Adds new section:
Sec. 236k. (1) The amounts appropriated in section 236 for per-student floor funding are distributed to those public universities whose annual state appropriations per fiscal year equated student is less than \$4,672.00 and are allocated to ensure a funding floor of \$4,672.00 is met.

(2) The per-student floor funding allocation for fiscal year 2022-2023 is an amount equal to (the difference between \$4,500.00 and the amount calculated by dividing the annual state appropriations for fiscal year 2020-2021 by fiscal year equated student for fiscal year 2020-2021) divided by 4. The amount paid to an eligible public university is the amount calculated in the immediately preceding sentence multiplied by fiscal year equated student for fiscal year 2020-2021. If a calculated under this section results in an amount less than \$0, the payment under this section is equal to \$0. It is the intent that each university will reach a minimum funding level of at least \$4,500.00 over 4 years.

(2) The amount of an eligible public university's per-student floor funding allocation for fiscal year 2022-2023 is determined by multiplying the university's fiscal year equated students for fiscal year 2020-2021 by the difference between \$4,672.00 and an amount calculated by dividing the university's operations payment for fiscal year 2021-2022 by the university's fiscal year equated students for fiscal year 2020-2021. As used in this subsection:

(a) "Fee" means any board-authorized fee that will be paid by more than 1/2 of all resident undergraduate students at least once during their enrollment at a public university, as described in the higher education institutional data inventory (HEIDI) user manual. A university increasing a fee that applies to a specific subset of students or courses shall provide sufficient information to prove that the increase applied to that subset will not cause the increase in the average amount of board-authorized total tuition and fees paid by resident undergraduate students in the 2021-2022 academic year to exceed the limit established in this subsection.

(b) "Tuition and fee rate" means the average of full-time rates paid by a majority of students in each undergraduate class, based on an unweighted average of the rates authorized by the university board and actually charged to students, deducting any uniformly rebated or refunded amounts, for the 2 semesters with the highest levels of full-time equated resident undergraduate enrollment during the academic year, as described in the higher education institutional data inventory (HEIDI) user manual.
