<p>(2) Money included in the appropriations for community college operations under section 201(2) for local strategic value shall be allocated to each community college that certifies to the state budget director, through a board of trustees resolution on or before October 15, 2020, that the college has met 4 out of 5 best practices listed in each category described in subsection (3). The resolution shall provide specifics as to how the community college meets each best practice measure within each category. One-third of funding available under the strategic value component shall be allocated to each category described in subsection (3). Amounts distributed under local strategic value shall be on a proportionate basis to each college's fiscal year 2019-2020 operations funding. Payments to community colleges that qualify for local strategic value funding shall be distributed with the November installment payment described in section 206.</p>	<p>Revises operations to operational support payments, 201(2) to 201e and updates dates</p>	<p>(2) Operations funding amounts in section 201 are distributed based on the following formula: (a) In fiscal year 2021-2022, 33.3% based on the community college's FYES average described in subsection (1)(b) multiplied by the FYES funding figure described in subsection (1)(c), and 66.7% based on the operations appropriation level for fiscal year 2020-2021, plus adjustments made for North American Indian Tuition waiver reimbursements. (b) In fiscal year 2022-2023, 66.7% based on the community college's FYES average described in subsection (1)(b) multiplied by the FYES funding figure described in subsection (1)(c), and 33.3% based on the operations appropriation level for fiscal year 2020-2021, plus adjustments made for North American Indian Tuition Waiver reimbursements. (c) In fiscal year 2023-2024, 100% based on the community college's FYES average described in subsection (1)(b) multiplied by the FYES funding figure described in subsection (1)(c), plus adjustments made for North American Indian Tuition Waiver reimbursements.</p>		

<p>(3) For purposes of subsection (2), the following categories of best practices reflect functional activities of community colleges that have strategic value to the local communities and regional economies:</p> <p>(a) For Category A, economic development and business or industry partnerships, the following:</p> <p>(i) The community college has active partnerships with local employers including hospitals and health care providers.</p> <p>(ii) The community college provides customized on-site training for area companies, employees, or both.</p> <p>(iii) The community college supports entrepreneurship through a small business assistance center or other training or consulting activities targeted toward small businesses.</p> <p>(iv) The community college supports technological advancement through industry partnerships, incubation activities, or operation of a Michigan technical education center or other advanced technology center.</p> <p>(v) The community college has active partnerships with local or regional workforce and economic development agencies.</p> <p>(b) For Category B, educational partnerships, the following:</p> <p>(i) The community college has active partnerships with regional high schools, intermediate school districts, and career-tech centers to provide instruction through dual enrollment, concurrent enrollment, direct credit, middle college, or academy programs.</p> <p>(ii) The community college hosts, sponsors, or participates in enrichment programs for area K-12 students, such as college days, summer or after-school programming, or Science Olympiad.</p>	<p>Unchanged</p>	<p>Subsection deleted</p>

<p>Adds new section:</p> <p>Sec. 231. (1) Payments under section 201e for operational support payments for fiscal year 2021-2022 shall only be made to a public community college that certifies to the state budget director by the last business day of August that its board will not adopt an increase in tuition and fee rates for in-district students for the 2021-2022 academic year that is greater than 4.2%. As used in this subsection:</p> <p>(a) "Fee" means any board authorized fee that will be paid by more than ½ of all in-district students at least once during their enrollment at a public community college. A community college increasing a fee that applies to a specific subset of students or courses shall provide sufficient information to prove that the increase applied to that subset will not cause the increase in the average amount of board-authorized total tuition and fees paid by in-district students in the 2021-2022 academic year to exceed the limit established in this section.</p>	<p>Not included</p>
