(2) A department, agency, board, commission, or public officer may not subject any individual to any negative employment consequence, retaliation, or retribution because of that individual's COVID-19 vaccine status.				
(3) Subsection (1) does not prohibit any person, department, agency, board, commission, or public officer from transmitting proof of an individual's COVID-19 vaccine status to any person, company, or governmental entity, so long as the individual provides affirmative consent.				
(4) If a department, agency, board, commission, subdivision, or official or public officer is required to establish a vaccine policy due to a federal mandate, it must provide exemptions to any COVID-19 vaccine policy to the following individuals: (a) An individual for whom a physician certifies that a COVID-19 vaccine is or may be detrimental to the individual's health or is not appropriate. (b) An individual who provides a written statement to the effect that the requirements of the COVID-19 vaccine policy cannot be met because of religious convictions or other consistently held objection to immunization.				
(5) As used in this section, "public officer" means a person appointed by the governor or another executive department official or an elected or appointed official of this state or a political subdivision of this state.
