 months. If the qualified unit fails to
17 remit this payment within 12 months, the department of treasury may
18 intercept the qualified unit's revenue sharing payment. For a
19 qualified unit that is a road commission, the department of
20 transportation, in cooperation with the department of treasury, may
21 intercept an available state revenue distribution.

22 (b) The qualified unit shall not provide contractual benefit
23 enhancements unless the contractual benefit enhancement is 100%
24 prefunded. Failure to meet the conditions of this subdivision
25 requires repayment of the grant award that was received by the
26 qualified unit. The qualified governmental unit shall notify the
27 department of treasury in a form and manner prescribed of any
28 contractual benefit enhancement under this subsection within 30
29 days.

1 (c) A qualified retirement system with a discount rate or

3 discount rate or assumed rate of return of not more than the
4 current rate. A qualified retirement system with a discount rate or
5 assumed rate of return greater than 7% must lower its discount rate
6 or assumed rate of a return to a rate at or below 7% within the
7 immediately succeeding 5-year period.

8 (d) The qualified retirement system shall adopt, on the
9 recommendation of the actuary and in accordance with all applicable
10 actuarial standards of practice, the most current mortality tables
11 that are most appropriate for the characteristics of the
12 population, which may subsequently be adjusted based on an
13 experience study of the qualified retirement system.

14 (e) The qualified unit shall be subject to corrective action
15 plan monitoring by the municipal stability board for 5 years
16 following receipt of any grant award.

17 (f) Before completing corrective action plan monitoring in a
18 5-year period, the qualified unit shall comply with the uniform
19 actuarial assumptions of retirement systems, except for the
20 discount rate and assumed rate of return assumptions, published as
21 of December 31, 2021 by the state treasurer under the protecting
22 local government retirement and benefits act, 2017 PA 202, MCL
23 38.2801 to 38.2812, for the qualified retirement system. A
24 qualified unit, if that unit has, previous to the enactment of this
25 bill, had an amortization schedule approved by an accredited
26 actuary in accordance with all actuarial standards of practice, and
27 if that amortization schedule has been reviewed and approved by the
28 state treasurer, is not subject to the uniform actuarial
29 assumptions of retirement systems' assumption on amortization and

1 may maintain its current amortization schedule.

2 (3) Grant awards under this section must be capped at
3 \$170,000,000.00 for any qualified unit's qualified retirement
4 system.

8 2023. The department of treasury must accept applications from
9 qualified units beginning April 15, 2023 and ending on June 15,
10 2023. Grant awards to a qualified retirement system under this
11 section shall not exceed an amount equal to the amount necessary to
12 achieve a funded ratio of 60% or the cap on grant awards in
13 subsection (3), whichever is less, and funds must be disbursed no
14 later than August 30, 2023.

15 (5) From the funds appropriated in part 1 for local unit
16 municipal pension principal payment grant, an amount not to exceed
17 \$1,000,000.00 may be used by the department of treasury for
18 administrative costs related to this section, including, but not
19 limited to, the use of a vendor to assist with processing
20 applications.

21 (6) If the amount appropriated is insufficient to meet all
22 grant award requests, the department of treasury shall prorate
23 payments under this section by reducing the amount of the
24 allocation as otherwise calculated under this section by an equal
25 percentage per qualified unit receiving funds under this section.

26 (7) As used in this section:

27 (a) "Contractual benefit enhancement" means any change to the
28 current benefit policy for active members in a qualified retirement
29 system that increases the actuarially determined contribution rate

1 or decreases the funded ratio of the system. This does not include
2 wage and salary increases.

3 (b) "Qualified retirement system" means a retirement pension

14 appropriated an amount not to exceed \$50,000,000.00 general fund to
15 make payments to qualified units as defined under section 979a, to
16 the extent necessary, as determined by the state treasurer, to
17 ensure that the qualified retirement systems of qualified units
18 receiving funds under section 979a have a funded ratio of at least
19 60%.

20 (2) Funds distributed under this section are subject to
21 section 979a except for the cap in section 979a(3).

22 Sec. 979c. The funds appropriated in part 1 for state police
23 retirement system deposit must be used solely for a deposit into
24 the state police retirement system. The deposit into the state
25 police retirement system must be in addition to the actuarially

5 budget act, 1984 PA 431, MCL 18.1242, and upon the approval of the
6 state building authority, the department of treasury may expend
7 from the general fund of this state during the fiscal year an
8 amount to meet the cash flow requirements of those state building
9 authority projects solely for lease to a state agency identified in

14 amendment to a bill to amend the social welfare act, 1939 PA 280,
15 MCL 400.1 to 400.119b, cannot be implemented because implementation
16 would conflict with or violate federal regulations.

17 (b) A federal grant, for which a notice of an award has been
18 received, cannot be used, or will not be used.

19 Sec. 216. (1) In addition to funds appropriated in part 1 for
20 all programs and services, there is appropriated for write-offs of
21 accounts receivable, deferrals, and for prior year obligations in
22 excess of applicable prior year appropriations, an amount equal to
23 total write-offs and prior year obligations, but not to exceed
24 amounts available in prior year revenues.

25 (2) The department's ability to satisfy appropriation fund
26 sources in part 1 is not limited to collections and accruals
27 pertaining to services provided in the current fiscal year, but
28 also includes reimbursements, refunds, adjustments, and settlements
29 from prior years.

1 Sec. 217. (1) By February 1 of the current fiscal year, the
2 department shall report to the house and senate appropriations
3 subcommittees on the department budget, the house and senate fiscal
4 agencies, and the state budget director on the detailed name and
5 amounts of estimated federal, restricted, private, and local
6 sources of revenue that support the appropriations in each of the
7 line items in part 1.

8 (2) Upon the release of the next fiscal year executive budget
9 recommendation, the department shall report to the same parties in
10 subsection (1) on the amounts and detailed sources of federal,
11 restricted, private, and local revenue proposed to support the
12 total funds appropriated in each of the line items in part 1 of the
13 next fiscal year executive budget proposal.

14 Sec. 218. As required under part 23 of the public health code,
15 1978 PA 368, MCL 333.2301 to 333.2321, the department shall provide
16 an annual listing of proposed basic health services by October 1 of
17 the current fiscal year and each succeeding year to ensure that
18 appropriate review and comment occurs in the development of the
19 executive budget recommendations. The listing must be provided by
20 the department to the house and senate appropriations subcommittees
21 on the department budget, the house and senate fiscal agencies, the
22 house and senate policy offices, and the state budget office.

23 Sec. 219. (1) The department may contract with the Michigan
24 Public Health Institute for the design and implementation of
25 projects and for other public health-related activities prescribed
26 in section 2611 of the public health code, 1978 PA 368, MCL
27 333.2611. The department may develop a master agreement with the
28 Michigan Public Health Institute to carry out these purposes for up
29 to a 1-year period.

1 (2) It is the intent of the legislature that the Michigan
2 Public Health Institute shall not be a passthrough, contract
3 manager, or indirect contract manager for a contract with the
4 department for a project or other public health-related activity.

5 (3) The department shall report to the house and senate
6 appropriations subcommittees on the department budget, the house
7 and senate fiscal agencies, and the state budget director on a
8 semiannual basis all of the following:

9 (a) A detailed description of each funded project.

10 (b) The amount allocated for each project, the appropriation
11 line item from which the allocation is funded, and the source of
12 financing for each project.

13 (c) The expected project duration.

14 (d) A detailed spending plan for each project, including a
15 list of all subgrantees and the amount allocated to each
16 subgrantee.

17 (4) On a semiannual basis, the department shall provide to the
18 same parties listed in subsection (1) a copy of all reports,
19 studies, and publications produced by the Michigan Public Health
20 Institute, its subcontractors, or the department with the funds
21 appropriated in the department's budget in the previous fiscal year
22 and allocated to the Michigan Public Health Institute.

23 Sec. 220. The department shall ensure that faith-based
24 organizations are able to apply and compete for services, programs,
25 or contracts that they are qualified and suitable to fulfill. The
26 department shall not disqualify faith-based organizations solely on
27 the basis of the religious nature of their organization or their
28 guiding principles or statements of faith.

29 Sec. 221. According to section 1b of the social welfare act,

1 1939 PA 280, MCL 400.1b, the department shall treat part 1 and this
2 part as a time-limited addendum to the social welfare act, 1939 PA
3 280, MCL 400.1 to 400.119b.

4 Sec. 222. (1) The department shall provide written
5 notification to the senate and house appropriations subcommittees
6 on the department budget, the senate and house fiscal agencies, the
7 senate and house policy offices, and the state budget office of any
8 major policy changes at least 30 days before the implementation
9 date of those policy changes.

10 (2) The department shall make the entire policy and procedures
11 manual available and accessible to the public via the department
12 website.

13 (3) The department shall report by April 1 of the current
14 fiscal year on each specific policy change made to implement a
15 public act affecting the department that took effect during the
16 prior calendar year to the senate and house appropriations
17 committees, the senate and house appropriations subcommittees on
18 the department budget, the joint committee on administrative rules,
19 and the senate and house fiscal agencies.

20 (4) The department shall attach each policy bulletin issued
21 during the prior calendar year to the report issued in subsection
22 (3).

23 Sec. 223. The department may establish and collect fees for
24 publications, videos and related materials, conferences, and
25 workshops. Collected fees are appropriated when received and shall
26 be used to offset expenditures to pay for printing and mailing
27 costs of the publications, videos and related materials, and costs
28 of the workshops and conferences. The department shall not collect
29 fees under this section that exceed the cost of the expenditures.

1 When collected fees are appropriated under this section in an
2 amount that exceeds the current fiscal year appropriation, within
3 30 days the department shall notify the chairs of the house and
4 senate appropriations subcommittees on the department budget, the
5 house and senate fiscal agencies and policy offices, and the state
6 budget director of that fact.

7 Sec. 224. The department may retain all of the state's share
8 of food assistance overissuance collections as an offset to general
9 fund/general purpose costs. Retained collections shall be applied
10 against federal funds deductions in all appropriation units where
11 department costs related to the investigation and recoupment of
12 food assistance overissuances are incurred. Retained collections in
13 excess of those costs shall be applied against the federal funds
14 deducted in the departmental administration and support
15 appropriation unit.

16 Sec. 225. (1) For providers and entities receiving funds from
17 the appropriations in part 1, sanctions, suspensions, conditions
18 for provisional license status, and other penalties shall not be
19 more stringent for private service providers than for public
20 entities performing equivalent or similar services.

21 (2) For services to be provided from the appropriations in
22 part 1, both of the following apply:

23 (a) Neither the department nor private service providers or
24 licensees shall be granted preferential treatment or considered
25 automatically to be in compliance with administrative rules based
26 on whether they have collective bargaining agreements with direct
27 care workers.

28 (b) Private service providers or licensees without collective
29 bargaining agreements shall not be subjected to additional

1 requirements or conditions of licensure based on their lack of
2 collective bargaining agreements.

3 Sec. 226. If the revenue collected by the department from fees
4 and collections exceeds the amount appropriated in part 1, the
5 revenue may be carried forward with the approval of the state
6 budget director into the subsequent fiscal year. The revenue
7 carried forward under this section shall be used as the first
8 source of funds in the subsequent fiscal year.

9 Sec. 227. The state departments, agencies, and commissions
10 receiving tobacco tax funds and Healthy Michigan fund revenue from
11 part 1 shall report by April 1 of the current fiscal year to the
12 senate and house appropriations committees, the senate and house
13 fiscal agencies, and the state budget director on the following:

14 (a) A detailed spending plan by appropriation line item
15 including description of programs and a summary of organizations
16 receiving these funds.

17 (b) A description of allocations or bid processes including
18 need or demand indicators used to determine allocations.

19 (c) Eligibility criteria for program participation and maximum
20 benefit levels where applicable.

21 (d) Outcome measures used to evaluate programs, including
22 measures of the effectiveness of these programs in improving the
23 health of residents of this state.

24 Sec. 228. (1) If the department is authorized under state or
25 federal law to collect an overpayment owed to the department, the
26 department may assess a penalty of 1% per month beginning 60 days
27 after notification. If an overpayment is caused by department
28 error, a penalty may not be assessed until 6 months after the
29 initial notification date of the overpayment amount. The department

1 shall not collect penalty interest in an amount that exceeds the
 2 amount of the original overpayment. The state share of any funds
 3 collected under this section shall be deposited in the state
 4 general fund.

5 (2) By September 30 of the current fiscal year, the department
 6 shall report to the house and senate appropriations subcommittees
 7 on the department budget, the house and senate fiscal agencies, and
 8 the state budget office on penalty amounts assessed and paid by
 9 account during the current fiscal year, the reason for the penalty,
 10 and the current status of the account.

11 Sec. 229. From the \$370,000.00 of TANF revenue appropriated in
 12 part 1 for training and program support, the department shall
 13 extend the interagency agreement with the office of employment and
 14 training within the department of labor and economic opportunity
 15 for the duration of the current fiscal year, which concerns TANF
 16 funding to provide job readiness and welfare-to-work programming.
 17 \$10,000.00 of TANF revenue is appropriated in part 1 for the
 18 department to report the following specific outcome and performance
 19 measures to the senate and house appropriations subcommittees on
 20 the department budget, the senate and house appropriations
 21 subcommittees on general government, the senate and house fiscal
 22 agencies, the senate and house policy offices, and the state budget

5 requirement through other job readiness programming.

6 (iii) Average TANF spending per recipient.

7 (iv) The number and percentage of recipients who were referred
8 to Michigan Works! but did not receive a job or job readiness
9 placement and the reasons why.

10 (c) The following data itemized by Michigan Works! agency:

11 (i) The number of referrals to Michigan Works! job readiness
12 programs.

21 agencies and policy offices, and the state budget office on the
22 status of the implementation of any noninflationary, noncaseload,
23 programmatic funding increases in the current fiscal year from the
24 previous fiscal year. The report shall confirm the implementation
25 of already implemented funding increases and provide explanations
26 for any planned implementation of funding increases that have not
27 yet occurred. For any planned implementation of funding increases
28 that have not yet occurred, the department shall provide an
29 expected implementation date and the reasons for delayed

1 implementation.

2 Sec. 231. (1) The department shall not expend the funds
3 appropriated in part 1 to enter into any contract with a Medicaid
4 managed care organization of MI Choice Waiver, MI Health Link, or
5 behavioral health unless the Medicaid managed care organization
6 agrees to do all of the following:

7 (a) Continue the direct care wage increase funded at \$2.35 per
8 hour for the services noted in DHHS Medicaid provider letter L 21-
9 76 under the Medicaid managed care organization's relevant program.

10 (b) Ensure to the greatest extent possible that the full
11 amount for funds appropriated for a direct care worker wage
12 increase, except for costs incurred by the employer, including
13 payroll taxes, resulting from the increase to direct care worker
14 wages under this section, is provided to direct care workers
15 through maintained increased wages.

16 (c) Permit a direct care worker to elect, in writing or
17 electronically, to not receive the wage increase provided in this
18 section.

19 (d) Require direct care worker agencies that the Medicaid
20 managed care organization subcontracts with to track and report
21 annually the total amount and percentage of Medicaid reimbursements
22 paid to that direct care worker agency that are used to pay direct
23 care worker wages.

24 (e) Require direct care worker agencies that the Medicaid
25 managed care provider subcontracts with to track and report
26 annually the hourly wages paid for each direct care worker hired by
27 the direct care worker agency.

28 (f) Track annually the hourly wages paid to each direct care
29 worker hired directly by the Medicaid managed care organization or

1 CMHSP.

2 (g) Report annually to the department the information required
3 in subdivisions (d), (e), and (f).

4 (2) Upon request, the department shall provide to the

6 Sec. 232. (1) The department shall provide the approved
7 spending plan for each line item receiving an appropriation in the
8 current fiscal year to the senate and house appropriations
9 subcommittees on the department budget and the senate and house
10 fiscal agencies within 60 days after approval by the department but
11 not later than January 15 of the current fiscal year. Compliance
12 with this section is not met unless a line-item appropriation name
13 is included in all places that a line-item appropriation number is
14 listed. The spending plan shall include the following information
15 regarding planned expenditures for each category: allocation in the
16 previous period, change in the allocation, and new allocation. The
17 spending plan shall include the following information regarding
18 each revenue source for the line item: category of the fund source
19 indicated by general fund/general purpose, state restricted, local,
20 private, or federal. Figures included in the approved spending plan
21 shall not be assumed to constitute the actual final expenditures,
22 as line items may be updated on an as-needed basis to reflect
23 changes in projected expenditures and projected revenue. The
24 department shall supplement the spending plan information by
25 providing a list of all active contracts and grants in the
26 department's contract system. For amounts listed in the other
27 contracts category of each spending plan, the department shall
28 provide a list of all contracts and grants and amounts for the
29 current fiscal year, and include the name of the line item and the

1 name of the fund source related to each contract or grant and
2 amount. For amounts listed in the all other costs category of each
3 spending plan, the department shall provide a list detailing
4 planned expenditures and amounts for the current fiscal year, and
5 include the name of the line item and the name of the fund source
6 related to each amount and expenditure.

7 (2) Notwithstanding any other appropriation authority granted
8 in part 1, the department shall not appropriate any additional
9 general fund/general purpose funds or any related federal and state
10 restricted funds without providing a written 30-day notice to the
11 senate and house appropriations subcommittees on the department
12 budget, the senate and house fiscal agencies, and the senate and
13 house policy offices.

14 Sec. 233. If the state administrative board, acting under
15 section 3 of 1921 PA 2, MCL 17.3, transfers funds from an amount
16 appropriated under this article, the legislature may, by a
17 concurrent resolution adopted by a majority of the members elected
18 to and serving in each house, inter-transfer funds within this
19 article for the particular department, board, commission, office,
20 or institution.

21 Sec. 234. The departments and agencies receiving
22 appropriations in part 1 shall receive and retain copies of all
23 reports funded from appropriations in part 1. Federal and state
24 guidelines for short-term and long-term retention of records shall
25 be followed. The department may electronically retain copies of
26 reports unless otherwise required by federal and state guidelines.

27 Sec. 236. (1) From the funds appropriated in part 1, the
28 department shall do all of the following:

29 (a) Report to the house and senate appropriations committees,

1 the house and senate fiscal agencies, the house and senate policy
 2 offices, and the state budget office any amount of severance pay
 3 for a department director, deputy director, or other high-ranking
 4 department official not later than 14 days after a severance
 5 agreement with the director or official is signed. The name of the
 6 director or official and the amount of severance pay must be
 7 included in the report required by this subdivision.

8 (b) Maintain an internet website that posts any severance pay
 9 in excess of 6 weeks of wages, regardless of the position held by
 10 the former department employee receiving severance pay.

11 (c) By February 1, report to the house and senate
 12 appropriations subcommittees on the department budget, the house
 13 and senate fiscal agencies, the house and senate policy offices,
 14 and the state budget office on the total amount of severance pay
 15 remitted to former department employees during the previous fiscal
 16 year and the total number of former department employees that were

18 (2) As used in this section, "severance pay" means
 19 compensation that is both payable or paid upon the termination of
 20 employment and in addition to either wages or benefits earned
 21 during the course of employment or generally applicable retirement
 22 benefits.

23 Sec. 237. (1) Any department, agency, board, commission, or
 24 public officer that receives funding under part 1 shall not:

25 (a) Require as a condition of accessing any facility or

 28 or as a condition of receiving federal Medicare or Medicaid
 29 funding.

1 (b) Produce, develop, issue, or require a COVID-19 vaccine
2 passport.

6 (d) Require as a condition of employment that an employee or
7 official provide proof that he or she has received a COVID-19
8 vaccine. This subdivision does not apply to any hospital,
9 congregate care facility, or other medical facility or any
10 hospital, congregate care facility, or other medical facility
11 operated by a local subdivision that receives federal Medicare or
12 Medicaid funding.

13 (2) A department, agency, board, commission, or public officer
14 may not subject any individual to any negative employment
15 consequence, retaliation, or retribution because of that
16 individual's COVID-19 vaccine status.

17 (3) Subsection (1) does not prohibit any person, department,
18 agency, board, commission, or public officer from transmitting
19 proof of an individual's COVID-19 vaccine status to any person,
20 company, or governmental entity, so long as the individual provides
21 affirmative consent.

22 (4) If a department, agency, board, commission, subdivision,
23 or official or public officer is required to establish a vaccine
24 policy due to a federal mandate, it must provide exemptions to any
25 COVID-19 vaccine policy to the following individuals:

26 (a) An individual for whom a physician certifies that a COVID-
27 19 vaccine is or may be detrimental to the individual's health or
28 is not appropriate.

29 (b) An individual who provides a written statement to the

1 effect that the requirements of the COVID-19 vaccine policy cannot
2 be met because of religious convictions or other consistently held
3 objection to immunization.

4 (5) As used in this section, "public officer" means a person
5 appointed by the governor or another executive department official
6 or an elected or appointed official of this state or a political
7 subdivision of this state.

9 maximize the efficiency of the state workforce and, where possible,
10 prioritize in-person work. Each executive branch department,
11 agency, board, or commission that receives funding under part 1
12 must post its in-person, remote, or hybrid work policy on its
13 website.

14 Sec. 239. For behavioral and physical health services provided
15 through managed care or the fee-for-service program, the department
16 shall require, for the nonfacility component of the reimbursement
17 rate, at least the same reimbursement for that service, if that
18 service is provided through telemedicine, as if the service
19 involved face-to-face contact between the health care professional
20 and the patient.

21 Sec. 240. Appropriations in part 1 shall, to the extent
22 possible by the department, not be expended until all existing work
23 project authorization available for the same purposes is exhausted.

24 Sec. 241. By March 1 of the current fiscal year, the
25 department shall report to the house and senate appropriations
26 subcommittees on the department budget, the house and senate fiscal
27 agencies, the house and senate policy offices, and the state budget
28 director on total actual expenditures in the previous fiscal year
29 for advertising and media outreach, including the purpose, amount,

1 and fund source by program or appropriation line-item.

2 Sec. 242. From the funds appropriated in part 1 for
3 departmental administration and management, \$100,000.00 is
4 allocated to produce a description of programs report for the
5 current fiscal year by March 1 of the current fiscal year. The
6 report shall be submitted to the senate and house appropriations
7 committees, the senate and house fiscal agencies, and the senate
8 and house policy offices. The report shall include the
9 appropriation unit, the line-item name and number, the
10 appropriation history, the program name, the program overview, the
11 financing detail, and where applicable, the legal basis for the
12 program and program effectiveness and outcomes.

13 Sec. 243. From the funds appropriated in part 1, the
14 department shall allocate \$50,000.00 to provide notice and
15 information to health care providers and the public that the
16 department shall not use state restricted funds or state general
17 funds, or allow grantees or subcontractors to use those funds,
18 appropriated in part 1 to fund any elective abortion. As used in
19 this section, "elective abortion" means the intentional use of an
20 instrument, drug, or other substance or device to terminate a
21 woman's pregnancy for a purpose other than to increase the
22 probability of a live birth, to preserve the life or health of the
23 child after live birth, or to remove a fetus that has died as a
24 result of natural causes, accidental trauma, or a criminal assault
25 on the pregnant woman. Elective abortion does not include any of
26 the following:

27 (a) The use or prescription of a drug or device intended as a
28 contraceptive.

29 (b) The intentional use of an instrument, drug, or other

1 substance or device by a physician to terminate a woman's pregnancy
2 if the woman's physical condition, in the physician's reasonable
3 medical judgment, necessitates the termination of the woman's
4 pregnancy to avert her death.

5 (c) Treatment upon a pregnant woman who is experiencing a
6 miscarriage or has been diagnosed with an ectopic pregnancy.

7 Sec. 244. On a monthly basis, the department shall report to
8 the senate and house appropriations subcommittees on the department
9 budget, the senate and house fiscal agencies, and the state budget
10 office on any line-item appropriation for which the department
11 estimates total annual expenditures would exceed the funds
12 appropriated for that line-item appropriation by 5% or more. The
13 department shall provide a detailed explanation for any relevant
14 line-item appropriation exceedance and shall identify the
15 corrective actions undertaken to mitigate line-item appropriation
16 expenditures from exceeding the funds appropriated for that line-
17 item appropriation by a greater amount. This section does not apply
18 for line-item appropriations that are part of the May revenue
19 estimating conference caseload and expenditure estimates.

20 Sec. 246. Except as otherwise provided in this part, all
21 reports required under this part shall be submitted to the senate
22 and house appropriations subcommittees on the department budget,
23 the senate and house fiscal agencies, the senate and house policy
24 offices, and the state budget office.

25 Sec. 250. The director or a local health officer shall not
26 issue or enforce any orders or other directives that require an
27 individual in this state who is under the age of 18 to wear a face
28 mask or face covering.

29 Sec. 251. From the funds appropriated in part 1 for

1 departmental administration and support, the department must
2 develop reports related to emergency orders involving an epidemic
3 issued during the fiscal year ending on September 30, 2023. Within
4 7 days after the issuance of any emergency order involving an
5 epidemic, a report under this section must be provided to the
6 senate and house appropriations committees and the senate and house
7 fiscal agencies, and posted publicly on the department's website. A
8 report under this section must contain the following:

9 (a) An explanation of the nature and scope of the epidemic
10 that the emergency order is intended to address.

11 (b) A description of each area of the state that the
12 department has determined is threatened by the epidemic.

13 (c) If applicable, an explanation that contains the evidence
14 relied upon to determine that a procedure established in the
15 emergency order ensures the continuation of essential public health
16 services or the enforcement of health laws.

17 (d) If applicable, an explanation that contains the evidence
18 relied upon to determine that a prohibition on gathering contained
19 in the emergency order is necessary to protect the public health.

20 (e) A list of primary experts, organizations, or sources not
21 affiliated with the department that were relied upon to issue the
22 emergency order and any corresponding expenditures by the
23 department associated with any such experts, organizations, or
24 sources.

25 (f) A list of primary state government personnel responsible
26 for developing the emergency order.

27 (g) A description of what factors the department will consider
28 when deciding to terminate or modify the order.

29 Sec. 252. The appropriations in part 1 for Healthy Michigan

1 plan - behavioral health, Healthy Michigan plan administration, and
2 Healthy Michigan plan are contingent on the provisions of the
3 social welfare act, 1939 PA 280, MCL 400.1 to 400.119b, that were
4 contained in 2013 PA 107 not being amended, repealed, or otherwise
5 altered to eliminate the Healthy Michigan plan. If that occurs,
6 then, upon the effective date of the amendatory act that amends,
7 repeals, or otherwise alters those provisions, the remaining funds
8 in the Healthy Michigan plan - behavioral health, Healthy Michigan
9 plan administration, and Healthy Michigan plan line items shall
10 only be used to pay previously incurred costs and any remaining
11 appropriations shall not be allotted to support those line items.

12 Sec. 258. (1) In collaboration with the department of
13 education and the department of state police, the department shall
14 promote and support initiatives in schools and other educational
15 organizations that include, but are not limited to, training for
16 educators, teachers, and other personnel in school settings for all
17 of the following:

18 (a) The utilization of trauma-informed practices.

19 (b) Age-appropriate education and information on human
20 trafficking.

21 (c) Age-appropriate education and information on sexual abuse
22 prevention.

23 (2) The collaboration shall include the child welfare
24 institute within the department, which provides training and
25 education for public and private employees who work within the
26 child protective services, foster care, adoption, and juvenile
27 justice systems.

28 (3) The department shall report by March 1 of the current
29 fiscal year on the activities and status of implementation of the

1 requirements described in subsections (1) and (2) to the house and
2 senate appropriations subcommittees on the department budget, the
3 house and senate fiscal agencies, the house and senate policy
4 offices, and the state budget office.

5 Sec. 263. (1) Except as otherwise provided in this subsection,
6 before submission of a waiver, a state plan amendment, or a similar
7 proposal to CMS or other federal agency, the department shall
8 provide written notification of the planned submission to the house
9 and senate appropriations subcommittees on the department budget,
10 the house and senate fiscal agencies and policy offices, and the
11 state budget office. This subsection does not apply to the
12 submission of a waiver, a state plan amendment, or similar proposal
13 that does not propose a material change or is outside of the
14 ordinary course of waiver, state plan amendment, or similar
15 proposed submissions.

16 (2) The department shall provide written reports on a
17 semiannual basis to the senate and house appropriations
18 subcommittees on the department budget, the senate and house fiscal
19 agencies, and the state budget office summarizing the status of any
20 new or ongoing discussions with CMS, the United States Department
21 of Health and Human Services, or other federal agency regarding
22 potential or future waiver applications as well as the status of
23 submitted waivers that have not yet received federal approval. If,
24 at the time a semiannual report is due, there are no reportable
25 items, then no report is required to be provided.

26 Sec. 264. The department shall not take disciplinary action
27 against an employee of the department in the state classified civil
28 service for communicating with a member of the legislature or his
29 or her staff, unless the communication is prohibited by law and the

1 department is exercising its authority as provided by law.

2 Sec. 270. The department shall advise the legislature of the
3 receipt of a notification from the attorney general's office of a
4 legal action in which expenses had been recovered according to
5 section 106(6) of the social welfare act, 1939 PA 280, MCL 400.106.
6 By February 1 of the current fiscal year, the department shall
7 submit a written report to the house and senate appropriations
8 subcommittees on the department budget, the house and senate fiscal
9 agencies, and the state budget office that includes, at a minimum,
10 all of the following:

11 (a) The total amount recovered from the legal action.

12 (b) The program or service for which the money was originally
13 expended.

14 (c) Details on the disposition of the funds recovered such as
15 the appropriation or revenue account in which the money was
16 deposited.

17 (d) A description of the facts involved in the legal action.

18 Sec. 274. (1) The department, in collaboration with the state
19 budget office, shall submit to the house and senate appropriations
20 subcommittees on the department budget, the house and senate fiscal
21 agencies, and the house and senate policy offices 1 week after the
22 day the governor submits to the legislature the budget for the
23 ensuing fiscal year a report on spending and revenue projections
24 for each of the capped federal funds listed below. The report shall
25 contain actual spending and revenue in the previous fiscal year,
26 spending and revenue projections for the current fiscal year as
27 enacted, and spending and revenue projections within the executive
28 budget proposal for the fiscal year beginning October 1, 2023 for
29 each individual line item for the department budget. The report

1 shall also include federal funds transferred to other departments.
2 The capped federal funds shall include, but not be limited to, all
3 of the following:

- 4 (a) TANF.
- 5 (b) Title XX social services block grant.
- 6 (c) Title IV-B part I child welfare services block grant.
- 7 (d) Title IV-B part II promoting safe and stable families
8 funds.
- 9 (e) Low-income home energy assistance program.

10 (2) It is the intent of the legislature that the department,
11 in collaboration with the state budget office, not utilize capped
12 federal funding for economics adjustments for FTEs or other
13 economics costs that are included as part of the budget submitted
14 to the legislature by the governor for the ensuing fiscal year,
15 unless there is a reasonable expectation for increased federal
16 funding to be available to the department from that capped revenue
17 source in the ensuing fiscal year.

18 (3) By February 15 of the current fiscal year, the department
19 shall prepare an annual report of its efforts to identify TANF
20 maintenance of effort sources and rationale for any increases or
21 decreases from all of the following, but not limited to:

- 22 (a) Other departments.
- 23 (b) Local units of government.
- 24 (c) Private sources.

25 Sec. 275. (1) On a quarterly basis, the department, with the
26 approval of the state budget director, is authorized to realign
27 sources between other federal, TANF, and capped federal financing
28 authorizations in order to maximize federal revenues. This
29 realignment of financing shall not produce a gross increase or

1 decrease in the department's total individual line item
2 authorizations, nor will it produce a net increase or decrease in
3 total federal revenues, or a net increase in TANF authorization.

4 (2) On a quarterly basis the department shall report to the
5 house and senate appropriations subcommittees on the department
6 budget, the house and senate fiscal agencies, and the house and
7 senate policy offices on the realignment of federal fund sources
8 transacted to date in the current fiscal year under the authority
9 of subsection (1), including the dates, line items, and amounts of
10 the transactions. If, at the time a quarterly report is due, no
11 transactions were made under subsection (1), then no report is
12 required to be provided.

13 (3) Within 30 days after the date on which year-end book
14 closing is completed, the department shall submit to the house and
15 senate appropriations subcommittees on the department budget, the
16 house and senate fiscal agencies, and the house and senate policy
17 offices a report on the realignment of federal fund sources that
18 took place as part of the year-end closing process for the previous
19 fiscal year.

20 Sec. 280. By March 1 of the current fiscal year, the
21 department shall provide a report to the house and senate
22 appropriations subcommittees on the department budget, the house
23 and senate fiscal agencies, the house and senate policy offices,
24 and the state budget director that provides all of the following
25 for each line item in part 1 containing personnel-related costs,
26 including the specific individual amounts for salaries and wages,
27 payroll taxes, and fringe benefits:

28 (a) FTE authorization.

29 (b) Spending authorization for personnel-related costs, by

1 fund source, under the spending plan.

2 (c) Actual year-to-date expenditures for personnel-related
3 costs, by fund source, through the end of the prior month.

4 (d) The projected year-end balance or shortfall for personnel-
5 related costs, by fund source, based on actual monthly spending
6 levels through the end of the prior month.

7 (e) A specific plan for addressing any projected shortfall for
8 personnel-related costs at either the gross or fund source level.

9 Sec. 288. (1) Beginning October 1 of the current fiscal year,
10 no less than 90% of a new department contract supported solely from
11 state restricted funds or general fund/general purpose funds and
12 designated in this part or part 1 for a specific entity for the
13 purpose of providing services to individuals shall be expended for
14 those services after the first year of the contract.

15 (2) The department may allow a contract to exceed the
16 limitation on administrative and services costs under subsection
17 (1) if a grantee can demonstrate to the department that an
18 exception should be made to the provision in subsection (1).

19 (3) By September 30 of the current fiscal year, the department
20 shall report to the house and senate appropriations subcommittees
21 on the department budget, house and senate fiscal agencies, and
22 state budget office on the rationale for all exceptions made to
23 subsection (1) and the number of contracts terminated due to
24 violations of subsection (1). If, at the time the report is due, no
25 contracts were terminated due to violations of subsection (1) and
26 no exceptions were made under subsection (2), then no report is
27 required to be provided.

28 Sec. 289. By March 1 of the current fiscal year, the
29 department shall provide to the senate and house appropriations

1 subcommittees on the department budget, the senate and house fiscal
2 agencies, and the senate and house policy offices an annual report
3 on the supervisor-to-staff ratio by department divisions and
4 subdivisions.

5 Sec. 290. Any public advertisement for public assistance shall
6 also inform the public of the welfare fraud hotline operated by the
7 department.

8 Sec. 296. From the funds appropriated in part 1, the
9 department to the extent permissible under section 8 of 1964 PA
10 170, MCL 691.1408, is responsible for the necessary and reasonable
11 attorney fees and costs incurred by private and independent legal
12 counsel chosen by current and former classified and unclassified
13 department employees in the defense of the employees in any state
14 or federal lawsuit or investigation related to the water system in
15 a city or community in which a declaration of emergency was issued
16 because of drinking water contamination.

17 Sec. 297. (1) On a quarterly basis, the department shall
18 report to the senate and house appropriations committees, the
19 senate and house appropriations subcommittees on the department
20 budget, and the senate and house fiscal agencies the following
21 information:

22 (a) The number of FTE positions in pay status by civil service
23 classification.

24 (b) A comparison by line item of the number of FTE positions
25 authorized from funds appropriated in part 1 to the actual number
26 of FTE positions employed by the department at the end of the
27 reporting period.

28 (2) By March 1 of the current fiscal year, the department
29 shall report to the senate and house appropriations committees, the

1 senate and house appropriations subcommittees on the department
2 budget, and the senate and house fiscal agencies the following
3 information:

4 (a) Number of employees that were engaged in remote work in
5 2022.

6 (b) Number of employees of the department authorized to work
7 remotely and the actual number of those working remotely in the
8 current reporting period.

9 (c) Estimated net cost savings achieved by the department by
10 remote work.

11 (d) Reduced use of office space associated with remote work.

12 Sec. 299. (1) No state department or agency shall issue a
13 request for proposal (RFP) for a contract in excess of
14 \$5,000,000.00, unless the department or agency has first considered
15 issuing a request for information (RFI) or a request for
16 qualification (RFQ) relative to that contract to better enable the
17 department or agency to learn more about the market for the
18 products or services that are the subject of the RFP. The
19 department or agency shall notify the department of technology,
20 management, and budget of the evaluation process used to determine
21 if an RFI or RFQ was not necessary prior to issuing the RFP.

22 (2) From funds appropriated in part 1, for all RFPs issued
23 during the current fiscal year where an existing service received
24 proposals by multiple vendors, the department shall notify all
25 vendors within 30 days after the RFP decision. The notification to
26 vendors shall include details on the RFP process, including the
27 respective RFP scores and the respective cost for each vendor. If
28 the highest scored RFP or lowest cost RFP does not receive the
29 contract for an existing service offered by the department, the

1 notification shall issue an explanation for the reasons that the
 2 highest scored RFP or lowest cost RFP did not receive the contract
 3 and detail the incremental cost target amount or service level
 4 required that was required to migrate the service to a new vendor.
 5 Additionally, the department shall include in the notification
 6 details as to why a cost or service difference is justifiable if
 7 the highest scored or lowest cost vendor does not receive the
 8 contract.

9 (3) The department shall submit to the senate and house
 10 appropriations subcommittees on the department budget, the senate
 11 and house fiscal agencies, the senate and house policy offices, and
 12 the state budget office by September 30 of the current fiscal year,
 13 a report that includes the following:

14 (a) A summary of all RFPs issued for a contract in excess of
 15 \$5,000,000.00 including whether an RFI or RFQ was considered, and
 16 whether an RFI or RFQ was issued before issuing the RFP or whether
 17 the issuance of an RFI or RFQ was determined not to be necessary.

18 (b) A summary of all RFPs during the current fiscal year if an
 19 existing service received proposals by multiple vendors.

20 (c) A list of all finalized RFPs if there was a divergence
 21 from awarding the contract to the lowest-cost or highest-scoring
 22 vendor, and details as to why a divergence is justifiable as
 23 provided in the notification to vendors under subsection (2).

24 (d) The cost or service threshold required by department
 25 policy that must be satisfied in order for an existing contract to
 26 be received by a new vendor.

27

28 **DEPARTMENTAL ADMINISTRATION AND SUPPORT**

29 Sec. 301. From the funds appropriated in part 1 for terminal

1 leave payments, the department shall not spend in excess of its
 2 annual gross appropriation unless it identifies and requests a
 3 legislative transfer from another budgetary line item supporting
 4 administrative costs, as provided by section 393(2) of the
 5 management and budget act, 1984 PA 431, MCL 18.1393.

6
 7 **CHILD SUPPORT ENFORCEMENT**

8 Sec. 401. (1) The appropriations in part 1 assume a total
 9 federal child support incentive payment of \$26,500,000.00.

10 (2) From the federal money received for child support
 11 incentive payments, \$12,000,000.00 shall be retained by the state
 12 and expended for child support program expenses.

13 (3) From the federal money received for child support
 14 incentive payments, \$14,500,000.00 shall be paid to the counties
 15 based on each county's performance level for each of the federal
 16 performance measures as established in 45 CFR 305.2.

17 (4) If the child support incentive payment to the state from
 18 the federal government is greater than \$26,500,000.00, then 100% of
 19 the excess shall be retained by the state and is appropriated until
 20 the total retained by the state reaches \$15,397,400.00.

21 (5) If the child support incentive payment to the state from
 22 the federal government is greater than the amount needed to satisfy
 23 the provisions identified in subsections (1), (2), (3), and (4),
 24 the additional funds shall be subject to appropriation by the
 25 legislature.

26 (6) If the child support incentive payment to the state from
 27 the federal government is less than \$26,500,000.00, then the state
 28 and county share shall each be reduced by 50% of the shortfall.

29 Sec. 409. (1) If statewide retained child support collections

1 exceed \$38,300,000.00, 75% of the amount in excess of
 2 \$38,300,000.00 is appropriated to legal support contracts. This
 3 excess appropriation may be distributed to eligible counties to
 4 supplement and not supplant county title IV-D funding.

5 (2) Each county whose retained child support collections in
 6 the current fiscal year exceed its fiscal year 2004-2005 retained
 7 child support collections, excluding tax offset and financial
 8 institution data match collections in both the current fiscal year
 9 and fiscal year 2004-2005, shall receive its proportional share of
 10 the 75% excess.

11 Sec. 410. (1) If title IV-D-related child support collections
 12 are escheated, the state budget director is authorized to adjust
 13 the sources of financing for the funds appropriated in part 1 for
 14 legal support contracts to reduce federal authorization by 66% of
 15 the escheated amount and increase general fund/general purpose
 16 authorization by the same amount. This budget adjustment is
 17 required to offset the loss of federal revenue due to the escheated
 18 amount being counted as title IV-D program income in accordance
 19 with federal regulations at 45 CFR 304.50.

20 (2) The department shall notify the chairs of the house and
 21 senate appropriations subcommittees on the department budget and
 22 the house and senate fiscal agencies within 15 days after the
 23 authorization adjustment in subsection (1).

24

25 **COMMUNITY SERVICES AND OUTREACH**

26 Sec. 450. (1) From the funds appropriated in part 1 for school
 27 success partnership program, the department shall allocate
 28 \$1,525,000.00 of TANF revenue by December 1 of the current fiscal
 29 year to support the Northeast Michigan Community Service Agency

1 programming. The department shall require the following performance
2 objectives be measured and reported for the duration of the state
3 funding for the school success partnership program:

4 (a) Increasing school attendance and decreasing chronic
5 absenteeism.

6 (b) Increasing academic performance based on grades with
7 emphasis on math and reading.

8 (c) Identifying barriers to attendance and success and
9 connecting families with resources to reduce these barriers.

10 (d) Increasing parent involvement with the parent's child's
11 school and community.

12 (2) By July 15 of the current fiscal year, the Northeast
13 Michigan Community Service Agency shall provide reports to the
14 department on the number of children and families served and the
15 services that were provided to families to meet the performance
16 objectives identified in this section. The department shall
17 distribute the reports within 1 week after receipt to the senate
18 and house appropriations subcommittees on the department budget,
19 the senate and house fiscal agencies, the senate and house policy
20 offices, and the state budget office.

21 Sec. 451. (1) From the funds appropriated in part 1 for crime
22 victim justice assistance grants, the department shall allocate
23 \$102,600.00 of state general fund/general purpose revenue for a
24 sexual assault nurse examiners program at a hospital in a city with
25 a population between 21,600 and 21,700 according to the most recent
26 federal decennial census within a county with a population between
27 64,300 and 64,400 according to the most recent federal decennial
28 census. Funds must be used to support staff compensation and
29 training, victim needs, and community awareness, education, and

1 prevention programs.

2 (2) The crime victim services commission may review the uses
3 of funds appropriated in this section to determine if it merits
4 utilization of the crime victim's rights fund on an ongoing basis
5 in subsequent fiscal years.

6 Sec. 452. From the funds appropriated in part 1 for crime
7 victim justice assistance grants, the department shall continue to
8 support forensic nurse examiner programs to facilitate training for
9 improved evidence collection for the prosecution of sexual assault.
10 The funds shall be used for program coordination and training.

11 Sec. 453. (1) From the funds appropriated in part 1 for
12 homeless programs, the department shall allocate funds to the
13 emergency shelter program to support efforts of shelter providers
14 to move homeless individuals and households into permanent housing
15 as quickly as possible. Funding provided shall be equal to or
16 exceed the amount a provider would receive if paid a \$19.00 per
17 diem rate per bed night. Expected outcomes are increased shelter
18 discharges to stable housing destinations, decreased recidivism
19 rates for shelter clients, and a reduction in the average length of
20 stay in emergency shelters.

21 (2) By March 1 of the current fiscal year, the department
22 shall submit to the house and senate appropriations subcommittees
23 on the department budget, the house and senate fiscal agencies, the
24 house and senate policy offices, and the state budget office a
25 report on the total amount expended for the program in the prior 2
26 fiscal years, the total number of shelter nights provided, and the
27 average length of stay in an emergency shelter.

28 Sec. 454. The department shall allocate the full amount of
29 funds appropriated in part 1 for homeless programs to provide

1 services for homeless individuals and families, including, but not
2 limited to, third-party contracts for emergency shelter services.

3 Sec. 455. As a condition of receipt of federal TANF revenue,
4 homeless shelters and human services agencies shall collaborate
5 with the department to obtain necessary TANF eligibility
6 information on families as soon as possible after admitting a
7 family to the homeless shelter. From the funds appropriated in part
8 1 for homeless programs, the department is authorized to make
9 allocations of TANF revenue only to the homeless shelters and human
10 services agencies that report necessary data to the department for
11 the purpose of meeting TANF eligibility reporting requirements.
12 Homeless shelters or human services agencies that do not report
13 necessary data to the department for the purpose of meeting TANF
14 eligibility reporting requirements will not receive reimbursements
15 that exceed the per diem amount they received in fiscal year 2000.
16 The use of TANF revenue under this section is not an ongoing
17 commitment of funding.

18 Sec. 456. From the funds appropriated in part 1 for homeless
19 programs, the department shall allocate \$90,000.00 to reimburse
20 public service agencies that provide documentation of paying birth
21 certificate fees on behalf of category 1 homeless clients at county
22 clerk's offices. Public service agencies shall be reimbursed for
23 the cost of the birth certificate fees quarterly until this
24 allocation is fully spent.

25 Sec. 457. (1) From the funds appropriated in part 1 for the
26 uniform statewide sexual assault evidence kit tracking system, in
27 accordance with the final report of the Michigan sexual assault
28 evidence kit tracking and reporting commission, \$369,500.00 is
29 allocated to contract for the administration of a uniform statewide

1 sexual assault evidence kit tracking system, and 1.0 FTE to provide
2 administrative support. The system shall include the following:

3 (a) A uniform statewide system to track the submission and
4 status of sexual assault evidence kits.

5 (b) A uniform statewide system to audit untested kits that
6 were collected on or before March 1, 2015 and were released by
7 victims to law enforcement.

8 (c) Secure electronic access for victims.

9 (d) The ability to accommodate concurrent data entry with kit
10 collection through various mechanisms, including web entry through
11 computer or smartphone, and through scanning devices.

12 (2) By March 30 of the current fiscal year, the department
13 shall submit to the senate and house appropriations subcommittees
14 on the department budget, the senate and house fiscal agencies, the
15 senate and house policy offices, and the state budget office a
16 status report on the administration of the uniform statewide sexual
17 assault evidence kit tracking system, including operational status
18 and any known issues regarding implementation.

19 (3) The sexual assault evidence tracking fund established in
20 section 1451 of 2017 PA 158 shall continue to be maintained in the
21 department of treasury. Money in the sexual assault evidence
22 tracking fund at the close of a fiscal year remains in the sexual
23 assault evidence tracking fund, does not revert to the general
24 fund, and shall be appropriated as provided by law for the
25 development and implementation of a uniform statewide sexual
26 assault evidence kit tracking system as described in subsection
27 (1).

28 (4) By September 30 of the current fiscal year, the department
29 shall submit to the senate and house appropriations subcommittees

1 on the department budget, the senate and house fiscal agencies, the
2 senate and house policy offices, and the state budget office a
3 report on the findings of the annual audit of the proper submission
4 of sexual assault evidence kits as required by the sexual assault
5 kit evidence submission act, 2014 PA 227, MCL 752.931 to 752.935.
6 The report must include, but is not limited to, a detailed county-
7 by-county compilation of the number of sexual assault evidence kits
8 that were properly submitted and the number that met or did not
9 meet deadlines established in the sexual assault kit evidence
10 submission act, 2014 PA 227, MCL 752.931 to 752.935, the number of
11 sexual assault evidence kits retrieved by law enforcement after
12 analysis, and the physical location of all released sexual assault
13 evidence kits collected by health care providers in that year, as
14 of the date of the annual draft report for each reporting agency.

15 Sec. 458. From the funds appropriated in part 1 for crime
16 victim rights services grants, the department shall allocate
17 \$2,000,000.00 from the crime victim's rights fund to maintain
18 increased grant funding to support the further use of crime victim
19 advocates in the criminal justice system. The purpose of the
20 additional funding is to increase available grant funding for crime
21 victim advocates to ensure that the advocates have the resources,
22 training, and funding needed to respond to the physical and
23 emotional needs of crime victims and to provide victims with the
24 necessary services, information, and assistance in order to help
25 them understand and participate in the criminal justice system and
26 experience a measure of safety and security throughout the legal
27 process.

28 Sec. 459. From the funds appropriated in part 1 for child
29 advocacy centers - supplemental grants, the department shall

1 allocate \$2,000,000.00 to continue to provide additional funding to
2 child advocacy centers to support the general operations of child
3 advocacy centers by allocating the funding to each center
4 proportionally based on the number of children served at each
5 center during the previous fiscal year compared to the number of
6 total children served under this section. The purpose of this
7 additional funding is to increase the amount of services provided
8 to children and their families who are victims of abuse over the
9 amount provided in the previous fiscal year.

10 Sec. 460. From the funds appropriated in part 1 for kids' food
11 basket, the department shall allocate \$525,000.00 to fund a project
12 with a nonprofit, community-based organization organized under the
13 laws of this state that is exempt from federal income tax under
14 section 501(c)(3) of the internal revenue code of 1986, 26 USC 501,
15 and is located in a city with a population between 185,000 and
16 200,000 according to the most recent federal decennial census and
17 in a county with a population between 600,000 and 700,000 according
18 to the most recent federal decennial census. The nonprofit
19 organization recipient shall have an existing network of food
20 delivery to low-income children to at least 3 counties in this
21 state. The nonprofit organization shall use the funds for increased
22 operational costs due to the coronavirus pandemic and for expansion
23 of services to additional schools and communities. The funding may
24 be used to cover employee costs, food and supplies, equipment, and
25 other operational costs identified by the organization to support
26 their mission and goals.

27 Sec. 462. (1) If funding becomes available from the funds
28 appropriated in part 1 for crime victim justice assistance grants,
29 the department shall allocate \$4,000,000.00 to implement 4 trauma

1 recovery center program pilot projects. The pilot projects shall
2 utilize the evidence-informed integrated trauma recovery services
3 model developed by the University of California - San Francisco for
4 service provision and shall be located in a city with a population
5 between 52,700 and 53,300 according to the most recent federal
6 decennial census, in a city with a population between 80,000 and
7 82,000 according to the most recent federal decennial census, in a
8 city with a population between 150,000 and 200,000 according to the
9 most recent federal decennial census, and in a city with a
10 population greater than 500,000 according to the most recent
11 federal decennial census.

12 (2) It is the intent of the legislature that each pilot
13 project shall be designed to last at least 3 years.

14 (3) If funding becomes available, by March 1 of the current
15 fiscal year, the department shall report to the senate and house
16 subcommittees on the department budget, the senate and house fiscal
17 agencies, the senate and house policy offices, and the state budget
18 office on all of the following:

19 (a) The number of participants by pilot project site.

20 (b) The number of participants by crime type, broken down by
21 pilot project site.

22 (c) The number of direct service providers by pilot project
23 site.

7 department may provide up to 100% reimbursement to Indian tribal
8 governments that enter into a state-tribal title IV-E agreement
9 allowed under this state's title IV-E state plan.

10 Sec. 503. (1) In accordance with the final report of the
11 Michigan child welfare performance-based funding task force issued
12 in response to section 503 of article X of 2013 PA 59, the
13 department shall continue to review, update, or develop actuarially
14 sound case rates for necessary child welfare foster care case
15 management services that achieve permanency by the department and
16 private child placing agencies in a prospective payment system
17 under a performance-based funding model.

18 (2) The department, in conjunction with members from both the
19 house of representatives and senate, private child placing
20 agencies, the courts, and counties shall continue to implement the
21 recommendations that are described in the workgroup report that was

17 Michigan Partnership for Children Consortium is required to manage
18 the cost of the child population it serves. The administrative
19 portion of the contracted agreement must reflect the cumulative
20 annual percentage change in the Detroit Consumer Price Index from
21 the previous year. The capitated payment amount shall be reviewed
22 and adjusted no less than twice during the current fiscal year or
23 due to any policy changes implemented by the department that result

25 significant manner from the amount allocated in the annual contract
26 between the department and the West Michigan Partnership for
27 Children Consortium as determined by an independent actuary as well

27 (2) The department shall report quarterly on the progress of
 28 the corrective action taken utilizing the funds appropriated for

3 staff travel, the department shall allocate up to \$100,000.00
4 annually toward reimbursing the out-of-pocket costs of county board
5 members and county department directors to attend statewide
6 meetings of the Michigan County Social Services Association.

7 Sec. 807. From the funds appropriated in part 1 for Elder Law
8 of Michigan MiCAFE contract, the department shall allocate not less
9 than \$350,000.00 to the Elder Law of Michigan MiCAFE to assist this
10 state's elderly population in participating in the food assistance
11 program. Of the \$350,000.00 allocated under this section, the
12 department shall use \$175,000.00, which are general fund/general
13 purpose funds, as state matching funds for not less than
14 \$175,000.00 in United States Department of Agriculture funding to
15 provide outreach program activities, such as eligibility screening
16 and information services, as part of a statewide food assistance
17 hotline.

19 department shall provide a report to the senate and house

23 report shall include requirements made by the agriculture
24 improvement act of 2018, Public Law 115-334, such as how the
25 department shall use an electronic reporting system to evaluate

5 Additionally, the report shall include planned allocation and
6 actual expenditures for the supplemental nutrition assistance
7 program education funding, planned and actual grant amounts for the
8 supplemental nutrition assistance program education funding, the

1 percentage of participating schools that achieved improved
 2 performance in each of the 3 outcomes listed above compared to the
 3 previous year, by each individual outcome. It is the intent of the
 4 legislature that after a 2-year period without attaining an
 5 increase in success in meeting the 3 listed outcomes from the
 6 established baseline, the department shall work with the
 7 participant school to examine the cause of the lack of progress and
 8 shall seek to implement a plan to increase success in meeting the
 9 identified outcomes. It is the intent of the legislature that
 10 progress or the lack of progress made in meeting the performance
 11 objectives shall be used as a determinant in future pathways to
 12 potential resource allocation decisions.

13 (2) As used in this section, "baseline" means the initial set
 14 of data from the center for educational performance and information
 15 in the department of technology, management, and budget of the 3

28 number of older adults who are victims of crime and fraud by
29 increasing the standard of promptness in every county, as measured

1 by commencing an investigation within 24 hours after a report is
 2 made to the department, establishing face-to-face contact with the
 3 client within 72 hours after a report is made to the department,
 4 and completing the investigation within 30 days after a report is
 5 made to the department.

6 (2) The department shall report no later than March 1 of the
 7 current fiscal year to the house and senate appropriations

18 (3) By March 1 of the current fiscal year, the department
19 shall submit a report to the senate and house appropriations
20 subcommittees on the department budget, the senate and house fiscal
21 agencies, and the senate and house policy offices on the
22 implementation status of the uniform auditing process and any
23 barriers to implementation.

24 (4) A state department or agency that provides, either
25 directly or through a contract, community mental health services
26 and supports must comply with the uniform auditing process and
27 utilize the audit tool maintained by the department. All forms,
28 processes, and contracts used by the state that relate to the
29 provision of community mental health services and supports must

1 comply with the uniform auditing process.

2 (5) As used in this section, "national standards" means
 3 standards established by a national accrediting entity such as the
 4 Joint Commission, Commission on Accreditation of Rehabilitation
 5 Facilities, Council on Accreditation, National Committee for
 6 Quality Assurance, or other credible body approved by the
 7 department.

8 Sec. 928. (1) Each PIHP shall provide, from internal
 9 resources, local funds to be used as a part of the state match
 10 required under the Medicaid program in order to increase capitation
 11 rates for PIHPs. These funds shall not include either state funds
 12 received by a CMHSP for services provided to non-Medicaid
 13 recipients or the state matching portion of the Medicaid capitation
 14 payments made to a PIHP.

15 (2) It is the intent of the legislature that any funds that
 16 lapse from the funds appropriated in part 1 for Medicaid mental
 17 health services shall be redistributed to individual CMHSPs as a
 18 reimbursement of local funds on a proportional basis to those
 19 CMHSPs whose local funds were used as state Medicaid match. By
 20 April 1 of the current fiscal year, the department shall report to
 21 the senate and house appropriations subcommittees on the department
 22 budget, the senate and house fiscal agencies, the senate and house
 23 policy offices, and the state budget office on the lapse by PIHP
 24 from the previous fiscal year and the projected lapse by PIHP in
 25 the current fiscal year.

26 (3) It is the intent of the legislature that the amount of
 27 local funds used in subsection (1) be phased out and offset with
 28 state general fund/general purpose revenue in equal amounts over a
 29 5-year period.

1 (4) Until the local funds are phased out as described in
2 subsection (3), each PIHP shall not be required to provide local
3 funds, used as part of the state match required under the Medicaid
4 program in order to increase capitation rates for PIHPs, at an
5 amount greater than what each PIHP received from local units of
6 government, either directly or indirectly, during the fiscal year
7 ending September 30, 2018 for this purpose.

8 Sec. 929. From the funds appropriated in part 1 for Michigan
9 child collaborative care, the department shall allocate at least
10 \$350,000.00 to address needs in a city in which a declaration of
11 emergency was issued because of drinking water contamination.

12 Sec. 935. A county required under the provisions of the mental
13 health code, 1974 PA 258, MCL 330.1001 to 330.2106, to provide
14 matching funds to a CMHSP for mental health services rendered to
15 residents in its jurisdiction shall pay the matching funds in equal
16 installments on not less than a quarterly basis throughout the
17 fiscal year, with the first payment being made by October 1 of the
18 current fiscal year.

19 Sec. 940. (1) According to section 236 of the mental health
20 code, 1974 PA 258, MCL 330.1236, the department shall review
21 expenditures for each CMHSP to identify CMHSPs with projected
22 allocation surpluses and to identify CMHSPs with projected
23 allocation shortfalls. The department shall encourage the board of
24 a CMHSP with a projected allocation surplus to concur with the
25 department's recommendation to reallocate those funds to CMHSPs
26 with projected allocation shortfalls.

27 (2) A CMHSP that has its funding allocation transferred out
28 during the current fiscal year as described in subsection (1) is
29 not eligible for any additional funding reallocations during the

1 remainder of the current fiscal year, unless that CMHSP is
2 responding to a public health emergency as determined by the
3 department.

4 (3) CMHSPs shall report to the department on any proposed
5 reallocations described in this section at least 30 days before any
6 reallocations take effect.

7 (4) The department shall notify the chairs of the
8 appropriation subcommittees on the department budget when a request
9 is made and when the department grants approval for reallocation as
10 described in subsection (1). By September 30 of the current fiscal
11 year, the department shall provide a report on the amount of
12 funding reallocated to the senate and house appropriations
13 subcommittees on the department budget, the senate and house fiscal
14 agencies, the senate and house policy offices, and the state budget
15 office.

16 Sec. 942. A CMHSP shall provide at least 30 days' notice
17 before reducing, terminating, or suspending services provided by a
18 CMHSP to CMHSP clients, with the exception of services authorized
19 by a physician that no longer meet established criteria for medical
20 necessity.

21 Sec. 950. From the funds appropriated in part 1 for court-
22 appointed guardian reimbursements, the department shall allocate
23 \$5,000,000.00 to reimburse court-appointed public guardians for
24 recipients who also receive CMHSP services, at a reimbursement of
25 \$50.00 per month. The department shall make these funds available
26 to the CMHSPs to reimburse for court-appointed public guardians for
27 those recipients receiving CMHSP services through the CMHSP. It is
28 the intent of the legislature that these funds be used in addition
29 to any other funds currently paid to court-appointed public

1 guardians, but a court-appointed public guardian shall not be
2 compensated more than \$83.00 per month for any CMHSP-eligible
3 recipient regardless of funding source. By September 15 of the
4 current fiscal year, each CMHSP that has provided reimbursement to
5 court-appointed public guardians shall provide the department a
6 report that shall be shared with the house and senate
7 appropriations subcommittees on the department budget, the house
8 and senate fiscal agencies, the house and senate policy offices,
9 and the state budget office on the number of court-appointed public
10 guardians who were reimbursed, the amount of reimbursement for each
11 court-appointed public guardian and the number of court-appointed
12 public guardians who received these funds, the number of court-
13 appointed public guardians who were also reimbursed by the
14 counties, and the per-month reimbursement rates provided by the
15 counties.

16 Sec. 960. (1) From the funds appropriated in part 1 for autism
17 services, the department shall continue to cover all Medicaid
18 autism services to Medicaid enrollees eligible for the services
19 that were covered on January 1, 2019.

20 (2) To restrain cost increases in the autism services line
21 item, the department shall do all of the following:

22 (a) By March 1 of the current fiscal year, develop and
23 implement specific written guidance for standardization of Medicaid
24 PIHPs and CMHSPs autism spectrum disorder administrative services,
25 including, but not limited to, reporting requirements, coding, and
26 reciprocity of credentialing and training between PIHPs and CMHSPs
27 to reduce administrative duplication at the PIHP, CMHSP, and
28 service provider levels.

29 (b) Require consultation with the client's evaluation

1 diagnostician and PIHP to approve the client's ongoing therapy for
2 3 years, unless the client's evaluation diagnostician recommended
3 an evaluation before the 3 years or if a clinician on the treatment
4 team recommended an evaluation for the client before the third
5 year.

6 (c) Limit the authority to perform a diagnostic evaluation for
7 Medicaid autism services to qualified licensed practitioners.
8 Qualified licensed practitioners are limited to the following:

9 (i) A physician with a specialty in psychiatry or neurology.

10 (ii) A physician with a subspecialty in developmental
11 pediatrics, development-behavioral pediatrics, or a related
12 discipline.

13 (iii) A physician with a specialty in pediatrics or other
14 appropriate specialty with training, experience, or expertise in
15 autism spectrum disorders or behavioral health.

16 (iv) A psychologist with a specialty in clinical child
17 psychology, behavioral and cognitive psychology, or clinical
18 neuropsychology, or other appropriate specialty with training,
19 experience, or expertise in autism spectrum disorders or behavioral
20 health.

21 (v) A clinical social worker with at least 1 year of
22 experience working within his or her scope of practice who is
23 qualified and experienced in diagnosing autism spectrum disorders.

24 (vi) An advanced practice registered nurse with training,
25 experience, or expertise in autism spectrum disorders or behavioral
26 health.

27 (vii) A physician's assistant with training, experience, or
28 expertise in autism spectrum disorders or behavioral health.

29 (d) Require that a client whose initial diagnosis was

1 performed by a diagnostician with master's level credentials have
2 their diagnosis and treatment recommendations reviewed by a
3 physician, psychiatric nurse practitioner, physician's assistant
4 with training, experience, or expertise in autism spectrum
5 disorders or behavioral health, or fully credentialed psychologist.

6 (e) Allow and expand the utilization of telemedicine and
7 telepsychiatry to increase access to diagnostic evaluation
8 services.

9 (f) Coordinate with the department of insurance and financial
10 services on oversight for compliance with the Paul Wellstone and
11 Pete Domenici mental health parity and addiction equity act of
12 2008, Public Law 110-343, as it relates to autism spectrum disorder
13 services, to ensure appropriate cost sharing between public and
14 private payers.

15 (g) Require that Medicaid eligibility be confirmed through
16 prior evaluations conducted by physicians, psychiatric nurse
17 practitioners, physician's assistant with training, experience, or
18 expertise in autism spectrum disorders or behavioral health, or
19 fully credentialed psychologists to the extent possible.

20 (h) Maintain regular statewide provider trainings on autism
21 spectrum disorder standard clinical best practice guidelines for
22 treatment and diagnostic services.

23 (3) By March 1 of the current fiscal year, the department
24 shall report to the senate and house appropriations subcommittees
25 on the department budget, the senate and house fiscal agencies, the
26 senate and house policy offices, and the state budget office on
27 total autism services spending broken down by PIHP and CMHSP for
28 the previous fiscal year and current fiscal year and total
29 administrative costs broken down by PIHP, CMHSP, and the type of

1 administrative cost for the previous fiscal year and current fiscal
2 year.

3 Sec. 962. For the purposes of special projects involving high-
4 need children or adults, including the not guilty by reason of
5 insanity population, the department may contract directly with
6 providers of services to these identified populations.

7 Sec. 964. By October 1 of the current fiscal year, the
8 department shall provide the house and senate appropriations
9 subcommittees on the department budget, the house and senate fiscal
10 agencies, the house and senate policy offices, and the state budget
11 office with the standardized fee schedule for Medicaid behavioral
12 health services and supports. The report shall also include the
13 adequacy standards to be used in all contracts with PIHPs and
14 CMHSPs. In the development of the standardized fee schedule for
15 Medicaid behavioral health services and supports during the current
16 fiscal year, the department must prioritize and support essential
17 service providers and must develop a standardized fee schedule for
18 revenue code 0204.

19 Sec. 965. From the funds appropriated in part 1, the
20 department and the PIHPs shall increase the comparison rates and
21 any associated reimbursement rates of the bundled rate H0020 for
22 the administration and services of methadone to \$19.00.

23 Sec. 970. The department shall maintain the policies in effect
24 on October 1, 2018 for the federal home and community-based
25 services rule as it relates to skill building assistance services.
26 The skill building assistance services shall remain eligible for
27 federal match until March 17, 2023 as stated in the CMS
28 informational bulletin dated May 9, 2017 and extended in the CMS
29 letter to state Medicaid directors on July 14, 2020. From the funds

1 appropriated in part 1, the department shall continue to seek
2 federal matching funds for skill building assistance services. As a
3 condition of their contracts with the department, CMHSPs shall
4 retain any federally approved skill building assistance services
5 available as of October 1, 2018.

6 Sec. 972. From the funds appropriated in part 1 for behavioral
7 health program administration, the department shall allocate not
8 less than \$3,000,000.00 general fund/general purpose revenue and
9 any associated federal match or federal grant funding, including,
10 but not limited to, associated federal 988 grant funding for the
11 mental health telephone access line known as the Michigan crisis
12 and access line (MiCAL), to provide primary coverage in regions
13 where a regional national suicide prevention lifeline center does
14 not provide coverage and for statewide secondary coverage, to
15 establish and make available to the public MiCAL in accordance with
16 section 165 of the mental health code, 1974 PA 258, MCL 330.1165.

17 Sec. 974. The department and PIHPs shall allow an individual
18 with an intellectual or developmental disability who receives
19 supports and services from a CMHSP to instead receive supports and
20 services from another provider if the individual shows that he or
21 she is eligible and qualified to receive supports and services from
22 another provider. Other providers may include, but are not limited
23 to, MIChoice and program of all-inclusive care for the elderly
24 (PACE). The department may contract with an independent person-
25 planning company to coordinate the services described in this
26 section.

27 Sec. 977. From the funds appropriated in part 1 for community
28 substance use disorder prevention, education, and treatment,
29 \$600,000.00 is allocated as grants to high schools specifically

1 designated for students recovering from a substance use disorder in
2 accordance with section 273a of the mental health code, 1974 PA

5 substance use disorder prevention, education, and treatment, the
6 department shall allocate \$1,200,000.00 as grants for recovery
7 community organizations to offer or expand recovery support center
8 services or recovery community center services to individuals
9 seeking long-term recovery from substance use disorders in
10 accordance with section 273b of the mental health code, 1974 PA
11 258, MCL 330.1273b.

12 Sec. 979. If funds become available, the department shall seek
13 the appropriate federal approvals to allow for the utilization of
14 Medicaid funding for services provided at adult psychiatric
15 residential treatment facilities. By March 1 of the current fiscal
16 year, the department shall report on its progress toward receiving

26 programs intended to address the recommendations of the mental
27 health diversion council.

28 (2) By March 1 of the current fiscal year, the department
29 shall report to the senate and house appropriations subcommittees

1 on the department budget, the senate and house fiscal agencies, and
2 the senate and house policy offices on the planned allocation of
3 the funds appropriated for mental health diversion council.

4 Sec. 996. From the funds appropriated in part 1 for family

12 Sec. 998. For distribution of state general funds to CMHSPs,
13 if the department decides to use census data, the department shall
14 use the most recent federal data from the United States Census
15 Bureau.

16

17 **BEHAVIORAL HEALTH SERVICES**

18 Sec. 1001. By December 31 of the current fiscal year, each
19 CMHSP shall submit a report to the department that identifies
20 populations being served by the CMHSP broken down by program
21 eligibility category. The report shall also include the percentage
22 of the operational budget that is related to program eligibility
23 enrollment. By February 15 of the current fiscal year, the
24 department shall submit the report described in this section to the
25 senate and house appropriations subcommittees on the department
26 budget, the senate and house fiscal agencies, the senate and house
27 policy offices, and the state budget office.

28 Sec. 1003. The department shall notify the Community Mental
29 Health Association of Michigan when developing policies and

1 procedures that will impact PIHPs or CMHSPs.

2 Sec. 1004. The department shall provide the senate and house
3 appropriations subcommittees on the department budget, the senate
4 and house fiscal agencies, and the state budget office any rebased
5 formula changes to either Medicaid behavioral health services or
6 non-Medicaid mental health services 90 days before implementation.
7 The notification shall include a table showing the changes in
8 funding allocation by PIHP for Medicaid behavioral health services
9 or by CMHSP for non-Medicaid mental health services.

10 Sec. 1005. (1) From the funds appropriated in part 1 for
11 health homes, the department shall maintain the number of
12 behavioral health homes in PIHP regions 1, 2, 6, 7, and 8 and
13 maintain the number of substance use disorder health homes in PIHP
14 regions 1, 2, 4, 6, 7, 9, and 10. The department may expand the
15 number of behavioral health homes in PIHP region 5 and the number
16 of substance use disorder health homes in PIHP regions 3, 4, 5, and
17 8.

18 (2) On a quarterly basis, the department shall provide a
19 report to the house and senate appropriation subcommittees on the
20 department budget, the house and senate fiscal agencies, the house
21 and senate policy offices, and the state budget office on the
22 number of individuals being served and expenditures incurred by
23 each PIHP region by site.

24 Sec. 1008. PIHPs and CMHSPs shall do all of the following:

25 (a) Work to reduce administration costs by ensuring that PIHP
26 and CMHSP responsible functions are efficient in allowing optimal
27 transition of dollars to those direct services considered most
28 effective in assisting individuals served. Any consolidation of
29 administrative functions must demonstrate, by independent analysis,

1 a reduction in dollars spent on administration resulting in greater
 2 dollars spent on direct services. Savings resulting from increased
 3 efficiencies shall not be applied to PIHP and CMHSP net assets,
 4 internal service fund increases, building costs, increases in the
 5 number of PIHP and CMHSP personnel, or other areas not directly
 6 related to the delivery of improved services.

7 (b) Take an active role in managing mental health care by
 8 ensuring consistent and high-quality service delivery throughout
 9 its network and promote a conflict-free care management
 10 environment.

11 (c) Ensure that direct service rate variances are related to
 12 the level of need or other quantifiable measures to ensure that the
 13 most money possible reaches direct services.

14 (d) Whenever possible, promote fair and adequate direct care
 15 reimbursement, including fair wages for direct service workers.

16 Sec. 1010. (1) The funds appropriated in part 1 for behavioral
 17 health community supports and services must be used to reduce
 18 waiting lists at state-operated hospitals and centers through cost-
 19 effective community-based and residential services, including, but
 20 not limited to, assertive community treatment (ACT), forensic
 21 assertive community treatment (FACT), crisis stabilization units in
 22 accordance with chapter 9A of the mental health code, 1974 PA 258,
 23 MCL 330.1971 to 330.1979, and psychiatric residential treatment
 24 facilities in accordance with section 137a of the mental health
 25 code, 1974 PA 258, MCL 330.1137a.

26 (2) From the funds appropriated in part 1 for behavioral
 27 health community supports and services, the department shall
 28 allocate \$30,450,000.00 to reimburse private providers for
 29 intensive psychiatric treatments and services outside of state-

1 operated hospitals and centers and support efforts related to the
2 oversight of community-based programs placement.

3 (3) If the private provider has an existing wait list for
4 intensive psychiatric treatments and services, any reimbursements
5 to private providers under this section must not be conditional on
6 private providers giving wait-list priority to state-paid
7 individuals.

8 Sec. 1011. To the extent permissible under section 919 of the
9 mental health code, 1974 PA 258, MCL 330.1919, the funds
10 appropriated in part 1 for behavioral health services may be used
11 to reimburse out-of-state providers of crisis resolution services
12 and outpatient services if the out-of-state provider is enrolled as
13 a state Medicaid provider and the out-of-state provider is located
14 closer to the client's home than an in-state provider.

15 Sec. 1012. It is the intent of the legislature that the
16 department pursue any and all federal Medicaid waivers to maximize
17 the use of federal Medicaid reimbursements for substance use
18 disorder services and treatments for justice-involved individuals.
19 By March 9 of the current fiscal year, the department shall provide
20 a report on the types of substance use disorder waivers submitted
21 by the department, whether those waivers have been approved by the
22 Centers for Medicare and Medicaid Services, and the steps the
23 department will take to request any and all federal Medicaid
24 waivers to maximize the use of federal Medicaid reimbursements for
25 substance use disorder services and treatments to the house and
26 senate appropriations subcommittees on the department budget, the
27 house and senate fiscal agencies, the house and senate policy
28 offices, and the state budget office.

29 Sec. 1013. CMHSPs that operate preadmission screening units,

1 or that have designated a hospital as a preadmission screening
2 unit, may permit a sheriff's office to use a qualified contracted
3 entity to transport an individual for preadmission screening.

4 Sec. 1014. (1) From the funds appropriated in part 1 to
5 agencies providing physical and behavioral health services to
6 multicultural populations, the department shall award grants in
7 accordance with the requirements of subsection (2). This state is
8 not liable for any spending above the contract amount. The
9 department shall not release funds until reporting requirements
10 under section 1014 of article 6 of 2021 PA 87 are satisfied.

11 (2) The department shall require each contractor described in
12 subsection (1) that receives greater than \$1,000,000.00 in state
13 grant funding to comply with performance-related metrics to
14 maintain their eligibility for funding. The performance-related
15 metrics shall include, but not be limited to, all of the following:

16 (a) Each contractor or subcontractor shall have accreditations
17 that attest to their competency and effectiveness as behavioral
18 health and social service agencies.

19 (b) Each contractor or subcontractor shall have a mission that
20 is consistent with the purpose of the multicultural agency.

21 (c) Each contractor shall validate that any subcontractors
22 utilized within these appropriations share the same mission as the
23 lead agency receiving funding.

24 (d) Each contractor or subcontractor shall demonstrate cost-
25 effectiveness.

26 (e) Each contractor or subcontractor shall ensure their
27 ability to leverage private dollars to strengthen and maximize
28 service provision.

29 (f) Each contractor or subcontractor shall provide timely and

1 accurate reports regarding the number of clients served, units of
2 service provision, and ability to meet their stated goals.

3 (3) The department shall require an annual report from the
4 contractors described in subsection (2). The annual report, due 60
5 days following the end of the contract period, shall include
6 specific information on services and programs provided, the client
7 base to which the services and programs were provided, information
8 on any wraparound services provided, and the expenditures for those
9 services. By February 1 of the current fiscal year, the department
10 shall provide the annual reports to the senate and house
11 appropriations subcommittees on the department budget, the senate
12 and house fiscal agencies, and the state budget office.

13 Sec. 1015. From the funds appropriated in part 1 for federal
14 mental health block grant, the department shall, to the extent
15 possible, provide grants, pursuant to federal laws, rules, and
16 regulations, to local public entities that provide mental health
17 services and to 1 private entity that has a statewide contract to
18 provide community-based mental health services.

19
20 **STATE PSYCHIATRIC HOSPITALS AND FORENSIC MENTAL HEALTH SERVICES**

21 Sec. 1051. The department shall continue a revenue recapture
22 project to generate additional revenues from third parties related
23 to cases that have been closed or are inactive. A portion of
24 revenues collected through project efforts may be used for
25 departmental costs and contractual fees associated with these
26 retroactive collections and to improve ongoing departmental
27 reimbursement management functions.

28 Sec. 1052. The purpose of gifts and bequests for patient
29 living and treatment environments is to use additional private

1 funds to provide specific enhancements for individuals residing at
2 state-operated facilities. Use of the gifts and bequests shall be
3 consistent with the stipulation of the donor. The expected
4 completion date for the use of gifts and bequests donations is
5 within 3 years unless otherwise stipulated by the donor.

6 Sec. 1055. (1) The department shall not implement any closures
7 or consolidations of state hospitals, centers, or agencies until
8 CMHSPs or PIHPs have programs and services in place for those
9 individuals currently in those facilities and a plan for service
10 provision for those individuals who would have been admitted to
11 those facilities.

12 (2) All closures or consolidations are dependent upon adequate
13 department-approved CMHSP and PIHP plans that include a discharge
14 and aftercare plan for each individual currently in the facility. A
15 discharge and aftercare plan shall address the individual's housing
16 needs. A homeless shelter or similar temporary shelter arrangements
17 are inadequate to meet the individual's housing needs.

18 (3) Four months after the certification of closure required in
19 section 19(6) of the state employees' retirement act, 1943 PA 240,
20 MCL 38.19, the department shall provide a closure plan to the house
21 and senate appropriations subcommittees on the department budget
22 and the state budget director.

23 (4) Upon the closure of state-run operations and after
24 transitional costs have been paid, the remaining balances of funds
25 appropriated for that operation shall be transferred to CMHSPs or
26 PIHPs responsible for providing services for individuals previously
27 served by the operations.

28 Sec. 1056. The department may collect revenue for patient
29 reimbursement from first- and third-party payers, including

1 Medicaid and local county CMHSP payers, to cover the cost of
2 placement in state hospitals and centers. The department is
3 authorized to adjust financing sources for patient reimbursement
4 based on actual revenues earned. If the revenue collected exceeds
5 current year expenditures, the revenue may be carried forward with
6 approval of the state budget director. The revenue carried forward
7 shall be used as a first source of funds in the subsequent year.

8 Sec. 1058. Effective October 1 of the current fiscal year, the
9 department, in consultation with the department of technology,
10 management, and budget, may maintain a bid process to identify 1 or
11 more private contractors to provide food service and custodial
12 services for the administrative areas at any state hospital
13 identified by the department as capable of generating savings
14 through the outsourcing of such services.

15 Sec. 1059. (1) The department shall identify specific outcomes
16 and performance measures for state-operated hospitals and centers,
17 including, but not limited to, the following:

18 (a) The average wait time for individuals determined
19 incompetent to stand trial before admission to the center for
20 forensic psychiatry.

21 (b) The average wait time for individuals determined
22 incompetent to stand trial before admission to other state-operated
23 psychiatric facilities.

20 barriers preventing implementation.

21 Sec. 1514. From the funds appropriated in part 1 for health
22 services administration, the department shall allocate \$300,000.00
23 general fund/general purpose revenue and any associated federal
24 match to support a predictive modeling tool to improve provider
25 billing accuracy and reduce fraud, waste, and abuse in the Medicaid
26 program. The tool must provide a prepayment cost avoidance solution
27 that uses statistical predictive modeling techniques to identify
28 outlier claims.

29 Sec. 1515. A qualified job placement agency may request

1 contact information from the department for Healthy Michigan plan
2 recipients for the geographic region the agency services. This
3 contact information shall not include personal health information
4 or extensive personal identifying information. As used in this
5 section, a "qualified job placement agency" means a regional
6 Michigan Works! agency or another nonprofit, governmental, or
7 quasi-governmental body that provides job placement assistance as
8 designated by the department.

9 Sec. 1517. By October 1 of the current fiscal year, the
10 department shall report to the house and senate appropriations
11 subcommittees on the department budget, the house and senate fiscal
12 agencies, the house and senate policy offices, and the state budget
13 office on the progress of the implementation of the specialty
14 Medicaid managed care health plan for children in foster care, as
15 required under section 1517 of article 6 of 2021 PA 87.

16

17 **HEALTH SERVICES**

18 Sec. 1601. The cost of remedial services incurred by residents
19 of licensed adult foster care homes and licensed homes for the aged
20 shall be used in determining financial eligibility for the
21 medically needy. Remedial services include basic self-care and
22 rehabilitation training for a resident.

23 Sec. 1605. The protected income level for Medicaid coverage
24 determined pursuant to section 106(1)(b) (iii) of the social welfare
25 act, 1939 PA 280, MCL 400.106, shall be 100% of the related public
26 assistance standard.

27 Sec. 1606. For the purpose of guardian and conservator
28 charges, the department may deduct up to \$83.00 per month as an
29 allowable expense against a recipient's income when determining

1 Medicaid eligibility and patient pay amounts.

2 Sec. 1607. (1) An applicant for Medicaid, whose qualifying
3 condition is pregnancy, shall immediately be presumed to be
4 eligible for Medicaid coverage unless the preponderance of evidence
5 in her application indicates otherwise. The applicant who is
6 qualified as described in this subsection shall be allowed to
7 select or remain with the Medicaid participating obstetrician of
8 her choice.

9 (2) All qualifying applicants shall be entitled to receive all
10 medically necessary obstetrical and prenatal care without
11 preauthorization from a health plan. All claims submitted for
12 payment for obstetrical and prenatal care shall be paid at the
13 Medicaid fee-for-service rate in the event a contract does not
14 exist between the Medicaid participating obstetrical or prenatal
15 care provider and the managed care plan. The applicant shall
16 receive a listing of Medicaid physicians and managed care plans in
17 the immediate vicinity of the applicant's residence.

18 (3) In the event that an applicant, presumed to be eligible
19 under subsection (1), is subsequently found to be ineligible, a
20 Medicaid physician or managed care plan that has been providing
21 pregnancy services to an applicant under this section is entitled
22 to reimbursement for those services until they are notified by the
23 department that the applicant was found to be ineligible for
24 Medicaid.

25 (4) If the preponderance of evidence in an application
26 indicates that the applicant is not eligible for Medicaid, the
27 department shall refer that applicant to the nearest public health
28 clinic or similar entity as a potential source for receiving
29 pregnancy-related services.

1 (5) The department shall develop an enrollment process for
2 pregnant women covered under this section that facilitates the
3 selection of a managed care plan at the time of application.

4 (6) The department shall mandate enrollment of women, whose
5 qualifying condition for Medicaid is pregnancy, into Medicaid
6 managed care plans.

7 (7) The department shall encourage physicians to provide
8 women, whose qualifying condition for Medicaid is pregnancy, with a
9 referral to a Medicaid participating dentist at the first
10 pregnancy-related appointment.

11 Sec. 1611. (1) For care provided to Medicaid recipients with
12 other third-party sources of payment, Medicaid reimbursement shall
13 not exceed, in combination with such other resources, including
14 Medicare, those amounts established for Medicaid-only patients. The
15 Medicaid payment rate shall be accepted as payment in full. Other
16 than an approved Medicaid co-payment, no portion of a provider's
17 charge shall be billed to the recipient or any person acting on
18 behalf of the recipient. This section does not affect the level of
19 payment from a third-party source other than the Medicaid program.
20 The department shall require a nonenrolled provider to accept
21 Medicaid payments as payment in full.

22 (2) Notwithstanding subsection (1), Medicaid reimbursement for
23 hospital services provided to dual Medicare/Medicaid recipients
24 with Medicare part B coverage only shall equal, when combined with
25 payments for Medicare and other third-party resources, if any,
26 those amounts established for Medicaid-only patients, including
27 capital payments.

28 Sec. 1615. (1) To minimize errors and overpayments, and to
29 ensure the quality of actuarial rate setting of capitated rates,

1 the department shall provide effective oversight and ensure the
2 integrity of encounter claims submitted to the department by
3 Medicaid health plans.

4 (2) The department may require Medicaid health plans to
5 provide medical records to support claims data, upon request by the
6 department. This subsection shall not require the disclosure of
7 personal identifying information or any information that would be
8 in violation of the health insurance portability and accountability
9 act of 1996, Public Law 104-191.

10 (3) It is the intent of the legislature that the department
11 perform annual internal audits of Medicaid claims provided by
12 Medicaid health plans and report the findings to the house and
13 senate appropriations subcommittees on the department budget, the
14 house and senate fiscal agencies, the house and senate policy
15 offices, and the state budget office. Internal audits performed
16 under this subsection shall be conducted utilizing quantitative
17 methodologies that provide for valid statistical results to
18 include, but not be limited to, minimizing the impact of selection
19 bias and insufficient sample sizes.

20 (4) If an internal audit performed in accordance with this
21 section identifies discrepancies in the quality of actuarial rates,
22 the department shall develop and implement actuarial procedures to
23 reconcile encounter claims data and shall provide for a publicly
24 available explanation of these procedures on the department's
25 website.

26 Sec. 1616. (1) By September 30 of the current fiscal year, the
27 department shall seek federal authority to formally enroll and
28 recognize community health workers as providers and to utilize
29 Medicaid matching funds for community health worker services,

1 including the potential of leveraging of a Medicaid state plan
2 amendment, waiver authorities, or other means to secure financing
3 for community health worker services. The appropriate federal
4 approval must allow for community health worker services on a
5 statewide basis and must not be a limited geography waiver. The
6 authority should allow the application of community health worker
7 services statewide and maximize their utility by providing
8 financing that includes fee-for-service reimbursement, value-based
9 payment, or a combination of both fee-for-service reimbursement and
10 value-based payment for all services commensurate to their scope of
11 training and abilities as provided by evidence-based research and
12 programs.

13 (2) By September 30 of the current fiscal year, the department
14 shall report to the senate and house appropriations subcommittees
15 on the department budget, the senate and house fiscal agencies, the
16 senate and house policy offices, and the state budget office on the
17 progress of meeting the requirements in subsection (1).

18 Sec. 1617. (1) The department shall evaluate the merits of
19 transitioning the Medicaid reimbursement methodology for federally
20 qualified health centers from a prospective payment system to an
21 alternative payment methodology. The alternative payment
22 methodology must be a population-based capitated payment system
23 that is based on a per-patient per-month reimbursement for each
24 Medicaid recipient assigned to each federally qualified health
25 center.

26 (2) By September 30 of the current fiscal year, the department
27 shall report on the findings of the evaluation required under
28 subsection (1) to the house and senate appropriations subcommittees
29 on the department budget, the house and senate fiscal agencies, the

1 house and senate policy offices, and the state budget office.

3 professional dispensing fee for drugs indicated as specialty
4 medications on the Michigan pharmaceutical products list is \$20.02
5 or the pharmacy's submitted dispensing fee, whichever is less.

6 (2) For fee-for-service Medicaid claims, for drugs not
7 indicated as specialty drugs on the Michigan pharmaceutical
8 products list, the professional dispensing fee for medications is
9 as follows:

10 (a) For medications indicated as preferred on the department's
11 preferred drug list, \$10.80 or the pharmacy's submitted dispensing
12 fee, whichever is less.

14 list, \$10.64 or the pharmacy's submitted dispensing fee, whichever
15 is less.

16 (c) For medications indicated as nonpreferred on the
17 department's preferred drug list, \$9.00 or the pharmacy's submitted
18 dispensing fee, whichever is less.

19 (3) The department shall require a prescription co-payment for
20 Medicaid recipients not enrolled in the Healthy Michigan plan or
21 with an income less than 100% of the federal poverty level of \$1.00
22 for a generic drug or any drug indicated as preferred on the
23 department's preferred drug list and \$3.00 for a brand-name drug
24 not indicated as preferred on the department's preferred drug list,
25 except as prohibited by federal or state law or regulation.

26 (4) The department shall require a prescription co-payment for
27 Medicaid recipients enrolled in the Healthy Michigan plan with an
28 income of at least 100% of the federal poverty level of \$4.00 for a
29 generic drug or any drug indicated as preferred on the department's

1 preferred drug list and \$8.00 for a brand-name drug not indicated
2 as preferred on the department's preferred drug list, except as
3 prohibited by federal or state law or regulation.

4 Sec. 1625. The department shall not enter into any contract
5 with a Medicaid managed care organization that relies on a pharmacy
6 benefit manager that does not do all of the following:

7 (a) For pharmacies with not more than 7 retail outlets,
8 utilizes a pharmacy reimbursement methodology of the national
9 average drug acquisition cost plus a professional dispensing fee
10 comparable to the applicable professional dispensing fee provided
11 through section 1620. The pharmacy benefit manager or the involved
12 pharmacy services administrative organization shall not receive any
13 portion of the additional professional dispensing fee. The
14 department shall identify the pharmacies this subdivision applies
15 to and provide the list of applicable pharmacies to the Medicaid
16 managed care organizations.

17 (b) For pharmacies with not more than 7 retail outlets,
18 utilizes a pharmacy reimbursement methodology, when a national
19 average drug acquisition cost price is not available, for brand
20 drugs of the lesser of the wholesale acquisition cost, the average
21 wholesale price less 16.7% plus a professional dispensing fee
22 comparable to the applicable professional dispensing fee provided
23 through section 1620, or the usual and customary charge by the
24 pharmacy. The department shall identify the pharmacies this
25 subdivision applies to and provide the list of applicable
26 pharmacies to the Medicaid managed care organizations.

27 (c) For pharmacies with not more than 7 retail outlets,
28 utilizes a pharmacy reimbursement methodology, when a national

4 wholesale price less 30.0% plus a professional dispensing fee
5 comparable to the applicable professional dispensing fee provided
6 through section 1620, or the usual and customary charge by the
7 pharmacy. The department shall identify the pharmacies this
8 subdivision applies to and provide the list of applicable
9 pharmacies to the Medicaid managed care organizations.

10 (d) Reimburses for a legally valid claim at a rate not less
11 than the rate in effect at the time the original claim adjudication
12 as submitted at the point of sale.

13 (e) Agrees to move to a transparent "pass-through" pricing
14 model, in which the pharmacy benefit manager discloses the
15 administrative fee as a percentage of the professional dispensing
16 costs to the department.

17 (f) Agrees to not create new pharmacy administration fees and
18 to not increase current fees more than the rate of inflation. This
19 subdivision does not apply to any federal rule or action that
20 creates a new fee.

21 (g) Agrees to not terminate an existing contract with a
22 pharmacy with not more than 7 retail outlets for the sole reason of
23 the additional professional dispensing fee authorized under this
24 section.

25 Sec. 1626. (1) By January 15 of the current fiscal year, each
26 pharmacy benefit manager that receives reimbursements, either
27 directly or through a Medicaid health plan, from the funds
28 appropriated in part 1 for medical services must submit all of the

12 manufacturers.

13 (e) The aggregate amount identified in subdivisions (b) and
14 (c) that were retained by the pharmacy benefit manager and did not
15 pass through to the department or to the Medicaid health plan.

16 (f) The aggregate amount of reimbursements the pharmacy
17 benefit manager pays to contracting pharmacies.

18 (g) Any other information considered necessary by the

24 policy offices, and the state budget office.

25 (3) Any nonaggregated information submitted under this section
26 shall be confidential and shall not be disclosed to any person by
27 the department. Such information is not considered a public record

16 reimbursement rate for dental services provided at ambulatory
17 surgical centers and outpatient hospitals. The funding provided in
18 this section must be used to increase the minimum rate for dental
19 services provided in ambulatory surgical centers to \$1,495.00 and

12 (2) By November 1 of the current fiscal year, the department
13 must share the details of the redesign detailed in subsection (1)
14 with the house and senate appropriations committees, the house and
15 senate appropriations subcommittees on the department budget, the
16 house and senate fiscal agencies, and the state budget office.

17 (3) Upon receipt of the report detailed in subsection (2), the
18 house and senate appropriations committees have until November 30

20 whichever is later, to disapprove the redesign required in
21 subsection (1) by a majority vote in both committees. If a majority
22 vote of both appropriations committees disapproving the plan
23 detailed in subsection (2) fails, the department shall implement
24 the redesign upon receipt of all necessary federal approvals.

5 received by the department shall increase authorizations and
6 allotments in the long-term care accounts.

7 (2) Any unexpended penalty money, at the end of the year,
8 shall carry forward to the following year.

9 (3) By March 1 of the current fiscal year, the department

26 enrollees.

27 Sec. 1698. From the funds appropriated in part 1 for dental
28 services, the department shall allocate \$46,681,500.00 to increase
29 the rates on the department's dental fee schedule for adult fee-

2 Sec. 1699. (1) The department may make separate payments in
3 the amount of \$45,000,000.00 directly to qualifying hospitals

13 department shall report to the senate and house appropriations
14 subcommittees on the department budget, the senate and house fiscal
15 agencies, and the state budget office on the distribution of
16 funding provided, and the net benefit if the special hospital

26 Sec. 1701. (1) The department shall explore the feasibility of
27 obtaining appropriate federal approvals to allow for the
28 utilization of Medicaid funding for the creation of a Medicaid
29 supportive housing services benefit. By March 1 of the current

1 fiscal year, the department shall report to the senate and house

22 legislature for the rate to increase by 30%, but not less than 10%,
23 for the services described under this section. These additional
24 funds must be used to attract and retain highly qualified
25 registered nurses and licensed practical nurses to provide private
26 duty nursing services so that medically fragile individuals can be
27 cared for in the most homelike setting possible.

12 recipients that they are United States citizens or otherwise
13 legally residing in this country and that they are residents of
14 this state before approving Medicaid eligibility.

15 Sec. 1763. It is the intent of the legislature that upon
16 expiration of contract no. 071b7700073, the department shall issue
17 an RFP for a 3-year contract for actuarial services, including, but
18 not limited to, capitation rate setting for Medicaid and the
19 Healthy Michigan plan. The department shall notify the senate and
20 house appropriations subcommittees on the department budget, the
21 senate and house fiscal agencies, and the senate and house policy
22 offices on what vendors submitted bids for the contract, which
23 vendor received the contract, the evaluation process, and the
24 criteria used by the department in awarding the contract for
25 actuarial services.

26 Sec. 1764. The department shall annually certify whether rates
27 paid to Medicaid health plans and specialty PIHPs are actuarially
28 sound in accordance with federal requirements and shall provide a
29 copy of the rate certification and approval of rates paid to

1 Medicaid health plans and specialty PIHPs for any fiscal year
 2 within 10 business days after certification to the senate and house
 3 appropriations subcommittees on the department budget, the senate
 4 and house fiscal agencies, and the state budget office. Following
 5 the rate certification, the department shall ensure that no new or
 6 revised state Medicaid policy bulletin that is promulgated
 7 materially impacts the capitation rates that have been certified.

8 Sec. 1775. (1) By March 1 of the current fiscal year, the
 9 department shall report to the senate and house appropriations
 10 subcommittees on the department budget, the senate and house fiscal

 15 any problems and potential solutions as identified by the ombudsman
 16 described in subsection (2).

17 (2) The department shall ensure the existence of an ombudsman
 18 program that is not associated with any project service manager or
 19 provider to assist MI Health Link beneficiaries with navigating

 21 problems in the demonstrations and in the complaint and dispute
 22 resolution mechanisms.

23 Sec. 1786. (1) From the funds appropriated in part 1, the
 24 department shall increase Medicaid reimbursement for the
 25 administration of injectable vaccines to \$16.13 and administration
 26 of oral vaccines to \$12.25.

27 (2) The intent of the rate increases in subsection (1) of this
 28 section is to improve immunization rates among Medicaid
 29 beneficiaries and reduce the spread of preventable illness.

1 Sec. 1788. From the funds appropriated in part 1, the
2 department shall provide Medicaid reimbursement rates, including
3 Medicaid reimbursements from the ambulance provider quality
4 assurance assessment, for ground ambulance services at not less
5 than 100% of the Medicare rates for Locality 01 for those services
6 in effect on the date the services are provided to eligible
7 Medicaid recipients.

8 Sec. 1790. The department shall maintain the current
9 practitioner rates paid for current procedural terminology (CPT)
10 codes 90791 through 90899 for psychiatric procedures through
11 Medicaid fee-for-service and through the comprehensive Medicaid

20 reimbursement rate increase are 99468, 99469, 99471, 99472, 99475,
21 99476, 99477, 99478, 99479, and 99480.

22 Sec. 1792. By April 30 of the current fiscal year, the
23 department shall evaluate pharmacy encounter data through the first
24 2 quarters of the fiscal year to determine, in consultation with
25 the Medicaid health plans, if rates must be recertified. By May 30
26 of the current fiscal year, the department shall report the
27 evaluation results to the senate and house appropriations
28 subcommittees on the department budget, the senate and house fiscal
29 agencies, the senate and house policy offices, the state budget

1 office, and the Medicaid health plans.

2 Sec. 1801. (1) From the funds appropriated in part 1 for
3 physician services and health plan services, the department shall
4 continue the increase to Medicaid rates for primary care services
5 provided only by primary care providers. Providers performing a
6 service and whose primary practice is as a non-primary-care
7 subspecialty are not eligible for the increase. The department
8 shall establish policies that most effectively limit the increase
9 to primary care providers for primary care services only. As used
10 in this section, "primary care provider" means a physician, or a
11 practitioner working in collaboration with a physician, who is
12 either licensed under part 170 or part 175 of the public health

15 practice or board-eligible or certified with a specialty
16 designation of family medicine, general internal medicine, or
17 pediatric medicine, or a provider who provides the department with
18 documentation of equivalency.

19 (2) From the funds appropriated in part 1 for health plan
20 services and physician services, the department shall allocate
21 \$15,000,000.00 of general fund/general purpose revenue and any
22 associated federal match to provide Medicaid reimbursement rates
23 for primary care services at the greater of either the actual rates
24 paid during the previous fiscal year or at least 95% of the
25 Medicare rate received for those services on the date the service
26 is provided. The current procedural terminology (CPT) codes that
27 are eligible for this reimbursement rate increase are 99202 through
28 99205, 99211 through 99215, 99381 through 99387, 99391 through

2 hospital services and therapy, \$7,995,200.00 in general
3 fund/general purpose revenue shall be provided as lump-sum payments
4 to noncritical access hospitals that qualified for rural hospital
5 access payments in fiscal year 2013-2014 and that provide
6 obstetrical care in the current fiscal year. Payment amounts shall
7 be based on the volume of obstetrical care cases and newborn care
8 cases for all such cases billed by each qualified hospital in the
9 most recent year for which data is available. Payments shall be
10 made by January 1 of the current fiscal year.

11 (2) From the funds appropriated in part 1 for hospital
12 services and therapy and Healthy Michigan plan, \$13,904,800.00 in
13 general fund/general purpose revenue and any associated federal
14 match shall be awarded as rural access payments to noncritical
15 access hospitals that meet criteria established by the department
16 for services to low-income rural residents. One of the
17 reimbursement components of the distribution formula shall be
18 assistance with labor and delivery services. The department shall
19 ensure that the rural access payments described in this subsection
20 are distributed in a manner that ensures that a hospital does not
21 receive more than 10.0% of the total rural access funding
22 referenced in this subsection.

23 (3) The methodology for distribution under subsection (2) and
24 its applicable data that are used to determine the payment amounts
25 must be provided to each hospital by August 1 of the current fiscal
26 year. The department shall publish the distribution of payments for
27 the current fiscal year and the previous fiscal year.

28 Sec. 1803. The department shall maintain rules to allow for
29 billing to and reimbursement by the Medicaid program directly for

1 transportation charges related to portable X-ray services rendered
2 to patients residing in a nursing facility or an assisted living
3 facility, or who are otherwise homebound. By October 1 of the
4 current fiscal year, the department shall set payment rates for
5 Medicaid transportation charges related to portable X-ray services.

6 Sec. 1804. (1) The department shall utilize the federal public

11 requirements described in this section. The department shall
12 acquire all of the following information by January 1 of the
13 current fiscal year and report to the senate and house
14 appropriations subcommittees on the department budget, the senate
15 and house fiscal agencies, and the senate and house policy offices
16 on the following:

17 (a) The number of veterans identified by the department
18 through eligibility determinations.

19 (b) The number of veterans referred to the department of

25 (e) The specific actions and efforts undertaken by the
26 department and the department of military and veterans affairs to
27 identify female veterans who are applying for public assistance
28 benefits, but who are eligible for veterans benefits.

29 (2) By October 1 of the current fiscal year, the department

1 shall change the public assistance application form from asking
 2 whether the prospective applicant was a veteran to asking whether
 3 the applicant had ever served in the military.

4 (3) This section does not prohibit the department from
 5 entering into interagency agreements with any other public
 6 department or agency in this state in order to obtain the
 7 information detailed in subsection (1).

8 Sec. 1810. In advance of the annual rate setting development,
 9 Medicaid health plans shall be given at least 60 days to dispute
 10 and correct any discarded encounter data before rates are
 11 certified. The department shall notify each contracting Medicaid
 12 health plan of any encounter data that have not been accepted for
 13 the purposes of rate setting.

14 Sec. 1812. By June 1 of the current fiscal year, and using the
 15 most recent available cost reports, the department shall complete a
 16 report of all direct and indirect costs associated with residency
 17 training programs for each hospital that receives funds
 18 appropriated in part 1 for graduate medical education or through
 19 the MiDocs consortium. The report shall be submitted to the house
 20 and senate appropriations subcommittees on the department budget,
 21 the house and senate fiscal agencies, and the state budget office.

22 Sec. 1820. (1) In order to avoid duplication of efforts, the
 23 department shall utilize applicable national accreditation review
 24 criteria to determine compliance with corresponding state
 25 requirements for Medicaid health plans that have been reviewed and
 26 accredited by a national accrediting entity for health care
 27 services.

28 (2) The department shall continue to comply with state and
 29 federal law and shall not initiate an action that negatively

1 impacts beneficiary safety.

2 (3) As used in this section, "national accrediting entity"
3 means the National Committee for Quality Assurance, the URAC,
4 formerly known as the Utilization Review Accreditation Commission,
5 or other appropriate entity, as approved by the department.

6 Sec. 1837. The department shall continue, and expand where
7 appropriate, utilization of telemedicine and telepsychiatry as
8 strategies to increase access to services for Medicaid recipients.

9 Sec. 1846. From the funds appropriated in part 1 for graduate
10 medical education, the department shall distribute the funds with
11 an emphasis on the following health care workforce goals:

12 (a) The encouragement of the training of physicians in
13 specialties, including primary care, that are necessary to meet the
14 future needs of residents of this state.

15 (b) The training of physicians in settings that include
16 ambulatory sites and rural locations.

17 (c) The training of practitioners providing pediatric
18 psychiatry services.

19 Sec. 1850. The department may allow Medicaid health plans to
20 assist with maintaining eligibility through outreach activities to
21 ensure continuation of Medicaid eligibility and enrollment in
22 managed care. This may include mailings, telephone contact, or
23 face-to-face contact with beneficiaries enrolled in the individual
24 Medicaid health plan. Health plans may offer assistance in
25 completing paperwork for beneficiaries enrolled in their plan.

26 Sec. 1851. From the funds appropriated in part 1 for adult
27 home help services, the department shall allocate \$150,000.00 state
28 general fund/general purpose revenue plus any associated federal
29 match to develop and deploy a mobile electronic visit verification

10 agreement.

11 (2) The department shall identify an alternative payment
12 authority that would reimburse PACE organizations for services
13 provided to a participant before the effective date of enrollment
14 on a capitated basis. By January 1 of the current fiscal year, the
15 department shall report to the senate and house appropriations
16 subcommittees on the department budget, the senate and house fiscal
17 agencies, the senate and house policy offices, and the state budget
18 office on the cost of reimbursing PACE organizations for services
19 provided to a participant before the effective date of enrollment.

21 all-inclusive care for the elderly (PACE) must support a current
22 fiscal year enrollment cap that is not less than 7,288.

23 Sec. 1855. From the funds appropriated in part 1 for program
24 of all-inclusive care for the elderly (PACE), to the extent that
25 funding is available in the PACE line item and unused program slots
26 are available, the department may do the following:

27 (a) Increase the number of slots for an already-established
28 local PACE program if the local PACE program has provided
29 appropriate documentation to the department indicating its ability

1 to expand capacity to provide services to additional PACE clients.

2 (b) Suspend the 10 member per month individual PACE program
3 enrollment increase cap in order to allow unused and unobligated
4 slots to be allocated to address unmet demand for PACE services.

5 Sec. 1856. (1) From the funds appropriated in part 1 for
6 hospice services, \$5,000,000.00 shall be expended to provide room
7 and board for Medicaid recipients who meet hospice eligibility

9 residences in this state. The department shall distribute funds
10 through grants based on the total beds located in all eligible
11 residences that have been providing these services as of October 1,
12 2017. Any eligible grant applicant may inform the department of the
13 applicant's request to reduce the grant amount allocated for the
14 applicant's residence and the funds shall be distributed
15 proportionally to increase the total grant amount of the remaining
16 grant-eligible residences. Grant amounts shall be paid out monthly
17 with 1/12 of the total grant amount distributed each month to the
18 grantees.

19 (2) By September 15 of the current fiscal year, each Medicaid-
20 enrolled hospice with a residence that receives funds under this
21 section shall provide a report to the department on the utilization

25 technology services for Medicaid research activities. The
26 department shall make available state medical assistance program
27 data, including Medicaid behavioral data, to MAHP and Medicaid
28 health plans or any vendor considered qualified by the department
29 for the purpose of research activities consistent with this state's

13 contingent upon a minimum 2-year commitment to practice in an
14 underserved community in this state post-residency and an agreement
15 to forego any sub-specialty training for at least 2 years post-
16 residency with the exception of a child and adolescent psychiatry

18 training program in a MiDocs affiliated institution.

19 (4) The MiDocs shall work with the department to integrate the

14 emergency management act, 1976 PA 390, MCL 30.401 to 30.421. The
15 state director of emergency management may expend the amounts the
16 director considers necessary to accomplish these purposes. The
17 director shall submit to the state budget director, as soon as
18 possible, a complete report of all actions taken under the
19 authority of this section. The report shall contain, as a separate
20 item, a statement of all money expended that is not reimbursable
21 from federal funding. The state budget director shall review the
22 expenditures and submit recommendations to the legislature in
23 regard to any possible need for a supplemental appropriation.

24 (3) In addition to the funds appropriated in part 1, the
25 department may receive and expend money from local, private,
26 federal, or state sources for the purpose of providing emergency
27 management training to local or private interests and for the
28 purpose of supporting emergency preparedness, response, recovery,
29 and mitigation activity. If additional expenditure authorization in

1 SIGMA is approved by the state budget office under this section,
2 the department and the state budget office shall notify the
3 subcommittees and the senate and house fiscal agencies within 10
4 days after the approval. The notification shall include the amount
5 and source of the additional authorization, the date of its
6 approval, and the projected use of the funds to be expended under
7 the authorization. The total amount of federal revenues that may be
8 received and expended under this section and section 231 must not
9 exceed \$45,000,000.00. The total amount of state restricted
10 revenues that may be received and expended under this subsection
11 and subsection (7) must not exceed \$15,000,000.00.

12 (4) The department shall foster, promote, and maintain
13 partnerships to protect this state and homeland from all hazards.

14 (5) The department shall maintain the staffing and resources

23 respond to civil disorders and natural disasters commensurate with
24 the capabilities of fiscal year 2010-2011.

25 (d) Perform hazardous materials response training.

26 (6) The department shall conduct a minimum of 3 training
27 sessions to enhance safe response in the event of natural or
28 manmade incidents, emergencies, or disasters.

29 (7) In addition to the funds appropriated in part 1, there is

1 appropriated from the disaster and emergency contingency fund an
2 amount necessary to cover costs related to any disaster or
3 emergency as defined in the emergency management act, 1976 PA 390,
4 MCL 30.401 to 30.421. However, funds appropriated under this
5 subsection and state restricted funds received and expended under
6 subsection (3) must not exceed \$15,000,000.00. Funds shall be
7 expended as provided under sections 18 and 19 of the emergency
8 management act, 1976 PA 390, MCL 30.418 and 30.419, and R 30.51 to
9 R 30.61 of the Michigan Administrative Code.

10 (8) Funds in the disaster and emergency contingency fund shall
11 not be expended unless the state budget director approves the
12 expenditure and the department and the state budget office notify
13 the senate and house appropriations committees. If expenditures are
14 made from the disaster and emergency contingency fund during a
15 month, the department shall submit monthly reports to the senate
16 and house fiscal agencies detailing the purpose of the
17 expenditures. These monthly reports shall be submitted within 30
18 days after the end of the month during which funds from the
19 disaster and emergency contingency fund were expended.

23 notification of the subcommittees and senate and house fiscal
24 agencies, the director may expend funds appropriated from any
25 source to any line item within part 1 for the purpose of paying the
26 necessary and reasonable expenses incurred by the department in
27 responding to or mitigating the effects of any emergency or
28 disaster as those terms are defined in section 2 of the emergency
29 management act, 1976 PA 390, MCL 30.402.

2 basis, as provided in section 224 of this part, the status of the
3 department's assessment of critical infrastructure vulnerabilities,
4 including the protection status of critical infrastructure items
5 identified by the assessment. The department is not required to
