## BACKGROUND AND SUMMARY OF PROPOSED RULES

2017-081 LR would rescind all rules relating to the State Boundary Commission. Among the rules being rescinded are rules pertaining to the following: definition of terms, adjudicative sessions, business of the commission, commission voting, commission records, administrative sessions, preparation and filing of petitions and resolution, processing of dockets, commission procedures, and public hearings. The rules are being rescinded in accordance with a finding from the Lean Process Improvement (LPI) process, which determined that the rules exceed the scope of the State Boundary Commission Act. The LPI process determined that the State Boundary Commission Act adequately addresses the program's needs.

## FISCAL IMPACT OF PROPOSED RULES

2017-081 LR would not have a fiscal impact on any unit of state or local government.
