(21) From the funds appropriated in part 1 for Grand Rapids home for veterans video monitoring pilot project, \$275,000.00 may be expended for a member in-room safety monitoring pilot program at the Grand Rapids home for veterans. The purpose of the pilot program is to determine if a specific, existing video monitoring system can improve member safety and reduce fall rates at the Grand Rapids home for veterans. In order to achieve this goal, the MVAA may contract with a third party that has developed a best-in-class, continuous virtual patient engagement platform that enables both visual and audio monitoring of members. Prior to expending funds appropriated in part 1 for Grand Rapids home for veterans video monitoring pilot project, the MVAA shall provide a report, to include agency recommendations, to the subcommittees and the senate and house fiscal agencies regarding the feasibility of the pilot project with input from industry experts in this field.
